## Structure, governance and management *(continued)*

For the purpose of the Companies Act 2006 all trustees are deemed to be directors.

Members and others are circulated with invitations prior to the AGM advising them of any retiring trustees and requesting nominations for potential trustees. When co-opting trustees the board has regard to the skills and attributes any individual may bring to the charity.

### Organisation

The board of trustees administer the charity and usually meet every two months. A General Manager is appointed by the board to manage the day-to-day operations of the charity. To facilitate effective operations the General Manager has delegated authority for operational matters including finance and employment.

### Risk management

The trustees have assessed the major risks to which the charity is exposed and established systems and procedures to mitigate exposure to the major risks.

### Objectives and activities

The purpose of the charity is to provide a public benefit of promoting and enabling community cohesion and reducing social and rural isolation for all residents of our area of operation, enabling any resident to fully participate within the community and enjoy their own independent life styles. Our work applies particularly to the more vulnerable members of our society.

This purpose is currently realised by our provision of:

- (a) Community transport projects.
- (b) A Befriending Service

The trustees aim to provide sustainable services at high standards of delivery within the constraints of ever changing funding, regulation and political change all of which currently leads us in to a more commercial environment and possible diversification so as to secure our future.

### Achievements and performance

#### Community Transport

The Voluntary Network operates various Community Transport projects. We operate the Connecting Communities service for Forest Heath and St Edmundsbury, alongside Community Transport services for neighbouring areas and East and South Cambridgeshire.

COVID has had a significant impact upon our services and those who we assist, we are working hard to rebuild our services and further adapt the changes in our clients needs, reduced mobility, struggling with confidence and mental health. We have increased our supportive, welfare and safeguarding.

#### Befriending Service

We operate a Befriending Service which provides support and companionship across West Suffolk for those who would otherwise be lonely and isolated.

**Independent Examiner's Report to the Trustees of The Voluntary Network**

**Year ended 31 March 2022**

---

I report to the trustees on my examination of the financial statements of The Voluntary Network ('the charity') for the year ended 31 March 2022.

## **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

## **Independent examiner's statement**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

## 3. Accounting policies *(continued)*

### Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Motor vehicles	-	20% straight line
Equipment	-	20% and 33.33% straight line

## 3. Accounting policies *(continued)*

### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided.
