**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is a company limited by guarantee and was incorporated on 16 November 2000 under the number 4109339. It has been registered with the Charity Commission as a charity under the number 1084809 as from 31 January 2002. The charity's governing document is the Memorandum and Articles of Association

**Recruitment and appointment of new trustees**

At present the charity has no formal procedures for the recruitment and appointment of new trustees.

**Risk management**

The management committee has conducted its own review of the major risks to which the charity is exposed and systems have been established to mitigate those risks.

**OBJECTS AND ACTIVITIES**

**Objectives and aims**

The charity's objects are to improve throughout the world the knowledge and methodology relating to the prevention, early detection, treatment and palliative care of cancer.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

GCC continues to support palliative care provided by 8 charitable centres in Egypt. The charity has spent £50,600 this year in its support for these centres including contribution to a 9<sup>th</sup> centre. These centres are widely spread across the country from Alexandria in the far north to Aswan in the far south. The centres support people with advanced cancer in several ways including crisis inpatient management, day care, provision of medication/medical devices and home visits.

In addition, members of the charity volunteers in the UK supported education and training of volunteers in Egypt. In particular:

1. A conference on palliative care was organised in Egypt on 26 and 27 July 2025. This was attended by 70 delegates.
2. Two expert medical staff from the UK provide a monthly remote educational/training session to volunteers who provide palliative care in Egypt.
3. Between October and November 2025, a member of charity volunteers visited seven palliative care centres in Egypt and met with managers of the palliative centre in Alexandria to discuss progress made and their needs. He also collects data every three months from the 8 centres.
4. GCC arranged a five-day palliative care training at St. Luke Hospice, Sheffield, for a doctor from Banha, Egypt, starting November 3. The focus was hospice care specially for terminally ill patients. The doctor plans to establish an in-patient palliative care service at his private hospital.
5. Multiple networks currently enable communication between centres.

**FINANCIAL REVIEW**

**Reserves policy**

The trustees have now formalised the reserves policy for the charity. The charity operates on a cash basis

with no pledges made in advance of the receipt of funds. The reserves comprise, therefore, sufficient funds to meet the day-to-day running of the charity.

**Future Developments.**

- Arrangements are being made by the GCC for visits to the centres and to hold a two-days conference in Egypt in year 2026
- GCC is considering remote educational sessions for African nurses interested in palliative care. A successful trial was held in November for a group of nurses in Cameroon.
- GCC is also working on the provision of support to a new centre in Mahalla-El-Kubra, a town to the northeast of Cairo

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 DECEMBER 2025**

---

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The trustees (who are also the directors of Global Cancer Care (A Company Limited by Guarantee) for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company for that period. In preparing those financial statements, the trustees are required to

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charity SORP
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for safeguarding the assets of the charitable company and hence for taking steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

I report on the accounts for the year ended 31 December 2025

(1) In connection with my examination, no matter has come to my attention: which gives me reasonable cause to believe that, in any material respect, the requirements to keep accounting records in accordance with section 386 and 387 of the Companies Act 2006; and to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or  
2- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
