## **TRUSTEES' ANNUAL REPORT**

### **YEAR ENDED 30 APRIL 2024**

The Trustees, who are also Directors for the purposes of the Companies Act, have pleasure in presenting their report and the financial statements of the charity for the year ended 30 April 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", applicable to charities preparing their financial statements in accordance with FRS 102.

The information on page 1 forms part of this report.

### **COMPANY STATUS**

The company is a registered charity and limited by guarantee, governed by its Memorandum and Articles of Association. In accordance with the constitution of the company every member undertakes to contribute such amount (not exceeding £1) to the company's assets should it be wound up.

### **THE TRUSTEES**

The Trustees who served the charity during the period were as follows:

K L H Cooke  
P N R Cooke  
M J Maskey  
J J F Cooke  
C F Nesbit

### **OBJECTS**

The objects of the charity are:

- The advancement of scientific education and research in topics related to forestry and ornithology provided that any papers produced as a result of such research are published and/or submitted to the charity;
- To advance education in the arts by provision of funding to art colleges, by grants to not for profit art galleries and by occasional grants to public galleries for their acquisition or exhibition programmes, all as the Trustees in their absolute discretion think fit;
- To advance educational and environmental objectives to third world or other environmental projects as the Trustees in their absolute discretion think fit, provided such purposes shall be exclusively charitable according to the law of England and Wales;
- To make grants for any charitable purpose or purposes which the Trustees in their absolute discretion think fit.

### **REVIEW OF DEVELOPMENTS, ACTIVITIES AND ACHIEVEMENTS**

The objects are achieved by making appropriate grants.

One off grants have been made during the year to Fitzwilliam Museum, Southwark Park Galleries, Suffolk Historic Churches Trust, Ormiston Families, The Great Bustard Group, South Newington PCC, National Youth Choir, Gainsborough's House and National Churches Trust.

## **TRUSTEES' ANNUAL REPORT**

### **YEAR ENDED 30 APRIL 2024**

#### **REVIEW OF DEVELOPMENTS, ACTIVITIES AND ACHIEVEMENTS continued**

The charity also had continuing commitments to South London Gallery – support for assistant curator – and Suffolk Wildlife Trust.

#### **PUBLIC BENEFIT**

In setting objectives, developing strategies and undertaking activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

The charity makes grants to individuals and organisations who in turn deliver public benefit and so public benefit is carefully considered at the grant approval decision stage. Some grants are specifically restricted to ensure public benefit and all grants are monitored to ensure the public benefit requirement is satisfied.

#### **GRANTS POLICY**

The Trustees actively review and consider all appeals for funding received from individuals and other charitable organisations operating in the areas covered by the charity.

#### **REVIEW OF THE YEAR**

We are continuing to support a diverse group of charitable objectives – environmental, the arts and architecture and educational.

We have committed to supporting a number of initiatives through into subsequent years.

#### **FINANCIAL REVIEW**

The total income to 30 April 2024 was £154,696 compared to £144,967 for the year to 30 April 2023.

Total expenditure amounted to £181,085 compared to £202,417 for the year to 30 April 2023. After losses on investments of £230,386 (2023: Losses £935,694) we have produced an overall deficit for the year of £256,775 compared to a deficit of £993,144 for the previous year.

#### **FUTURE PLANS**

The Trustees propose to continue their present policy of grants to bodies involved in fields deemed suitable.

#### **RESERVES POLICY**

The charity's reserves policy follows the guidance of the Charity Commission. The unrestricted free reserves total £244,811. The Trustees consider this to be a reasonable level of reserves, providing them the flexibility to support grant applications received. The endowment funds are held to generate income for grant making.

## **TRUSTEES' ANNUAL REPORT**

**YEAR ENDED 30 APRIL 2024**

### **INVESTMENT POWERS AND RESTRICTIONS**

The Trustees have wide powers of investment as set out in the Memorandum and Articles of Association of the charity.

Trustees have power to invest any money in any investments, securities or properties; and to accumulate and set aside funds for special purposes or as reserves.

The Trustees constantly review the investment portfolio.

### **RISK MANAGEMENT**

The Trustees have considered the operational risks that the charity faces and confirm that systems have been established to identify those risks and to lessen the effects of those risks wherever possible.

### **RECRUITMENT, APPOINTMENT, INDUCTION AND TRAINING OF TRUSTEES**

New Trustees are appointed following a selection process designed to enhance the skills and experience of the charity as a whole. Confirmation of appointment is undertaken at the subsequent annual general meeting. New Trustees are provided with a detailed induction programme covering all aspects of the organisation.

### **GOING CONCERN**

In the opinion of the Trustees, the charity is deemed to be a going concern and will realise its assets and meet its liabilities under the normal course of operation.

### **TRUSTEES' RESPONSIBILITIES**

The Trustees, who are also the directors of Paul and Louise Cooke Endowment for the purposes of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to select suitable accounting policies and then apply them consistently, observe the methods and principles in the Charities SORP, make judgements and estimates that are reasonable and prudent. The Trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF PAUL AND LOUISE COOKE ENDOWMENT ('the Company')**

I report to the charity trustees on my examination of the financial statements of the Company for the year ended 30 April 2024.

### **Responsibilities and basis of report**

As the charity trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's account as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

1. Accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. The financial statements do not accord with those records; or
3. The financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a true and fair view which is not a matter considered as part of an independent examination; or
4. The financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 April 2024. The members have not required the charitable company to obtain an audit of its financial statements for the year ended 30 April 2024 in accordance with Section 476 of the Companies Act 2006.

The Trustees acknowledge their responsibilities for:

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to the financial statements, so far as applicable to the charitable company.

Advantage is taken in the preparation of the financial statements of the special provisions contained in Part 15 of the Companies Act 2006 relating to small companies. In the Trustees' opinion the charity is entitled to those exemptions as a small company.

These financial statements were approved by the Trustees on 25 July 2024 and are signed on their behalf by:

## NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 30 APRIL 2024

#### 1. ACCOUNTING POLICIES

##### **Basis of accounting**

The financial statements are prepared on the historical cost basis, with the exception of investments which are stated at market value, and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the charity and are rounded to the nearest £.

Paul and Louise Cooke Endowment is a company limited by guarantee domiciled and incorporated in England and Wales. The entity is also a registered charity. The registered office is Connexions, 159 Princes Street, Ipswich IP1 1QJ. The charity is a Public Benefit Entity as defined by FRS 102.

##### **Going concern**

These accounts have been prepared on a going concern basis. In the opinion of the Trustees, the charity is deemed to be a going concern and will realise its assets and meet its liabilities under the normal course of operation.

##### **Unrestricted funds**

Unrestricted funds are donations and other income received or generated for the objects of the charity without further specified purpose and are available as general funds.

##### **Expendable endowment**

The expendable endowment was created by gifts. The income generated may be used for the objects of the charity without further specified purpose and is available as general funds. The capital may be spent if the Trustees so determine.

##### **Income**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income after any performance conditions have been met, the amounts can be measured reliably, and it is probable that the income will be received. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable.
- Investment income and interest receivable are included when receivable.

##### **Expenditure**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT:

- Charitable expenditure comprises grants made by the charity which are accounted for when a constructive obligation arises.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include examiner's fees and costs linked to the strategic management of the charity.
- Raising funds costs comprise investment manager fees which are accounted for on an accruals basis.
- All costs are allocated directly between the expenditure categories of the Statement of Financial Activities.

# PAUL AND LOUISE COOKE ENDOWMENT COMPANY LIMITED BY GUARANTEE

## NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 APRIL 2024

### 1. ACCOUNTING POLICIES continued

#### **Other assets**

Other assets are stated at cost less any required impairment.

#### **Foreign currency**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the Statement of Financial Activities.

#### **Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### **Financial instruments**

Financial instruments are recognised in the balance sheet when the charity becomes party to the contractual provision of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### **Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

## NOTES TO THE FINANCIAL STATEMENTS

### YEAR ENDED 30 APRIL 2024

#### 1. ACCOUNTING POLICIES continued

##### Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

##### Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.
