

**LAMPETER CHRISTIAN CENTRE/CANOLFAN GRISTNOGOL LLANBED YR**  
**HEDYN MWSTARD**

**TRUSTEES' REPORT 2023-2024**

**1. The Objectives**

- (1) The advancement of the Christian Faith in accordance with the statement of Doctrines in the Trust Schedule and, in particular, by the provision of Christian literature in various media.
- (2) The promotion of any other charitable purpose for the benefit of the community of Mid and West Wales by the advancement of education, the protection of health and the relief of poverty and sickness as an expression of the Christian Faith.

**2. Strategies, Activities and Achievements in view of these Objectives**

**The Centre has now fully reopened after Covid.** The Centre has striven to keep all the above objectives in mind as it has worked through the year. The general pattern is as follows:

- the Centre is open five days a week, closed on Sundays and Mondays, as the footfall on Mondays was much lower than Wednesdays, traditionally the other day we were closed and traditionally a half-day shopping closure in Lampeter (the Church Ladies' Meeting is now held there on Monday mornings too instead of Wednesday mornings); this change – closing on Mondays and opening on Wednesdays – has continued to be most beneficial to the Centre as it has been much busier; opening hours are between 10.00 a.m. and 4.00 p.m.; the staff always pray together before opening and after closing
- generally the footfall has continued to increase since and this has been most pleasing and encouraging, and now we are back to working to the full seating capacity we had before the pandemic; as before, from time to time we catered for groups/parties who arranged to come for lunch or tea on special occasions such as birthdays; we also catered for weddings, funeral teas and for special day and evening events; we were very busy in 2023 again with Christmas Dinners
- the Christian Bookstall and the Cwtsh (the area where a variety of other materials are available) have continued to be the focus of many visits, enquiries and sales; this service continues to be enhanced by the substantial second-hand Christian books' service located on separate shelving; (sales from these areas during the last year have been steady throughout)
- we provide a free Wi-Fi service to customers
- the disruption caused by the building of a church next door, Lampeter Evangelical Church, has now come to an end, and indeed the church and the Centre continue to liaise well together – services at the church are followed by our opening the Centre so that people may have

further more informal fellowship together and this has proved to be very popular; the completion of the church building means that the accommodation on the first floor of the building has been refurbished – one flat is now occupied and another part of the accommodation is provided for members of the church who have returned from the mission field in Kenya to live in Lampeter for some time – they will be giving voluntary help to the church and the Centre; though the Church and the Centre are two independent charities, many of the church's trustees are also trustees of The Lampeter Christian Centre; a legal agreement has been drawn up by means of which access from one entity to the other is acknowledged, in order to facilitate co-operation in promoting the Gospel in the town and community; the new large patio built at the back of both properties in 2020-2021 has proved to be a worthwhile investment and a distinct improvement on the precious smaller patio, new furniture was purchased and all this has been much used and appreciated by clientele

- the Centre continues to be regularly used by a variety of groups or societies during the daytime e.g. a Christian charity Knitting Group supported by Lampeter Evangelical Church meets every month to provide for needy people in other countries, particularly the Eastern Europe countries, Reading Group, Knits and Natters, Sewing Group, a Chess Club, Multiple Sclerosis Group, Ramblers' Association, men's group, a women's group and Bible Study groups
- the Centre is used quite regularly in the evening, outside of ordinary hours e.g. various groups who ask for food to be served, training and professional development events, cookery demonstrations etc.; Christian Union students from the University of Wales Trinity Saint David at Lampeter are continuing to use *Yr Hedyn Mwstard* for some of their activities too, though this has continued to be measurably declined compared with several years ago
- staffing: there are still a good number of volunteers, including those with special needs, who contribute substantially to the workforce, but there are also a number of individuals who are paid for their services: we now employ a number of nearly full-time employees as well as other part-time individuals; five of the staff are currently on the payroll (for a time this year there were six)
- procedures for the safekeeping of foodstuff etc. are carefully adhered to, and the Centre has already received many different awards for its standards of food and hygiene; we are currently awarded a grade 4
- the Centre is closed for an extended period of time only between Christmas and the New Year, usually for approximately ten days; a general cleaning and maintenance programme is undertaken at this time; this is apart from the ongoing maintenance that arises as necessary from time to time; the general décor is important to maintain and is well respected (all areas over the last few years have been refurbished); this has led to further improvements and the general ambience of the Centre is much appreciated by customers

- we try to maintain the building to the highest standards possible: there have been many improvements to certain aspects of its fabric during the year – this has actually been helped by the building of the church next door - and all the necessary repairs have been carried out promptly
- the Trustees over the years have met for business meetings both formally and informally (these include financial reports) and once a year hold an A.G.M. (the last one held in the early Summer of 2024 and we envisage holding our next one early in the New Year); minutes of these meetings are kept; the meetings keep eyes focussed on strategy (in line with the objectives) as well as giving attention to the operational everyday matters; the Trustees also over many years met monthly for Prayer Meetings before Covid - the disruption caused by Covid however means that these have not yet managed to be reconvened
- from time to time consideration is focussed on giving to charities, whether they be local good causes or known international Christian organisations , or even individual Christians or people in need (e.g. we provide support for one child's educational needs in a third world country through a Christian Charity, Compassion); our financial position continues to be generally sound and indeed has continued to be more encouraging since we fully opened following Covid; though meeting the increases in the Basic Wage and National Insurance have brought some challenges, we seem to be coping well
- in January 2017 we came on-stream with regard to workplace pensions enrolment; four members of staff continue to be on this scheme
- we are members of the Lampeter Chamber of Trade and get involved in all the various community events that they arrange throughout the year; this has allowed us to contribute and play our part fully this year again in the local community; meetings are held on a monthly basis
- the Centre works entirely bilingually, through the use of both Welsh and English languages.

### **3. Future Plans**

Several issues have been discussed and will continue to need further attention again this year:

- we still continue to ponder whether we should appoint a manager (from amongst our full-time/nearly full-time employees) who would further our attempts to meet the objectives delineated in our Charity Deed document; we have already given further responsibilities to some of those individuals in order to relieve Trustees and to make fuller use of employees' varied skills; we continue to need a succession plan however
- there would be an advantage in increasing again the number of Trustees, although there are six Trustees at present – such an increase

would further complement the skills and experience of the existing Board of Trustees

- the enhancement of Christian counselling and support
- continually improving the premises by means of further developments and possible light refurbishments, renewal of equipment and the use of further strategies to reach out to people in the community; the standing of The Mustard Seed we feel has been enhanced by the building of the church next door and we are often visited by groups who want special teas provided **along with a guided tour of the church**; we are confident that this will be a continuing element into the future.

#### **4. Finances**

Great care is taken with accounts, but naturally finances – as suggested from the above arrangements and activities – are used to further the Centre's objectives.

The following comments need to be noted:

- regular use is made of a professional accountant to help with the Centre's financial obligations
- payment is made each year for the Centre accounts to be audited
- the Treasurer presents accounts regularly to members during the any Business Meetings and they are discussed openly and thoroughly
- we have a well-established website
- our card facility (debit and credit cards) introduced some years ago has undoubtedly enhanced the service provided by the Centre
- sums of money are sent to Christian charities and individuals every year, at local, national and international levels, including missionary work, as noted above.

#### **5. Conclusion**

**In view of the above, the Trustees would like to express their gratitude to the Officers of Lampeter Christian Centre for their faithful adherence to the terms of the Trust.**

**We are encouraged that the Centre continues to flourish and meets its responsibilities to bring the Gospel of Jesus Christ to the local community whilst also facilitating local and world-wide missionary movements and associations, charity groups and support for individuals. We are satisfied that the accounts have been kept to the highest standard and that all transactions have been carried out with the utmost integrity. Money has been prudently used to pursue effectively, efficiently and successfully the Centre's stated objectives.**

**We trust that the Centre will continue to know much blessing in the future and are very happy to endorse the vision that we as Trustees have to continue the strengthening of the cause of Jesus Christ.**

**Signed on behalf of the Trustees:**

**Mr. T. Gareth Jones  
(Chair of Trustees)**

# Independent examiner's report on the accounts

## Section A Independent Examiner's Report

Report to the trustees/  
members of

Charity Name  
LAMPETER CHRISTIAN CENTRE

On accounts for the year  
ended

31/03/2024

Charity no  
(if any)

1093291

Set out on pages

(remember to include the page numbers of additional sheets)

Respective  
responsibilities of  
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent  
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent  
examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

1. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
