Objectives and activities

The Charity's object and its principal activity continues to be that of maintaining the mosque premises for prayers and worship, providing Islamic education, and promoting the Islamic faith. The Charity is organised so that the board of directors, who are the Trustees of the Company, meet regularly in order to manage its affairs as there is no full-time administrator.

Achievements and performance

There has been a steady increase in worshipers attending the mosque. Facilities for bathing and shrouding of dead in line with Islamic teachings are available in the mosque.

Necessary repairs were carried out to the mosque and investment properties in order to maintain these in good condition.

Being the mosque was closed for refurbishment and improvement the donation received during the year were significantly lower than the last year. The trustees consider that after the improvement the mosque started to run in full fledge and the performance is very satisfactory. The educational activity of the Trust has been actively engaged in coping with the increase in students attending by recruiting part time teachers. The volunteers involved in this activity are an important resource in improving learning environment keeping in view the core Islamic values. The trustees consider the performance of the Charity this year has been satisfactory.

Financial review

The net income during the year amounted to £188,558 following appeals to raise funds for improvement and refurbishment of the mosque. Costs were contained within budget. The directors consider the financial position of the Charity, as shown in the Financial Statements, to be satisfactory.

Plans for future periods

The aims of Baitul Aman Mosque include: To connect students to authentic Islamic teachings. To build and augment Islamic knowledge so as to understand how to live Islam practically. To enable a positive atmosphere conducive to productive learning and development. To increase student's love of Allah and His Messenger. To inspire students to embody the teachings of Islam and to be productive community role models. To instill confidence to respect others and their environments.

There are also plans to develop community programmes with wider community and other organisations as the trustees place great importance on sharing a good understanding of Islam with others whilst gaining an understanding of other cultures and traditions. Consideration is being given to build another floor above the secondary hall in order to accommodate increasing number of Madrasa attendees.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption. The trustees' annual report was approved on 12 August 2024 and signed on behalf of the board of trustees by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

The charity's Trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act), and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145(1) of the Charities Act 2011,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view, and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

3. ACCOUNTING POLICIES

3.1 Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

3.2 Going concern.

There are no material uncertainties about the charity's ability to continue.

3.3 Disclosure exemptions

No cash flow statement has been presented for the company.

3.4 Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3.5 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes. Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment. Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

3.6 Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income: - income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably. - legacy income is recognised when receipt is probable, and entitlement is established. - income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers, - income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

3.7 Resources expended.

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is classified under headings of the statement of financial activities to which it relates: - expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods. - expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities. - other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

3.8 Tangible assets

Freehold Property is not depreciated as it is maintained to such a standard that the estimated residual value is not likely to be less than the cost.

3.9 Depreciation

11.1 Qard Hasanah- Private Loans

“Qard Hasanah” are loans from charity’s beneficiaries, which are repayable on request. There is no interest due, or security given for these loans. Long-term Qard Hasanah loans have been contractually agreed with private individuals, as not repayable within 12 months. Short-term loans can be repayable at any time.

11.2 FRS 102 Departure (Private loans disclosure)

FRS102 requires long-term interest free loans to be stated at their present value. Effectively this would mean loan amounts states in the account are lower than the actual amounts payable in future. This has potential to confuse the charity’s stakeholder, as such the trustees have opted not to follow FRS102 treatment for these loans.
