Jubilee Harvest Church

Trustees' Report

For the Year Ended 29 February 2024

Aims and objectives

The principal objects of the charity are to advance Christianity enabling as many people as possible to worship at our church and to become part of our Christian community in South London."When planning our activities for the year, we have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. We encourage ordinary people to live out their faith as part of our Christian community through:

- Worship and prayer; learning about the Gospel and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the community
- Missionary and outreach work

Summary of the main achievements during the period

Worship & Prayer:

Jubilee Harvest as a ministry has continued to give worship and prayer to members. We have programmes during weekdays and weekends. Prayers are also offered through home cell or house groups where the focus is on individual needs. This system of approach has in our opinion brought a lot of spiritual and social benefit to the community. The Worship Ministry of the church has the vision of focusing first on God and secondly on serving the needs of the local congregation. We seek to combine different talents in the church in vibrant worship services, concerts and special events. Our mission is to reach the unreached, the youth, the locals and the entire community.

Pastoral Care:

The trustees have ensured that every member of Jubilee Harvest has been attended to throughout the year. Jubilee Harvest has a six-member strong pastoral team that ensures that counselling and moral guidance is rolled out effectively. Pastoral care is given under the strums of counselling career and education. Teaching programmes are scheduled throughout the year in partnership with other ministries in the community. Members of Jubilee Harvest are encouraged to contact the pastoral teams should they need any help.

Mission & Evangelism:

We continue to cultivate as part of our ministry, a mission of helping the needy. This we term "Jubilee Mission" we endeavour to help locally and internationally. We have continued to help people in UK with their different needs e.g. food and gas in the house as well as transport costs in looking for employment.

The charity's policy on reserves

We aim to build up reserves in order to be prepared for unforeseen expenses. We would like to hold 3 months running expenses in reserves.

Exemptions

The trustees have taken advantage of the exemptions available to small companies, including the audit exemption (see statement on balance sheet)

Financial review during the year

The total incoming resources of the church during the year amounted to £75,555 (2023 £69,612). Of this total £63,109 (2023 £56,843) was derived from general tithes and offering from members and £12,156 (2023 £12,721) from gift aided tax refunds. Bank interest received amounted to £290, (2023 £48)

Total resources expended in the year amounted to £80,042 (2023 £83,900) leaving a net deficit of £4,487 (2023 deficit £14,288). The accumulated fund shows a reserve of £35,056.

Statement of financial responsibilities of the trustees

Law applicable to charities in England and Wales requires the trustees as managing trustees to prepare financial statements for each financial year. In preparing those financial statements, the trustees should follow best practices and;

- select suitable accounting policies and then apply them consistently
- make judgement and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed subject to any materials departures disclosed and explained in the financial statements
- preparing the financial statements on the going concern basis unless it is inappropriate to presume that the church will continue in business

The Board of Trustees is responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the church and to enable them to ensure that the financial statements comply with the Charities Act 1993 and the Charities (Accounts and Reports) Regulation 1995. They are also responsible for safeguarding the assets of the church.

Signed on behalf of the charity's trustees:

Mr Frederick Okine Danso

Independent Examiner's Report For the Year Ended 29 February 2024

I report on the accounts for the year ended 28 February 2023 which are set out on pages 7 to 11

Respective responsibilities of trustees and examiner

The charity's trustees consider that an audit is not required for this year (under section 43(2) to the Charities Act 1993 (the Act) and that an independent examination is needed.

- examine the accounts (under section 43 of the Act)
- follow the procedures laid down in the General Directions given by the Charity Commission (under section 43(7)(b) of the Act), and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The Procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 41 of the Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act; has not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with the latest Statement of Recommended Practice (SORP) for charities and the Financial Reporting Standard for Smaller Entities (effective Jan 2008) and include the results of the church's operations as indicated in the trustees' report, all of which are continuing.

1.1 Incoming Resources:

Building Fund

Incomes from donations for building are included in incoming resources of restricted funds on receipts

Tithes and offerings

Income from tithes and offering is included in incoming resources when these are receivable

Investment income

Investment incomes consist of net interest received during the year and accounted for as unrestricted fund.

The charity has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirements to produce cash flow statements on the grounds that it qualifies as a small charity

1.2 Resources expended

All expenditure is accounted for on and accruals basis and is inclusive of VAT.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and includes accountancy fees and costs linked to the strategic management of the charity. Governance costs which cannot be allocated directly are apportioned on an appropriate basis.

1.3 Fixed assets

Fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided at the rates calculated to write off the cost of each asset less its estimated useful life as follows:
