INTRODUCTION

The Trustees of the Charity are the Trust Board of Nottinghamshire Healthcare NHS Foundation Trust.

Charity Registration and Organisation

The Charity is registered under one umbrella Nottinghamshire Healthcare NHS Foundation Trust Charitable Trust Funds (1111895), there are also various special purpose charities, which reflect a particular hospital or bequest.

- Nottinghamshire Healthcare NHS Trust Minibus;
- Nottinghamshire Healthcare NHS Trust Training;
- Nottinghamshire Healthcare NHS Trust Staff Welfare;
- Nottinghamshire Healthcare NHS Trust General Purpose;
- Nottinghamshire Healthcare NHS Trust Patients Welfare;
- Nurses & Midwives – Annesley Woodhouse;
- Nottinghamshire Healthcare NHS Trust (expendable funds) Common Investment;
- Nottinghamshire Healthcare NHS Trust – Lady Middleton; and
- Nottinghamshire Healthcare NHS Trust Patient Amenities.

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified in the accounts as a restricted fund, similarly, where funds are donated for a specific purpose. Funds where the capital is held to generate income for charitable purposes, and the capital cannot be spent, are accounted for as endowment funds. Other funds are classified as unrestricted.

Objectives and Activities for the Public Benefit

The objective of the Charitable Funds is to use both the income and capital of the fund for enhancing staff and public wellbeing by utilising the funds to provide equipment and services relating to the National Health Service wholly or mainly for Nottinghamshire Healthcare NHS Foundation Trust. The trustees confirm that it has referred to the guidance contained in the Charity Commission's general guidance on public benefit in section 17 of the Charities Act 2011 when reviewing the aims and objectives of the Charity and in planning future activities.

Organisational Structure

Members of the Trust Board and Charitable Funds Committee are not individual trustees under Charity Law but act as agents on behalf of the Corporate Trustee.

The Trustees of the Charity are the Directors and Non-Executive Directors of the Nottinghamshire Healthcare NHS Foundation Trust. The Charitable Funds Committee is a constituted sub-committee of the Nottinghamshire Healthcare NHS Foundation Trust Board, with the Terms of Reference included in the Trust's Standing Orders. The Trustees meet

every six months to conduct the business of the Charity. Funds continue to be used for charitable purposes relating to Nottinghamshire Healthcare NHS Trust.

Purpose of the Annual Report and Accounts

The report provides information on the work of the Charity and the accounts for the year ended the 31st March 2024. The report and the accounts comply with the financial statements which have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (known as FRS102).

Objects and Powers

The Charitable Fund is constituted by Deed of Trust and is registered with the Charity Commission. Under the terms of the Trust Deeds the Trustees can use the unrestricted funds and apply income at their discretion for any charitable purpose or purposes relating to the National Health Service wholly or mainly for the services provided within Nottingham and Nottinghamshire.

Election of Trustees

The members of the Board of Nottinghamshire Healthcare NHS Foundation Trust automatically form the Trustees of Charitable Funds. The Chairman and Non-Executive Directors are appointed by the Council of Governors.

Investment & Reserves Policy

The funds within the Charity are treated collectively rather than individually for investment purposes (with the exception of Forest Road and Lady Middleton). To maximise income potential, the Charity invests these monies to generate interest and where appropriate dividends. To achieve this, an official pooling scheme is operated in accordance with the Charity Commission's guidelines.

The Trustees employ the expert services of independent advisors to invest their funds for growth and income.

The General Purpose reserves consist of donations made by the general public for the benefit of patients and staff of Nottinghamshire Healthcare NHS Foundation Trust. These funds are reviewed by the Trustees. When it is appropriate funds are earmarked for future projects.

Due to the unpredictability of income receipts and the ad-hoc nature of expenditure upon Charitable Funds, it is prudent to maintain relatively high cash balances by comparison with the overall level of funds held. This is to be determined in the range of £45,000 to £65,000. This is reviewed on an ongoing basis as part of the general management arrangements. The sale or purchase of investments is undertaken as necessary.

Achievements and Performance

Throughout the year all funds have continued to support a variety of activities for the benefit of staff, patients, service users and volunteers, reflecting on the wide range of individual funds which are earmarked in line with the Charity's objectives.

Total Fund Balances

During the year total fund balances have decreased from £1,286,971 to £1,272,060. The funds made an unrealised gain of £28,642. Compared to the loss last year 22/23 of £31,785. This has been another challenging year for the financial markets globally with higher inflation geographically instability and market volatility. Going into 2024 inflation across developed market economies has been falling this has helped stock markets to remain buoyant in the later period of 2023.

Expenditure is approved by Fund Managers and movement in funds reported to and reviewed by the Trustees on a six-monthly basis.

Incoming Resources

Charitable Trust income of £69,757 derives from investment income from dividends which is the largest source of income and voluntary contributions being the second largest form of income.

The Trustees would like to thank all those people and organisations who made a contribution to the Trust over the past year. The benefits to the patients' comfort and treatment within the Nottinghamshire Healthcare NHS Foundation Trust are incalculable and all contributions whether small or large are received with much appreciation.

145 Thorneywood Mount received donation of £3,500 from the family of the late **Jas** and the donation to be used for patients benefit such as board games, trips for all at the unit, music items and a bench in memory and also some artwork.

CAMHS Eating Disorders Team received £3495 in the form of a grant for Parent Carer Peer Support Training from Charlie Waller Trust to enable 2 trainees to undertake Professional Supervisor Training for Children & Youngs People's Mental health service for them to be able to provide a range of support to parents and carers which the service applied for.

Margaret Oates Mother & Baby Unit received a donation from a service user and their friends and family as the family requested instead of giving presents for their daughters 1st birthday to donate instead total of £3,000 raised for the unit.

Outgoing Resources

The Charitable Trust released £113,311 during 2023/24 in support of patients' welfare, staff welfare and training as stated within the objectives of the fund.

Staff Welfare & Amenities

This enables funding of staff training and training courses to further educate and equip staff with relevant skills. Staff amenities enables the purchase of staff equipment, books and also staff wellbeing.

Patients Welfare & Amenities

Improvements to patients' comfort, grants for Christmas festivities/outings, arts & activity sessions along with gardening improvements which enable patients to participate in gardening activities and help with the wellbeing of the patient.

Patients Welfare Medical Equipment

Purchase of medical equipment such as bladder scanners and other mobile medical equipment benefiting community, patients and staff on a daily basis.

All expenditure incurred was approved in line with the Charities procedure "A Guide to Practitioners".

Governance

The Charitable Trust also released £12,370 for the administration costs of running the Charitable Trust on a day-to-day basis back to Nottinghamshire Healthcare. This is

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to;

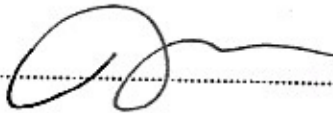

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees confirm that they have met the responsibilities set out above and complied with the requirements for preparing the Accounts. The financial statements set out on pages 3 to 14 attached have been compiled from and are in accordance with the financial records maintained by the Trustees.

Independent Examiners' Report to the Trustees of Nottinghamshire Healthcare NHS Foundation Trust Charitable Trust Funds (Registration 1111895)

I report to the trustees on my examination of the accounts of Nottinghamshire Healthcare NHS Foundation Trust Charitable Trust Funds (the Charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable the trustees to reach their conclusions regarding the accounts to be reached.

Notes to the Accounts

Accounting Policies

- 1
1.1 Accounting Policies

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value. The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (effective 1 January 2015-Charities SORP (FRS102)) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

- 1.2 Basis of Preparation-going concern

The financial statements have been prepared on a going concern basis, which assumes that the Charity will continue in operational existence for the foreseeable future. There are no material uncertainties affecting the current year's accounts.

- 1.3 Incoming Resources

All incoming resources are recognised once the Charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

- a) Legacies

Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is reasonably certain; this will be once confirmation has been received from the representatives of the estate(s) that payment of the legacy will be made or property transferred and once all conditions attached to the legacy have been fulfilled.

Legacies income is only included in incoming resources where the legacy has been received or if, before receipt, there is sufficient evidence to provide the necessary certainty that the legacy will be received and the value of the incoming resources provided by the legacy can be measured with sufficient reliability. Material legacies which have been notified but not recognised as incoming resources in the Statement of Financial Activities are disclosed in a separate note to the accounts with an estimate of the amount receivable.

- b) Gifts in kind

- i) Assets given for distribution by the funds are included in the Statement of Financial Activities only when distributed;
- ii) Assets given for use by the funds (e.g. property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable; and
- iii) Gifts made in kind but on trust for conversion into cash and subsequent application by the funds are included in the accounting period in which the gift is sold.

- c) Intangible income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1.4 Resources expended

The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party.

a) Grants payable

Grants payable are payments, made to third parties (including NHS bodies) in the furtherance of the funds held on trust's charitable objectives to enhance staff and public well being to provide equipment and services relating to the National Health Service. They are accounted for on an accruals basis where the conditions for their payment have been met or where a third party has a reasonable expectation that they will receive the grant. This includes grants paid to NHS bodies.

b) Support Costs

These are accounted for on an accruals basis and are recharges of appropriate proportions of costs from Nottinghamshire Healthcare NHS Foundation Trust.

c) Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was occurred.

1.5 Structure of funds

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment funds. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified funds. The major funds held within these categories are disclosed on note 7.4.

1.6 Investment Fixed Assets

Investment fixed assets are shown at market value.

- i Quoted stocks and shares are included in the balance sheet at mid-market price, ex-div.
- ii Other investment fixed assets are included at trustees' best estimate of market value.

1.7 Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (or date of purchase if later). Unrealised gains and losses are calculated as the difference between market value at the year end and opening market value (or date of purchase if later).

NOTTINGHAMSHIRE HEALTHCARE NHS FOUNDATION TRUST CHARITABLE TRUST FUNDS

1.8 Pooling Scheme

An official pooling scheme is operated for investments relating to the following funds:

Nottinghamshire Healthcare NHS Trust Charitable Fund Umbrella Charity -
Charity Number 1111895

The Scheme was registered with the Charity Commission on 22/02/2007.

1.9 Related Party Transactions

During the year none of the trustees or members of the key management staff or parties related to them has undertaken any material transactions with the Nottinghamshire Healthcare NHS Foundation Charitable Trust.

The Charitable Trust has made revenue and capital payments to the Nottinghamshire Healthcare NHS Foundation Trust where the trustees are also members of the Trust.

1.10 Staff Costs and Emoluments

Nottinghamshire Healthcare NHS Foundation Trust Charitable Fund employs no staff and therefore there are no emoluments above £60,000.

The Charity also made revenue and capital payments to Nottinghamshire Healthcare NHS Foundation Trust, the Board Members of which are the Trustees, this amounted to £99,922 towards staff and patient welfare and amenities compared to £100,752 for the financial year 22/23. An administration charge of £12,370 was paid by the charity to Nottinghamshire Healthcare NHS Foundation Trust as in the previous year.

Independent Examiners' Report to the Trustees of Nottinghamshire Healthcare NHS Foundation Trust Charitable Trust Funds (Registration 1111895)

I report to the trustees on my examination of the accounts of Nottinghamshire Healthcare NHS Foundation Trust Charitable Trust Funds (the Charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable the trustees to reach a balanced and fair view of the accounts to be reached.
