**CONNECTIONS TRUST
REPORT OF THE TRUSTEES
YEAR ENDED 31ST MARCH 2024**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31st March 2024.

Objectives and Activities ,Objects & Aims

The objects of the trust are to advance Christian religion,missions, projects in the UK and supporting workers overseas. We also provide educational programs, along with assisting the poor and needy.

Review of Activites

The work of Connections continues in the UK and overseas. We are delighted to say that despite the economic difficulties our income for overseas missions did not decrease.

Guyana

For many years Guyana was a very poor country but praise God it is now developing with the discovery of oil and gas. Some churches are now able to support inland churches and new workers, however there are still needs to support pastors and workers. In areas such as way up the Essequibo river new churches are being developed as the gospel is preached in these outlying regions.

The children's home in Hauraruni is supported, as is the bible school which now mainly works with Amer-Indians who go back to their villages to spread the gospel. We are able to support the work in Guyana on a monthly basis. There are over 150 churches and the work is thriving. A visit to Guyana gave us an updated picture and helped us to make sure the money was used correctly.

Philippines

We give monthly support to the Philippines and we see the works there evangelise with great zeal. Virtually every month a new church is being built following a crusade in a village. There are around 180 churches now. In some new places they have gone to a new village without a Christian Community, put up a large tent then provided food for all the people then held a service. This method has seen many make decisions and new churches have been built. The workers are also trained to help in a crisis such as a major storm which they carry out very successfully. This work is in the Island of Mindanao one of the poorest islands in the Philippines. There is also a children's home and a bible school. A visit will take place in 2024.

Uganda

We also give to Uganda on a quarterly basis. One church in the Isle of Sheppey not only gives financial support, but members often visit. Three schools have been built and supported as are the teachers, there is a children's home which receives donations and a number of churches

Thailand

We support a missionary in Thailand on a monthly basis. We have to keep details confidential but it is a good work is going on there in difficult circumstances.

Heart of Prayer, held full day prayer meetings in the UK, Poland and India. There is much blessing and power in these meetings.

Worship Life Style headed by Jennifer Shields held a number of seminars and meeting to help individuals and churches to grow into deeper worship, moving in the power of the Holy Spirit.

Heart of Prayer, held full day prayer meetings in the UK and India. There is much blessing and power in these meetings .

We now have Grace City Bible School as part of the things that Connections can offer. Run by Susie and Ray Djan with Freddie Roberson who was also a founder of the bible school. It meets many needs in a particular for those who want to learn more. All the directors of Connections are on the board of the bible school and they are also lecturers.

**CONNECTIONS TRUST
REPORT OF THE TRUSTEES
YEAR ENDED 31T MARCH 2024**

We have found that during the year we have leaders who have been able to speak to the government and senior authorities in the UK.

We have a building in Brixton which is our base and registered and we are also office. It has a flat which is rented out. We also have rooms that are rented to some ministries and together they help our administration and staff costs.

We receive a lot of thanks and we also receive requests for help. There is no doubt concerning the needs and we do our best to meet as many as we can. It is such a blessing to see the progress in the works we support and also to see some in poverty who are helped.

Connections could not exist without our wonderful donors and our thanks go to each one of them.

Public Benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Connections Trust works in the UK with churches and leaders plus feeding the hungry and homeless. We support children's homes in Uganda, Philippines and Guyana. We also support schools and bible schools.

We help to advance the gospel through supporting workers in Guyana, Philippines, Thailand, Uganda, France, Denmark and Germany. We believe in helping local people to achieve education and we help in Guyana, Philippines, Uganda and Malawi. In many of these countries, we also help relieve poverty.

In the statements under Public Benefit we set points that clearly show that we are meeting our charitable objectives.

Financial Review

Income for the year amounted to £106,049 (2023: £89,688) and expenditure £105,132 (2023: 97,084). The surplus was £917 for (2023: (£7,416), and added to the fund(s) brought forward giving general funds of £343,755 (2023: £348,135) and restricted funds of £69,657 (2023: 64,360) at the year end.

Reserves Policy

The trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The trustees will endeavour not to set aside funds unnecessarily costs anyone if it was not for the wonderful donors and our thanks go to them. We have received a lot of thanks and a number of requests for help. There is no doubt as to the needs and we shall endeavour to meet as many as we can.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Structure, Governance and Management

The company is constituted under a Memorandum of Association dated 6 February 2006 and is a registered charity number 1113099.

Recruitment and Appointment of Trustees

The management of the company is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association.

**CONNECTIONS TRUST
REPORT OF THE TRUSTEES
YEAR ENDED 31ST MARCH 2024**

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Statement of Trustee Responsibilities

The trustees (who are also the directors of Connections Trust for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

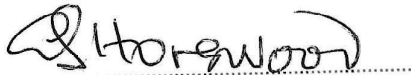

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the of trustees of the charity on and signed on its behalf by:

ON BEHALF OF THE TRUSTEES:

Mr A Horswood
Company secretary and trustee

**REPORT OF THE INDEPENDENT EXAMINER
CONNECTIONS TRUST
YEAR ENDED 31ST MARCH 2024**

I report to the charity trustees on the accounts for the year ended 31st March 2024 set out on pages six to twelve.

Responsibility and basis of the report

As the charity's trustees of the company (who are also the directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Connections Trust are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Connections Trust as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under section 477 of the Companies Act 2006 for the year ended 31st March 2024.

The Directors acknowledge their responsibilities for:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

The financial statements on pages 8 to 12 were approved by the trustees, and authorised for issue on and signed on their behalf by:

Mr A Horswood
 Company secretary and trustee

The notes on pages 9 to 13 form part of these accounts.

**CONNECTIONS TRUST
NOTES TO THE ACCOUNTS
YEAR ENDED 31ST MARCH 2024**

Charity Status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

Accounting policies**Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparing the financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)).The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 and Charities Act 2011.

Accounting convention

Connections Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Those for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Gifts aid

Incoming resources from tax reclaims are included in the SOFA in the same financial period as the gift to which they relate.

**CONNECTIONS TRUST
NOTES TO THE ACCOUNTS
YEAR ENDED 31ST MARCH 2024**

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant expenditure

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £1,000 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Asset class	Depreciation method and rates
Land and buildings	0% straight line basis
Furniture and equipment	25% straight line basis

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
