Objectives and Activities

Summary of Objectives:

To advance the spiritual, personal welfare of young adults and young families through various programs and activities and lead them to a life which would enhance the harmony of communities.

Summary of the main activities

Each year our trustees review our objectives and activities to ensure that they continue to reflect our aims. In carrying out this review the trustees have considered the charity commissions' general guidance on public benefit. So all the current year initiatives involved some forms of prayers and talks to build the faith and encourage the education of young adults and supported the young couples in leading good family life. For this the charity used workshops, small talks, training programs, newsletters, formation programmes and the national conference. The charity welcomed all young people regardless of any race, religion and cultural backgrounds.

Additional details of objectives and activities

The success of the trust is the contribution given by its members - their skills, expertise, time and money.

1. Governance, Management & Operations
