Summary of Activities during the Year

In accordance with the doctrines set out in the statement of faith as contained in our Trust Deed, we have had a tremendous growth in the physical and spiritual life of the church during the year and in the advancement of the Christian faith.

Four major conferences were held during the year. This include; The Kingdom Advancers Men's Ministries Conference, Virtuous Women Conference, The Children's Conference (Youth Ministry) and the Annual Freedom Centre Conference. Through these programmes, the church was able to bring our faith into the community contributingto the advancement of Christian faith, unity among churches and peace in our town.

We give glory to God as we see continued spiritual and physical growth in the Church. We see Increasingly love and stability within the families and children growing into young adults in the love and fear of the Lord.

The Church also organised its annual community barbeque and family play day; the project in addition to the conferences helped in a great way to evangelise as well as foster unity, understanding and family cohesion in our community.

In addition, we had our yearly Carol night and Christmas party, this helped bring people together to spend time with those experiencing loneliness within the church and to share gifts with the entire community.

The Church was also able to assist other charity organisations as well as helped in disaster areas around the world through its contributions made to the Redeemed Christian Church of God Central Office and other local Charities. Through the Church welfare department, we have been supporting the poor, the needy and the less privileged within the church.

Seeing the great success achieved and the positive impact the programmes for this year is having in the church as well as our community, it is our desire in the coming year to organise more programmes to further affect and improve cohesion within our Community.
