Hannah's Holiday Home Appeal

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 October 2023.

Objectives and activities

Objects and aims

Hannah's Holiday Home Appeal's Objects and aims are to assist in the recovery/relief of children with cancer, life threatening, life-limiting, or terminal illness, and their families or carers, in particular by the provision of family holiday breaks.

Public benefit

For the public benefit, to assist in the recovery/relief of children with cancer, life threatening, life-limiting, or terminal illness, and their families or carers, in particular by the provision of family holiday breaks.

During the planning of our activities, we have kept in mind the Charity Commissions guidance on public benefit at our quarterly Trustee meetings.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

With Hannah's Holiday Home Appeal finally returned to some sort of normality, 2023 has proven to be yet again another very busy year for bookings with over 120 families back-to-back, benefiting from a well-earned family break.

We have received so many positive comments and pictures from the families who were able to enjoy wonderful memory making breaks in-between lockdowns. These can be viewed on our social media pages and website and are a huge testament to both the amazing support provided by Hannah's Appeal Team, and fabulous supporters, this also reflects the invaluable need for quality respite breaks for sick children and their families.

The majority of events are still being organised and run by committee members and volunteers. Their experience continues to expand and the team work extremely well together and cover a variety of skills and experiences.

The team has been resourceful again this year, which has allowed our income to still sustain a very high standard of support. The continued support from dedicated volunteers, supporters, donators, and Hannah's core team permits the high quality and standard of support to continue and be always offered.

Hannah's Holiday Home Appeal

Trustees' Report (continued)

Financial review

Hannah's Holiday Home Appeal own outright three properties. A static caravan at Hoburne, Bashley, a lodge at Shorefield Milford on Sea and a lodge at Oakdene Forest Park. All properties are of an extremely high standard and fully equipped to ensure comfort and high quality to all our special guests.

There are no finance agreements, and all buildings and contents are owned outright by Hannah's Appeal.

Accounts for 2022-2023 opened on 01/11/22 with a bank balance of £158,863 & closed on 31/10/23 with a bank balance of £167,003. An increase of £8140 to our accounts.

The Trustees felt that this was an amazing achievement by all concerned, considering the extreme rise in cost of living and tighter budgets

Policy on reserves

The Trustees have reviewed The Reserves Policy and have agreed that the minimum reserve will continue to be retained, where possible, to cover the cost of our aims.

Despite the three homes being owned outright the importance to support families over the course of many years to come, is paramount.

All the homes are of a very high standard and internal items replaced when required.

The replacement of the units themselves is not required for many years.

Grace's Grotto - Danepark 29 at Shorefield Milford on Sea does not require replacement until 2044.

Lucy's Lodge – Jasmine 9 at Oakdene in Ringwood does not require replacement until 2046.

Reece's Retreat - ST173 at Hoburne Bashley does not require replacement until 2034.

Trustees' Report (continued)

Principal funding sources

The main annual fundraising events undertaken by Hannah's Appeal team are charity celebration ball, golf days, quiz nights, collection and awareness days.

Hannah's Holiday Home Appeal are incredibly grateful for the support we received from our local community and those taking on personal challenges and obtaining sponsorship from events such as Cycle rides, Marathons and various virtual events.

Kind supporters continue to go out of their way and their comfort zones, to organise events.

Various local schools and technologies have adopted Hannah's Appeal as their chosen charity as have many churches, clubs, masonic chapters, rotary clubs etc.

Many successful grants have been received and applications will continue regularly throughout the year.

Plans for future periods

Aims and key objectives for future periods

The Trustees believe that Hannah's Holiday Home Appeal still remains in a strong stable position to continue supporting, hospitals, care agencies and incredibly special children and their families.

Now that all fundraising events are able to continue, the building of reserves will continue alongside raising of running costs for all three homes.

The Trustees would like to congratulate the whole team including each other on their continued hard work, dedication, and determination to continue supporting so many special families.

Huge thanks also go to all Hannah's Holiday Home Appeal's many supporters, whom make Hannah's legacy what it is today.

Structure, governance and management

Nature of governing document

Hannah's Holiday Home Appeal is constituted by its governing document made 18th June 2008 as amended by a supplemental deed dated 19th January 2011.

Recruitment and appointment of trustees

Positions of Trustees are (when required) appointed throughout the year at a trustee quarterly or extraordinary meeting.

Hannah's Holiday Home Appeal

Trustees' Report (continued)

Arrangements for setting key management personnel remuneration

The trustees are responsible for setting the remuneration for Pam Marshall (Secretary, Fundraiser, named delegate registered with the Charity Commission) and Colin Marshall (Maintenance Manager).

Major risks and management of those risks

The Trustees considered all policies and procedures for any risks to which the charity is exposed to and have reviewed those risks and amended policies and procedures when deemed necessary.

Procedures and policies are reviewed and amended when deemed necessary, and systems highlighted to ensure any risk to families.

Both Hannah's Appeal Team and the homes are still managed very satisfactorily.

All three homes have adequate hand-wash, hand gel, cleaning equipment, antibacterial spray etc which is provided and topped up regularly.

Insurance policies are in place to cover all three homes and Public Liability have been checked for validity during such challenging times and should any more arise.

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Credit risk

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments.

The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

Hannah's Holiday Home Appeal

Trustees' Report (continued)

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

I report in respect of my examination of the Hannah's Holiday Home Appeal's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Hannah's Holiday Home Appeal as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Hannah's Holiday Home Appeal

Notes to the Financial Statements for the Year Ended 31 October 2023

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Hannah's Holiday Home Appeal meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Hannah's Holiday Home Appeal

Notes to the Financial Statements for the Year Ended 31 October 2023 (continued)

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £0.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Holiday home lodges	30 years straight line
Holiday home caravans	16 years straight line

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.
