The International Deliverance Sanctuary
Registered charity number: 1127157
Trustees' Report
for the year ended 31 March 2026

The trustees present their report and financial statements for The International Deliverance Sanctuary for the year ended 31 March 2026.

The financial statements have been prepared under the historical cost convention and in accordance with:
• the Statement of Recommended Practice: 'Accounting and reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)' – the Charities SORP (FRS 102) second edition, effective 1 January 2019;
• the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), as amended; and
• the Charities Act 2011.

Principal activities

The Charity's principal activity during the year continued to be a Christian church that provides regular worship services, open to all.

Objectives and activities

The principal objectives and activities of the Charity are:
- to advance the Christian faith in accordance with our Statement of Beliefs;
- to provide a place of worship;
- to relieve sickness and financial hardship through the provision of funds, goods, or services of any kind, including counselling;
- to promote and preserve good health; and
- to advance education.

Public benefit
We have referred to the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives we have set.

We exist to serve all people in our community without discrimination. We strive to promote social welfare through the provision of facilities aimed at improving the social, physical and spiritual wellbeing of those in our local community.

The Charity provides a safe working environment for visitors, members, workers and volunteers and any serious incidences are reported in accordance with our safeguarding policy. There were no serious incidents during the year ended 31 March 2026.

Fundraising
The Charity raises funds from the public in the form of voluntary donations ('tithes' and 'offerings') from attendees of its Christian church services.

The Charity does not use the services of a professional fundraiser or commercial participator in the process of raising funds. Also, the Charity (or any person acting on its behalf) is not subject to any voluntary scheme for regulating fundraising, or voluntary standard for fundraising in respect of activities on behalf of the Charity.

In the course of its fundraising activities, the Charity has taken care to not:

(1) unreasonably intrude on anyone's privacy;
(2) unreasonably and persistently approach anyone [for the purpose of soliciting, or procuring money or other property]; and/or
(3) place undue pressure on anyone to give money [or other property].

The Charity (or any person acting on its behalf) has not received any complaints in regard to its fundraising activities.

Activities during the year

During the year, the Charity continued to provide support to its local community as well as carrying it out the following activities:

- evangelism (i.e. spreading The Gospel) to non-Christians in the form of missions, projects etc.;
- working with other institutions to provide counselling services for young offenders at various penal institutions;
- providing care for the elderly;
- providing social care and Christian education for children and young people; and
- providing other vital community services such a marriage counselling, bereavement counselling, marriage blessings, funeral services and dedications of babies and young children.

Financial review

Principal sources of funding

The largest contribution to the Charity is donations in the form of tithes and offerings given by the [church] congregation, as well as gift donations and the associated tax claims.

Financial review

The Charity incurred a deficit of £6,489 for the financial year.

At 31 March 2026, the Charity held total funds of £127,716 – that is:

- £123,734 cash at the bank and in hand;
- £4,102 in debtors, prepayments and accrued income;
- £1,200 in the value of fixed assets;

less creditors, accruals and deferred income of £1,320.

This, in all, is considered to be an appropriate level of funds to enable the Charity to pursue its objectives – that is, once administrative expenses (£33,624) have been deducted from this year's income from charitable activities (£27,766), there is still enough cash in hand and cash at bank left (£117,876) to cover the Charity's expenditure on charitable activities this year, £631.

Reserves policy

A sufficient cash reserve is held in order to provide the working capital needed to cover seasonal fluctuations in the Charity’s income and expenditure and to fulfil its day-to-day obligations. When deciding on the level of these reserves (that is, those funds not tied up in fixed assets), the Trustees take into consideration the forecasted levels of income and expenditure, the reliability of each source of income, and the prospect of new sources of income.

It is the trustees' view that it is prudent to maintain the forecasted level of reserves to allow for financial flexibility and stability in light of the Charity's dependence on voluntary donations.

At 31 March 2026, the Charity held unrestricted funds of £127,716. The Charity did not have any restricted funds or endowments so £127,716 also represents the total charity funds.

Investment policy
The trustees have adopted a strong, socially responsible investment policy for the reserves of the Charity. This policy, in tandem with the need to fulfil our statutory obligations, has the objective of investing in such a way that the principles of socially responsible investment are promoted. A further factor is the need to have ready access to our reserves (as long-term funding cannot be guaranteed) so, for the current period, we have placed surplus funds in bank current accounts.

Risk management
The trustees actively review, on a regular basis, the major risks that the Charity faces in maintaining reserves at the levels detailed above; in addition to an annual review of the controls over key financial systems carried out through an internal audit process - to ensure appropriate controls are in place as assurance against fraud and error.

Internal control risks are minimised by authorisation procedures for all financial transactions; and policies and procedures are in place to ensure compliance with health and safety regulations by, and for, volunteers and visitors.

Structure, governance and management

Governing document
The International Deliverance Sanctuary is a charitable organisation which was set up under a constitution adopted on 2 December 2007. It became a registered charity on 11 December 2008.

Organisational structure
The Trustees, as Charity Trustees, are responsible for the management and Administration of the Church's property and funds in accordance with the Constitution.

The trustees agree the broad strategy and areas of activity for the Charity, including consideration of the making of gifts and donations, investment, reserves and risk management policies and performance. Trustee meetings must be held at least four times a year.

Volunteers
Volunteers helped maintain the church building as well as helping those in need in the local area - all in all, a significant contribution towards the Charity fulfilling its goals.

There were 12 volunteers throughout the year, excluding trustees, who aided in the running of the Charity.

Recruitment and appointment of trustees
Under the requirements of the Constitution, the members of the Trustee Board are elected by the church members to serve for a period of three years after which they must be re-elected at the next Annual General Meeting.

The Trustee Board seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of Trustees, the Charity has, through selective advertising and networking with voluntary organisations active in the sector, sought to identify those who would be willing to become members of the Charity and use their own experience to assist the Charity.

There were no new or additional trustees recruited in the year to 31 March 2026.

Trustee induction and training

Many trustees are already familiar with the practical work of the Charity as they are active members of the Charity as well as involved in other charities, churches and/or organisations.

New trustees are encouraged to familiarise themselves with charity law, their responsibilities as trustees and with Charity's rules and practices. They are invited and encouraged to attend a series of short training sessions to familiarise themselves with the Charity and the context within which it operates. These cover:

- the obligations of the board of trustees;
- the operational framework for the Charity;
- safeguarding;
- the current financial position and revenue generation; and
- future plans and objectives.

Trustees

The following persons served as trustees during the year:

Jessica Griffith
Grace Fagan
Winsome Campbell
Lurie Dixon

Trustees' responsibilities

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and enable them to ascertain to ensure that the accounts comply with the Charities Act 2011 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the Charity and financial information included on the Charity's website as well as:

a) to prepare financial statements which show a true and fair view;
b) in preparing financial statements:
   (i) to select suitable accounting policies and apply them on a consistent basis; and
   (ii) to make judgements and estimates that are prudent and reasonable; as well as
c) to keep proper accounting records; and
d) to safeguard the assets of the Charity and take reasonable steps for the prevention of fraud and other irregularities.

Trustees' Report
for the year ended 31 March 2026

Disclosure of information to independent examiners

Each person who was a trustee at the time this report was approved confirms that:

- so far as he is aware, there is no relevant audit information of which the Charity's independent examiner is unaware; and
- he has taken all the steps that he ought to have taken as a trustee in order to make himself aware of any relevant audit information and to establish that the Charity's independent examiner is aware of that information.

This report was approved by the board on 3 September 2026 and signed on their behalf.

Jessica Griffith
Trustee

The International Deliverance Sanctuary
Independent Examiner's Report
to the members of The International Deliverance Sanctuary

I report to the trustees on my examination of the accounts of the above charity ('the Charity') for the year ended 31 March 2026 which are set out in pages 8 to 18.

Responsibilities and basis of report

As the Charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

The financial statements have been prepared under the historical cost convention and in accordance with:
• the Statement of Recommended Practice: 'Accounting and reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)' – the Charities SORP (FRS 102) second edition, effective 1 January 2019;
• the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), as amended; and
• the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The International Deliverance Sanctuary
Notes to the Financial Statements
for the year ended 31 March 2026

1 Summary of significant accounting policies

Basis of preparation
The financial statements have been prepared under the historical cost convention and in accordance with:
• the Statement of Recommended Practice: 'Accounting and reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)' – the Charities SORP (FRS 102) second edition, effective 1 January 2019;
• the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), as amended; and
• the Charities Act 2011.

The Charity constitutes a public benefit entity as defined by FRS 102.

Income
All income is recognised in the Statement of Financial Activities once the Charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

Donated goods and services are recorded at their expected cost.

Expenditure
Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

Tangible fixed assets
Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Plant and machinery	at a rate of	10%	per year, over 10 years
Fixtures and fittings	at a rate of	10%	per year, over 10 years

Debtors
Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

Creditors
Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

Taxation
The charity is exempt from taxation under sections 521 to 536 of the Income Tax Act 2007 (ITA 2007).

Fund accounting: restricted and unrestricted funds
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the Charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements below.

Going concern
The accounts have been prepared on the going concern basis, which assumes that the Charity will be in operational existence twelve months from the date of approval of these accounts. The trustees are satisfied that this basis is appropriate.

The facts that support the conclusion of going concern are:-
• on 31 March 2026, the Charity held £123,734 cash at bank.

There are no material uncertainties.

Provisions
Provisions (i.e. liabilities of uncertain timing or amount) are recognised when there is an obligation at the reporting date as a result of a past event, it is probable that economic benefit will be transferred to settle the obligation and the amount of the obligation can be estimated reliably.

Pensions
Contributions to defined contribution plans are expensed in the period to which they relate.

Government grants
The accrual model (FRS 102 24.5C-G) was applied in producing these accounts; therefore grants were recognised as either relating to revenue (over the period in which the Charity recognises the related costs for which the grant was intended to compensate) or relating to assets (over the expected useful life of the asset).
