LEGAL STATUS

The Faith to Share Trust (also known as Faith2Share) is registered under English law as an unincorporated trust governed by a 'Declaration of Trust' dated 1 October 2009. The Trust was registered as a UK Charity on 13 November 2009 with Registration No. 1132707

The Objectives of the Trust are
(a) to advance the Christian faith, in the United Kingdom and elsewhere, for the public good, primarily but not exclusively, by means of the facilitation of collaborative work between existing mission agencies and movements.
(b) to advance the Christian faith, in any country, for the public good, primarily but not exclusively, by means of supporting and resourcing new charitable movements and agencies of Christian mission.

The Faith to Share Trust has been established for the primary purpose of supporting and facilitating the work of the international Faith2Share Network of mission agencies.

The Faith2Share Network traces its origin to a meeting of six mission agencies in London in May 2000. The network was more formally constituted in 2004 when it gained the name Faith2Share and adopted a draft statement of Purpose, Ethos, Principles and Values.

VISION

Our **vision** is to see faith changing lives all over the world.

MISSION

Our **mission** is to enable effective collaborations between mission movements and leaders – working together globally to share faith and change lives.

PRIORITIES

We prioritise working together with *mission movements* from the global north and south who particularly demonstrate an intention of working together.
We focus our support to *mission leaders*, creating new opportunities for them to connect, learn and grow in leadership.
We enable *effective collaborations* between organisations, focusing on key mission issues and opportunities, and demonstrating what working together can achieve.
We impact the lives of people across many different cultures, developing *global Christian discipleship*, leadership and faith for a changing world.

VALUES

Our core values are **relational** and based on **sharing faith together**.

PUBLIC BENEFIT STATEMENT

Faith2Share member agencies, and the network itself, seek to bring benefit to the public in all the regions and countries in which we work by equipping individuals and whole communities to live in a way that reflects the Christian faith and its focus on generous love. We seek to work in a positive way alongside and with communities of different faiths and philosophies whilst sharing openly the faith in God which guides our work. We believe our work transforms communities in ways that enhance human life (through education, medical care, development, etc.), protect the natural environment and build societies of respect, tolerance, peace and spiritual health.

GOVERNANCE

The governance of Faith2Share is provided by the Faith2Share trustees appointed in accordance with the Declaration of Trust. During 2025-26 the following persons served as trustees of Faith2Share.

Trustees met on four occasions during 2025-2026 by Zoom.

Statement of trustees' responsibilities

The trustees are responsible for ensuring the trustees' report and the financial statements are prepared for each financial year, in accordance with English law and regulations, and UK accounting standards. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies, as described in the Statement of Accounts and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity to ensure that the financial statements comply with relevant law and regulations. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. During the year trustees have reviewed all Faith2Share policies including Safeguarding, Risk Management, all Financial Management policies and employment policies.

REPORT ON ACTIVITIES 2025-26

IMPACT STATEMENT

In 2025-2026 Faith2Share worked with over 120 church and mission leaders and organised prayer meetings, consultations and training events held online, but also in person. The highlight of the year was holding a Leadership consultation in Chitwan, Nepal for over 50 people from each region of the country. Faith2Share also celebrated 25 years since a meeting in London paved way to its eventual establishment as a charity. Another highlight was a visit to Nairobi to strengthen our connection with our Kenyan members and induction of Capt. Bernard Irungu into our small staff team.

Leadership

The core activities of Faith2Share focus on growing and supporting effective indigenous leaders for mission movements around the world. The year 2025-26 has highlighted how important it is to stay relevant as a network by equipping, resourcing and encouraging mission leaders. Our flagship resource is a **Leadership Briefing** which is received by over 850 leaders in around 55 different countries. This regular bulletin points leaders to a wide range of resources appropriate to their work and challenges them to build collaborations for effective mission. On a daily basis, and at our major events, our small staff team works with leaders in four different ways as outlined below.

Accompany

The methodology of choice for Jesus as he prepared leaders for the church was to 'walk with them', to accompany them on their way through life and ministry. Faith2Share, as a network (not just staff) spends a lot of time 'walking with' leaders, sometimes offering advice or acting as a sounding board, and sometimes just being there to listen, appreciate and encourage.

In 2025-26 we put a lot of work into making sure that mission and church leaders have this opportunity to stay connected with each other, and continued to offer regular online meeting opportunities, especially for our members in India.

Mentor

The mentoring relationship is a more formal aspect of accompaniment. During the year staff and senior leaders within the network have been involved in mentoring a number of leaders, mostly from emerging mission movements.

Consult

The consultation we offer to leaders happens at many levels and is designed to help them respond to the changing mission context in which they find themselves.

At a specific request of our partners in Nepal, we have organised a Leadership development

consultation in Chitwan, Nepal for 50 local church leaders and we hope that this work continues at a local level as the feedback from the event has highlighted this as the best way forward.

Resource

Faith2Share continues to offer over 800 mission leaders its expertise in identifying and generating appropriate and contextualised resources to equip them to take forward their mission work. Our anniversary celebration webinar in May 2025 gave access to world-leading insights and research in the field of world mission, especially coming from the African perspective.

Discipleship

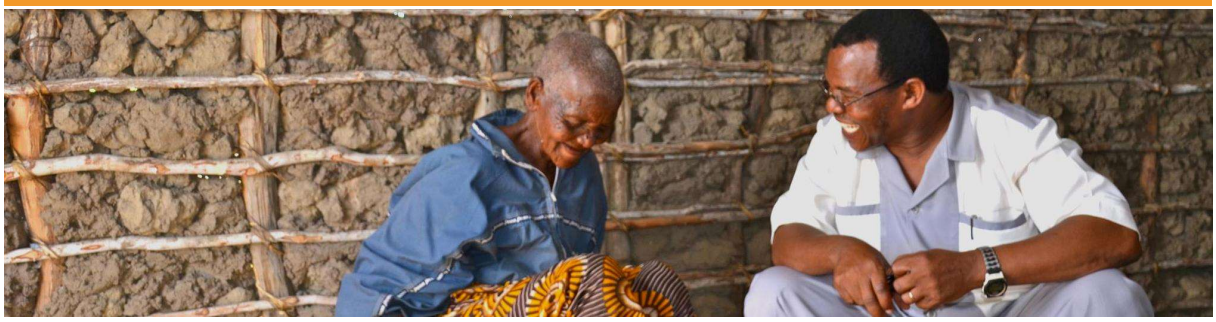

A focus on Christian discipleship continues to be the defining characteristic which brings our member movements together and each has been active in making disciples of Jesus Christ in their own context. For some, like Friends Missionary Prayer Band working mostly in rural India, this has involved tens to hundreds of new disciples being brought into the church and equipped for Christian living during the past year, whereas for others, like PMI (working in North Africa) or Church Mission Society the work is much slower and involves costly witness.

Whole-life Discipleship

Faith2Share has continued its focus this year on “Whole-Life” discipleship – training our member movements to equip those who choose to follow Jesus, to do so in every area of their life, in family relations, in their employment and as they seek to transform the communities in which they live. Following our previous consultations in 2022 and 2024 in Pakistan, the plans have been made to do a follow-up event in Karachi in 2026.

Collaboration

No mission movement is invited to join the Faith2Share network unless there is a clear commitment to active collaboration in mission. In 2025 the main challenge of fostering collaboration was still the limit on travel meeting people physically, but we continued to foster the spirit of sharing and mission collaboration through a series of regular Zoom events, as well as participating in the online meetings organised by other networks and organisations.

Wider Networks

One of the services which Faith2Share provides for its members is regular collaboration with wider mission networks. Our Associate International Director, Anton Ponomarev, is an Associate of IPA (International Partnering Associates). The International Director Jan Wessels has continued his part-time leadership role with the European Evangelical Alliance (EEA) as General Secretary which has brought many contacts, especially with the European Ecumenical Missions Council (EEMC) and the European Evangelical Mission Association (EEMA) in Europe. Regular contact has also been maintained with IMA (India) and MANI (Africa), and with WEA Mission Commission.

CMS Mission Network

In the course of the year *Faith2Share* continued to facilitate the CMS Mission Network which now has seven member movements and has seen an increased level of intentional working together. However, the in-person meeting in September in the USA has indicated that our role has been put on pause.

Lausanne-Orthodox Initiative

Although Faith2Share handed over the facilitation of the Lausanne-Orthodox Initiative in 2016 the Associate International Director continues to serve on its board. He has attended a number of LOI Board meetings and events delivered online as well as in person – the highlight was attending an international conference in Egypt to commemorate the Council of Nicaea.

Consultants

Faith2Share has continued to provide financial administration for two consultants with whom we have a long-standing relationship. During the year they have undertaken consultancy work for Mahabba International (one of our members), Oxford Centre for Mission Studies, Oxford Centre for Christian Muslim Studies and several other mission agencies.

Emerging Mission Movements

As a network Faith2Share retains a strong commitment to supporting the emergence and development of new mission movements around the world. We provided a small number of mission grants, for example supporting a student from Pakistan studying in the Philippines.

Building organizational sustainability and resilience

Faith2Share continues to operate supported by a small staff team with decreased capacity. Our International Director, Jan Wessels, has been working for Faith2Share only part-time (50%), and has continued in a new position with European Evangelical Alliance. Our Associate International Director, Anton Ponomarev, continues to be seconded to another Oxford-based charity for one day a week on a paid basis. We are really pleased to have Capt. Bernard Irungu, who is based in Nairobi, join our team in February 2025.

FINANCIAL REVIEW

Reserves policy

The policy is to hold enough funds to meet three months' operating costs of the charity. At year end the unrestricted cash and investments balance was £44,237. The trustees deem £25,000 to be the minimum cash balance to meet three months operating costs. The reserves policy is reviewed on an annual basis.

Principal funding sources

The charity's main source of income are membership fees, donations, trusts and foundations and consultancy. The charity's total income was £68,733 (2024/25: £64,740) which is a bit up compared to the previous year. Still, our overall financial situation provides basis for continuing the work of the charity in the coming months.

Income from member movements decreased further to £6,400 (2024/25: £8,100). Members are suffering from the cost of living crisis and increased costs of international travel. Leadership changes also affected the payment of membership fees. Building new relationships costs time. Tax effective individual donations saw a slight increase to £19,313 (2024/25: £17,481) and non-tax effective individual donations decreased slightly to £5,584 (2024/25: £6,934). Income from trusts decreased to £10,497 (2024/25: £18,479). Except for the funds raised specifically for the work of two consultants the level of restricted funds received by Faith2Share remains healthily low which ensures that we have maximum flexibility in applying funds where they are most needed within the network.

Investment policy and objectives

The trustees have approved the use of the COIF Charities Investment Fund, whose investments are mainly in equities and follows an ethical investment policy. Other cash reserves are held in bank current accounts. In a challenging investment market, our COIF investment has seen a capital loss of £4,433 during the year (2024-25: gain of £5,589).

Ongoing Concern

The Trustees have considered the financial strength of the charity, bearing in mind the exceptional pandemic circumstances which have affected its operations during the past few years. Significant cost reductions have already been achieved, and the Trustees have confidence that a satisfactory level of income will continue to arrive. Comparing now with the financial situation that the charity was facing in 2020, the Trustees deem the financial position of the charity still as stable, although this needs careful monitoring since we have re-started our programmes, international travel and re-building our organisational capacity by employing an Africa Regional Coordinator.

PLANS FOR FUTURE PERIOD

Strategic Direction

The Trustees together with the International Director and other major stakeholders have been given an opportunity to review and revise the strategic direction of Faith2Share but as a network of participating agencies the broad direction will continue to be determined by the vision, needs and aspirations of network members. This is likely to ensure a continued focus on the current vision (see 'Clear Vision' below).

Programmatic Plans

Faith2Share has made a commitment to continue working on Leadership and Discipleship development. For 2026 we are committed to organize and run a discipleship training consultation in Pakistan. We are also planning a revision, together with partners, of the Whole Life Discipleship Handbook, to update it with the newest resources and methods.

Faith2Share is also committed to continuing with the Emerging Mission Programme, focusing especially on under-resourced areas of the world and providing support to our partners there, especially focusing on leadership development.

CLEAR VISION

Through regular meetings with trustees, and dedicated staff 'away days' we continue to clarify the core commitments and areas of work for *Faith2Share* as a network. In communication terms we now regularly use the four simple 'words' (which have provided the structure for this report) to describe our mission. They are:

LEADERSHIP	Accompanying, Mentoring, Consulting and Resourcing *(The core activity of the network)*
DISCIPLESHIP	Following Jesus in every aspect of our lives *(The core objective of all our members)*
COLLABORATION	Doing mission together whenever and however we can *(The core ethos of the network)*
EMERGING MISSION	Encouraging and supporting new movements of God's mission *(The core vision for our life together)*

We give thanks to God for his faithfulness and the opportunities afforded to us during 2025-26 to participate in His mission.

Notes to the Profit and Loss Statemen

1. Income Churches

The Bethelkerk, International Director's home church, has a dedicated account for the personal support of the International Director so that Dutch donors can support him with full tax benefits. This money is used to pay for the honorarium of the International Director from September 2025 to January 2026
Other support comes from churches for mr. Phil Simpson, one of our consultants.

2. Consultancy Fees

This is income (£743 per month) we receive for the secondment of the Associate International Director to the Centre for Muslim Christian Studies in Oxford. Anton works one day a week (0.2Fte) for CMCS.

3. Membership Fees

Membership fee invoices have gone out, but we didn't receive all the membership fees. Some of our members are struggling with their income or with sending money (e.g. India). We need to follow up. New leadership means different approaches to the network. Especially the CMS and SAMS network dynamics have changed.

4. Trusts
We received a small grant from the Urco Foundation in February (Unrestricted) and a small grant in August from Ulting Overseas Mission Trust to support a student from Pakistan we know in the Philippines (IGSL). This is booked under our Emerging Missions Fund. We also received a grant again from the Evangelical Church of Würtemberg.

5. Investment Gain/Loss
The stock market has fallen sharply, and we have noticed and monitored this. COIF has not done well, also not compared to other investment funds, and we have not been able to recoup the loss before the end of the year. In fact we have even lost in the second half of the year.

6. Cost of Activities: Consultancy
We paid one of our consultants (Mr. Phil Simpson) for services he rendered to third party clients. He has his own personal support for these activities that comes in from churches and individual donors (gift aided). We assist with the administration of these donations and expenses for a small fee (5%)

7. Consultation Core Costs
The consultation in Nepal has costed us more than we budgeted. It also took a long time to disburse the money to our partner in Nepal due to bank issues. However, we didn't do any other consultations in this year.

8. Mission Grants
We have received a grant from Ulting Overseas Mission Trust in August to support a student from Pakistan in her living expenses at the International Graduates School of Leadership in Quezon City, on the Philippines. This money is transferred to the student's account quarterly (August, November 2025)

9. Staff Expenses and other Staff costs
This includes the fees for the payroll services of Stewardship UK.

10. Staff Salaries
The International Director took unpaid leave in April, as he was travelling a lot for the EEA and couldn't work for Faith2Share.

11. Operating Profit
The Operating Loss is much higher than we budgeted. Both the trust fundraising and the membership fees fell far short of expectations. This is a point of great concern. Our actions:
1. Send out reminders to our members to pay membership fees
2. We are actively looking for new sponsors and donors
3. Prayer

Notes to the Balance Sheet

1. Investments

Our investments with COIF Charities Investment Fund that showed a loss of more than £3,600 in July 2025 due to the plummeting stock markets in the first half of the year, showed also a loss of £790 at the end of the financial year.

2. Receivable

There are no accounts receivable at the end of the year.

3. Restricted Funds

Restricted funds are funds we manage for third parties.

* At this moment we have a small fund for Mark Oxbrow
* Furthermore there is an Emerging Missions Fund that we use for small grants to partners in the global south. The income for this fund is from donors in the UK who want to send the money to partners with Gift Aid and from Ulting Overseas Mission Trust
* The fund for Phil Simpson is slowly growing

In all instances we charge a small administrative fee, i.e. 5%, for handling this. (This is booked as unrestricted income from churches or individual donors in the P&L Statement, on the same line)

4. Continuity Reserve

This is a 'designated fund' that was created to have a treshold for our operations. The treshold has been set to £25,000.

5. Effective Balance

This is the money we 'own' and can use, i.e. our 'Total Capital and Reserves' minus the 'Total Restricted Funds' (money we owe to third parties).

General Notes to the Financial Statements

Year ending 31 January 2026

1. Principal accounting policies

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention with the exception of investments which are carried at current market value where available. The accounts have been prepared in accordance with the Charities Act 2011, applicable accounting standards and the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2015).
The accounting policies which have been consistently applied throughout the year are set out below:

(b) Funds structure

All funds raised by Faith2Share are used in furtherance of its charitable objectives.

Restricted funds are raised on the basis of an agreement or understanding with the donors that their use will be restricted to certain specific projects or activities within the scope of the stated charitable purposes of Faith2Share. These restricted funds are accounted for separately.
Designated funds are reservations for continuity.
Unrestricted funds are spent at the discretion of Faith2Share's trustees for use on any of the charity's general charitable purposes. With the consent of the relevant donors, tax recovered through Gift Aid is generally treated as unrestricted.

(c) Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of transaction.

(d) Incoming resources

Donations and gift aid are recognised in the financial statements when Faith2Share believes it is entitled to them, the income is judged virtually certain of receipt and the amount can be reliably quantified.
Incoming resources from grants, where there are performance or service deliverables required by the terms of grant, are accounted for as the charity earns the right to payment through its performance.

(e) Resources expended

All expenditure is accounted for on an accrual basis.

Cost of Activities comprise those activities outlined under 'Purpose' and 'Objectives' at the beginning of the Annual Report.

Fundraising activities are the costs of generating donations and the transactional costs incurred.

Administrative costs are the costs associated with the governance arrangements of the charity. The costs included in this category relate to organizational administration and compliance.

Irrecoverable VAT is charged against the category of resources expended for which it is incurred.

(f) Investments and investment income

Investments in equity funds are included at their open market value at the balance sheet date. All gains and losses on investments are taken to the Income and Expenditure Statement.

2. Statement of movement of Restricted Funds 2025-26

c	Balance Brought Forward	Income	Expenditure	Balance Carried Forward

Report of the Independent Examiner

Independent Examiner's report to the Trustees of Faith2Share

I report on the accounts of the Trust for the year ended 31 January 2026, which are set out on pages 13 to 15.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act);
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

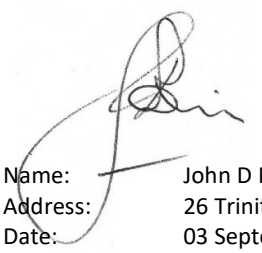

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
