POTTERS BAR UNITED REFORMED CHURCH

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their annual report and financial statements for the year ended 31 December 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

As a local congregation of the United Reformed Church (URC), Potters Bar United Reformed Church seeks to advance the Christian religion through its activities and the facilities offered to the community, described more specifically in its Mission Statement.

Our mission

We come to worship God. To grow in faith and share our service and love for Jesus Christ within the community of Potters Bar and beyond.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Activities

Ministry

In November 2023 the Revd. David Aplin, a URC non-stipendiary minister already an elder of Potters Bar URC, was appointed as Interim Minister of Potters Bar URC and Christ Church. This appointment was made by the Thames North Synod of the United Reformed Church after a Church Meeting giving its approval. This appointment is non-stipendiary and there is no manse provision.

.

General activities

During 2024 leadership time had to be devoted to reducing the overspend and managing with a reducing supply of leaders particularly as elders/trustees and to the officer role of Church Secretary. Actions were duly taken in early 2024 and in 2025 we are seeing financial and personnel benefits. A major shift in policy was to devote our charitable activities to a wider spread with greater recognition of local and UK national needs. This reduced funding for Africa and, to better ensure appropriate usage, a bar on providing support to individuals in Zambia and Uganda. We now share our church with the Syro-Malabar Church, a multi-cultural church associated with the Roman Catholic Church.

Nursery

The nursery has been independent of the church since Spring 2024. We are delighted that under the leadership of Mrs Daniela Drozd it has thrived financially whilst maintaining high standards and good Ofsted results. The church and nursery continue to share each other’s activities.

Staffing

During 2024 it was necessary to reduce staff costs by a redundancy. Since that time the work carried out by the Premises Manager has been taken on by church members particularly members of the Premises and Finance Committee and there has been no diminution in the standards of carrying out this work. There are benefits from a volunteer team beyond saving money.

Future
Completion of this Trustee Report and the associated Financial Statements marks a turning point that will allow more time and effort to be devoted to worship, evangelism and community outreach. Failure to meet these challenges would endanger the future of the church.

Financial review

Basis of accounts
The Financial Statements for 2025 were produced on the accruals basis and reviewed by a qualified accountant highly experienced in charity accounting. The comparatives in these statements are as stated in the 2024 Financial Statements

Financial report.
During the 12 months from 1st January 2025 to 31st December 2025 income received by the charity was £124,403 (2024 £194,556) and expenditure was £137,590 (2024 £220,827), leaving a deficit of £13,187 (2024 deficit of £26,271). Included in the comparative figures are nursery results for 3 months in 2024, none in 2025.

Cash at bank and in hand at 31st December 2025 was £57,729 (2023 £58,023). Monetary funds with COIF were £10,465 (2024 £19,641). Cash funds held with CCLA was £15, 000 (2024 £15, 000). In addition, there are non-cash investments with CCLA valued, at 31st December 2025, of £198,399 (2024 £208,311), a reduction of £9,912 (2024 reduction £30,145). The reductions are due to lower values of the underlying assets which can be expected to recover. It is important to manage our cash to avoid crystalising the losses by withdrawals. None of the CCLA investment was realised in 2025. At the point of separating the nursery the church continued to hold the COIF investment of £15,000 and £10,402 in an HSBC current account and these has been incorporated into the church's holdings after outstanding payments and passing EYPP/IDACI restricted funding to the nursery.

Reserves policy
It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between two and three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, the charity will be able to continue its current activities while consideration is given to ways in which additional funds may be raised. Monthly expenditure is £10,000 so this means £20,000-£30,000. The trustees have decided that a reserve of £30,000 is appropriate at this time. This level of reserves has been maintained from April 2024 to date.

In addition the trustees feel a moral responsibility for nursery redundancy entitlements built up whilst the nursery was part of PBURC. Currently these are £9,800 so the trustees have created a Designated Fund of £10,000 for this purpose. At this time, Autumn 2026, there are no indications that this reserve fund will be used.

Structure, governance and management

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2025

The trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:
- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

POTTERS BAR UNITED REFORMED CHURCH

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF POTTERS BAR UNITED REFORMED CHURCH

I report to the trustees on my examination of the financial statements of Potters Bar United Reformed Church (the charity) for the year ended 31 December 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the trustee's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.

2 the financial statements do not accord with those records; or

3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (“FRS 102”) and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Investment funds held for church purposes

In addition to current and reserve bank accounts, the church has a deposit account and an investment fund with CCLA Investment Management Ltd. Income from the church deposit account is paid to the church.

In addition to a current bank account, the Church Nursery School has a deposit account with CCLA Investment Management Ltd. Income from the Nursery School deposit account is paid to the Nursery School. These funds have been accounted for in the balance sheet assets and the restated fund values from previous years have been brought forward and included in unrestricted funds.

Designated Funds

Designated Funds are unrestricted funds set aside by the church for specific designated purposes, they can be transferred back into general funds at the discretion of the trustees.

The church operates four designated funds with the encouragement of the Church Meeting:

The **Maintenance Fund** has been established to fund the major items of maintenance of the three properties: church complex, manse and Tilbury Cottage. The maintenance is supervised by the Finance & Property Committee and reports to the trustees and to Church Meeting.

The **Benefactors Fund** is derived from donations which are not to be used in connection with the fabric. Decisions on using these funds are solely the responsibility of the trustees.

1 Accounting policies **(Continued)**

The Specific Fund is primarily derived from legacies and ministerial fees. They are intended to be used to promote mission and worship.

Nursery Designated Fund is ta reserve to cover staff redundancy entitlements built up during the time when the nursery was part of the charity.

Ministry and Mission Fund
The church contributes to the central URC costs of training and providing ministers (including the centralised payment of stipends, pension contributions and other benefits for ministers), running the denomination ; and the wider mission of the national church,

	2025	2024
Ministry and missions fund	£10,000	£10,000

Restricted Funds

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements. These funds can only be used for the specific purpose for which they were given. Balances must be carried forward for future use, or used for a similar purpose with the donors consent, or returned.

Annual Running & Maintenance Fund is derived from contributions specifying that a fixed portion be used for maintenance. Maintenance spend is normally greater than these donations so further maintenance spend must come from general funds of the Maintenance Fund.

The Flower Fund allowing a contribution to church flowers from all members with arrangement being by our team of flower arrangers.

Music & Mission Fund covering both worship and special music activities receives donations and income from recitals, where not otherwise stated as being restricted for a particular cause. This money is mainly used for extra musical items that cannot otherwise cover their costs.

Charitable Donations Fund holds funds given for specific external causes pending their payment to the cause or charity specified.

1.4 Income
Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1 Accounting policies **(Continued)**

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Ministerial costs. The church did not have a stipendiary minister during 2025 and 2024. Reverend David Aplin is non-stipendiary and entitled only to expenses.

1.6 Heritage assets

Assets used for church purposes

The church building, the manse at 1 Cedar Close, Potters Bar and the cottage at 245 Darkes Lane, Potters Bar are vested in URC Thames North Trust as trustees and are not church assets. They are held for the benefit of Potters Bar URC in accordance with the statutory trusts applicable to URC properties under the URC Acts. For insurance purposes the church buildings are insured for £5,876,834 for the church complex, £495,508 for the manse and £282,474 for the cottage. The church contents are insured for £716,731, manse contents for £5,000 and cottage contents for £5,065.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised at transaction price.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
