Names of the trustees for the charity, if any, (for example, any custodian trustees)

Name	Dates acted if not for whole year
n/a	n/a

Names and addresses of advisers (Optional information)

Type of adviser	Name	Address

Name of chief executive or names of senior staff members (Optional information)

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Trust Deed
How the charity is constituted (eg. trust, association, company)	Charitable Trust
Trustee selection methods (eg. appointed by, elected by)	Appointed by the existing Trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Osiligi Charity Projects (OCP) was registered with the Charity Commission on 31st March 2010, and is governed by the charitable trust deed of 1st March 2010.

During 2025, the three charity Trustees of OCP remained unchanged as Dr James Freeth (Chair), Mrs Helen Pannell (Secretary) and Mr Roger Pannell. The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other rewards or other financial benefits. The trustees do not charge for any expenses incurred.

In March 2025, a successor charity was formed called Together With Kenya (TWK) UK in order to continue and expand the charitable work of Osiligi Charity Projects in Kenya. TWK (UK) is a Charitable Incorporated Organisation, registered in England and Wales (registration number: 1212535). The expansion of the charity's goals followed a detailed community consultation in Kenya in 2024, which was designed to understand how TWK can have maximal public benefit.

Together With Kenya (UK) is governed by its own board of 6 Trustees (of which Dr James Freeth is also the Chair), a constitution, and Policies and Procedures.

Together with Kenya (UK) works in close partnership with the Kenyan-registered Public Benefit Organisation (PBO) called Together With Kenya (TWK) Foundation. TWK Foundation has its own board of 6 Kenyan Directors, its own constitution, and legal obligations. It is responsible for operational activities in Kenya. A partnership Memorandum of Understanding exists between TWK (UK) and the Kenyan TWK Foundation to ensure they stay strategically aligned.

2025 saw an orderly transfer of day-to-day charity operations and activities in the UK from Osiligi Charity Projects to Together With Kenya (UK). By 1st January 2026, TWK (UK) was responsible for all day-to-day UK activities.

Nevertheless, the Osiligi Charity Projects will remain as an operational entity in the background for the foreseeable future, in order to receive any charity sponsorships funds and donations still paid to Osiligi Charity Projects and will forward these funds to Together With Kenya (UK).

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of Osiligi Charity Projects are to apply all the income for exclusively charitable purposes for the prevention of poverty amongst the areas of East Africa.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charitable activities of Osiligi Charity Projects / TWK (UK) to provide maximum public benefit, are:

1) Provision of a quality Primary and Junior school education for over 200 underprivileged children in the charity school [*continued activity*]
2) Provision of a Senior school education for over 75 underprivileged pupils in schools across Kenya [*continued activity*].
3) Development and delivery of a Positive Destination programme to support young adults after Senior School- either through jobs, university or skills-based programmes [*new activity*].
4) Development of a Community Learning Centre that will encourage adults of all ages from an underprivileged community to become self-sufficient and/or develop skills for learning, working and life [*new activity*].
5) Restoration and provision of water to communities through our pump repair and community education programme [*continued activity*].

With the exception of number 5, which provides benefit to communities across Southern Kenya, all other activities provide benefit to a disadvantaged Maasai community in Kajiado county, about 2 hours southwest of Nairobi, Kenya.

The Trustees of Osiligi Charity Projects have regard to the guidance issued by the Charity Commission on public benefit and the charity object clauses set out in the trust document.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

In order to achieve its expanded goals and secure a long-term future, it was necessary for the charity expand its physical footprint in Kenya through the purchase of an 8-acre plot of land, construction and establishment of an integrated Educational Campus (containing a new Primary and Junior school, and Community Learning Centre), and the formation of a Kenyan NGO (which recently changed to a PBO) – Together With Kenya Foundation (see above) to ensure good governance in Kenya. The Together With Kenya Foundation legally owns the new land and educational campus.

2025 involved a maintenance of child education at the Osiligi Obaya Primary and Junior School (while the new TWK Educational Campus was being built). In addition, Senior school education and the Water Repair programme continued in 2025 under the name of Osiligi Charity Projects.

In parallel, in 2025, the TWK (UK) CIO was formed, and the new TWK Education Campus was constructed, such that all Kenyan activities (1-5 above) would be ready to operate under TWK from January 2026 onwards.

Neither Osiligi Charity Project or TWK (UK) have paid staff: All Trustees and UK personnel volunteer their time free of charge, and pay for their own travel and costs in the UK and Kenya.

Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

UK achievements in 2025

- Established and registered TWK (UK) CIO on 13 March 2025, with a strong and experienced Board of Trustees
- Established a TWK (UK) bank account with the Charities Aid Foundation (CAF), with Wise UK for international payments, PayPal for donations, and registered for Gift Aid with HMRC
- Established the TWK website (www.togetherwithkenya.org)
- Successfully fundraised for the construction of the TWK Education Campus in Kenya, through securing private and organisational donations and grants. (This is partly reflected in the OCP 2025 annual accounts, and partly in the TWK (UK) 2025 annual accounts).
- Maintained support and grew regular charity donor base during the transition journey from Osiligi Charity Projects to TWK (UK) through effective communication.
- Maintained uninterrupted Primary, Junior and Senior school education through sponsorship management.

Kenyan achievements in 2025

- Through our UK sponsors and sponsorship funds, the charity provided uninterrupted Primary and Junior school education for approximately 250 pupils from underprivileged backgrounds at the Osiligi Obaya school. Jim Freeth remained as a school governor, and Magaret Thomson replaced Helen Pannell as a school governor in January 2025.
- Through our UK sponsors and sponsorship funds, the charity provided uninterrupted Senior school education at secondary schools across Kenya for 75 underprivileged students, who were previously educated at the Osiligi Obaya school.
- The charity helped our first cohort of secondary school leavers apply for university or technical/vocational college admission and apply for government student loans. Through continued financial support from sponsors, 9 students started degree or diploma-level courses at Kenyan universities or further education colleges.
- Through grant funding from the Swiss Eagle Foundation, the charity restored a further 512 hand-pumps across 9 counties of Kenya as a result of this project, providing access to water to more than 200,000 people. This was achieved by the charity's team of 8 Kenyan volunteer engineers.
- Through the funding of a UK donor, the charity installed a complete water system (borehole, solar-powered pump, tower, tanks, plumbing and agricultural plot) to Elangata Primary school in Kajiado county that previously lacked a water supply.
- Working with TWK Foundation board members, and appropriate professionals (e.g. architects, surveyors and government officials), designed and secured governmental approvals for the construction of the TWK Educational Campus, and achieved school registration.
- By commissioning a high-quality builder and project manager, successfully built the TWK Educational Campus in just 9 months (April -December 2025). This included:
    - 9 Primary and Junior school classrooms
    - toilet blocks
    - a temporary kitchen,
    - a complete Community Leaning Centre (with meeting

rooms and toilets)
    - houses to accommodate all teachers on site.
- Built a self-sufficient water system serving the whole campus, including a 170m deep borehole, solar powered electric pump, solar panels, water tower carrying two 10,000 litre water tanks.
- Installed solar-powered electricity system and Wi-Fi system, serving the Primary/Junior school, Community Learning Centre, and teacher housing.
- Installed a biodigester to turn waste into fuel for the permanent school kitchen (when built).
- Fully equipped all classrooms, temporary kitchen, teacher houses and Community Learning Centre with books, stationary, white boards, cooking and eating equipment, furniture, desks, chairs, as appropriate.
- Through establishment of a valuable collaboration with Computer Aid, established a fully equipped computer lab at the Community Learning Centre, with desktop computers, MS office software, security etc.
- Advertised and recruited all teachers and support staff ready for TWK school opening in January 2026. Most highly trained Osiligi Obaya School staff applied and were recruited. A strong school management team was established.
- A place for all sponsored pupils at Osiligi Obaya school was available at the TWK school from January 2026. Nearly all applied (and all who did were accepted). This included a plan to help pay for transport for those pupils who were disadvantaged by a greater distance between from home and school.
- TWK was also able to recruit additional children with underprivileged backgrounds within a 5km radius of the new TWK school. A fair and robust selection process was undertaken by two committees.
- A small percentage of school spaces were offered to fee-paying (private) pupils, also for starting in January 2026. This would create a much-needed additional income stream that would be used to subsidise education for the needy pupils.
- Throughout 2025, much effort was made to maintain excellent community engagement. Community and local governmental enthusiasm for the TWK education campus was exceptional.

By 1st January 2026, all of the charity's activities were ready to operate under the name of Together With Kenya, and the TWK Education Campus was ready to open for the new school year.

Section E Financial review

Brief statement of the charity's policy on reserves	The OCP charity has no running costs in the UK, so the reserves required for the charity are small. The charity aims to have a minimum of £10,000 in unrestricted reserves (combined in the TWK (UK) and Osiligi Charity Projects bank accounts) to accommodate unforeseen costs and any temporary shortfall in income. It does not have a policy for the maximum reserves as it recognises that all the projects are long term projects so there may be times when money is being held back.
Details of any funds materially in deficit	n/a

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Because gross income exceeded £250,000 in 2025, the accompanying financial statements have again been prepared in accordance with the Charities SORP (FRS 102) on the accruals basis of accounting.

Most of the charity's financial activities in 2025 were handled by Osiligi Charity Projects (OCP) through its Coop bank account, and its account with Equals bank for transferring funds to Kenya (for primary, secondary and further education, water projects, and TWK campus construction): This is because the TWK (UK) Charitable Incorporated Organisation wasn't registered until March 2025, the TWK CAF bank account wasn't open until 17th June 2025, and TWK (UK) was not registered for Gift Aid until after that.

Total income to Osiligi Charity Projects in 2025 was £589,466, as compared to £473,788 in 2024.

A combination of private donations and grants from Fondation Eagle (£36,000 for the construction of 3 classrooms), Thomson Trust (for the construction of the Community Learning centre), Bournemouth North Rotary Club and Beneagles Whisky Company, raised £384,900 towards the building of the Together With Kenya Educational Campus (described in Section D). Gift aid of £22,959 brought this to a total of £407,859.

Combined with some unrestricted OCP reserves, a total of £465,896 was spent on TWK Campus construction and set-up in 2025. Set-up includes initial staff payroll (since TWK staff started their employment contracts in November 2025) and essential school equipping costs.

On educational sponsorship, our aim is to, as a minimum, match the receipt of money from sponsors to the school fees paid. In 2025, school fees for primary and secondary school amounted to £85,360, with a further £2,865 in university or college fees for 9 secondary school leavers.

£85,936 was received in sponsorship donations into the OCP Coop account, with a further £9,302 raised from Gift Aid. (Additionally, and not included in these accounts, a further £8,097 was paid into the TWK CAF bank account towards the end of 2025 by sponsors who switched over their regular donations to TWK).

The amount spent on pump repairs and water-related projects in 2025 through Osiligi Charity Projects was £89,227. While the majority (£67,049) was used on hand-pump repairs, £22,178 was used to complete the Fondation Eagle-funded 'food growing in schools' pilot

project, and for a complete school water installation project (Elangata school), funded mainly by a UK private donor.

The 2025 hand-pump repair programme was largely funded by a grant of £60,000 from funding from Fondation Eagle, which was received in December 2024.

Overall, 2025 showed an overall decrease of £53,882 in OCP charity funds.

Section F Other optional information

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees

Signature(s)

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	Charity Name Osiligi Charity Projects		
On accounts for the year ended	31.12.25	**Charity no (if any)**	1135331
Set out on pages	(remember to include the page numbers of additional sheets)		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31.12.25

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the ACCA.

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*

Notes to the accounts

Note 1 **Basis of preparation**

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

- the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014

- the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)

- the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

There are no material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern.

1.3 Change of accounting policy

The accounts present a true and fair view and no changes have been made to accounting policies

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period (3.46 FRS102 SORP).

1.5 Material prior year errors

No material prior year errors have been identified in the reporting period (3.47 FRS102 SORP).

Accounting policies

Note 2.1

The standard list of accounting policies has been applied by the charity.

Note 2.2 Income

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: · the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; · the monetary value can be measured with sufficient reliability.
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Donations	Donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).
Legacies	The charity has not received any legaies during the reporting period
Grants	The charity has not received any grants or contractual income during the reporting period
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.
Donated goods,services and facilities	The charity has not received any goods, services or facilities during the reporting period
Support costs	The charity has not incurred expenditure on support costs in the UK.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Income from interest, royalties and dividends	Interest is included in the accounts when receipt is probable and the amount receivable can be measured reliably. No royalties or didvdends are received
Income from membership subscriptions	No membership subscriptions received in the nature of a gift
Settlement of insurance claims	There are no insurance claims during the reporting period.
Investment gains and losses	The charity has no investments

2.3 Expenditure and liabilities

Liability Recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the resources and the amount of the obligation can be measured with reasonable reasonable certainty.
Governance and support costs	The charity did not incur any governanace or support costs in the UK during the reporting period.
Grants	The charity made no grants during the reporting period.
Employment	The charity had no employees and did not incur employment or redundancy costs during the reporting period.
Deferred income	No material item of deferred income has been included in the acounts
Creditors and liabiliies	The charity had no creditors or liabilities

Independent Examiner	The independent examiner does not charge any fees to the charity during the reporting period.

2.4 **Fixed assets, investments, stock**	**Assets** The charity had no fixed assets, investments or stock during the reporting period.
Debtors	Debtors relates only to unclaimed gift aid.

3 **Post balance sheet events**	**Post balance sheet events** No relevant events have arisen after the end of the reporting period.

Notes to the accounts **(cont)**
