Independent examiner's statement

Delete [X] *if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Governance and Management

The trustees are responsible for the strategic development of the charity.

A team of volunteers and self-employed workers deliver the charity's objectives.

Aims and objectives

Community Solutions is a registered charity that gives East London communities a voice. We empower communities to respond to the needs of their local areas by mobilising community resources. This includes working with community groups to:

- Manage and deliver projects and services
- Develop strategies and action ideas in response to need
- Bid for funding
- Raise money

Our charitable status allows us to provide a trusted framework for individuals and small groups.

Our charitable aims are broad enough to include the variety of people, services, buildings and areas in need of our support. Community Solutions encourages all members of the community to meet and form the basis of discussions to tackle grass root issues.

The trustees of Community Solutions often found that differing groups had a common thread of trying to address similar local matters as smaller groups. Community Solutions was more formally founded so that we could encourage a more cohesive action structure which would alleviate the pressures on smaller groups with less resources of time and administration.

Strengthening a sense of community

This encourages a bigger voice and an increased ability to target and engage support. We are keen to continue to respond to the needs of local communities by strengthening their sense of community, or even creating it where that sense may not exist. We currently do this through event participation and networking, organising and attending meetings, raising finances and supporting the development of community services.

The Trustees promise the community to promote for the benefit of the public in the area of East London the conservation and protection and improvement of the physical and natural environment.

To provide or assist in the provision of facilities in the interests of social welfare, for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

Summary of the main activities during the year

Education Station Tutoring

Community Solutions understands the issues and pressures around educating children and provides educational support for children up to and including 11 years of age. We welcome children of all abilities and believe that everyone can be a high achiever.

We can provide extra educational support for your child in these areas:

- Literacy (English)
- Numeracy (Math)
- Verbal Reasoning
- Non-Verbal Reasoning
- Interview Techniques
- Homework

In some cases we have been able to provide a pick up / drop off service for your child. Support is often offered to assist with Secondary School choices.

We have worked very successfully with 143 children to date.

Duke of Edinburgh

We continue to promote the Duke of Edinburgh's (DofE) Award Scheme to a wide range of young people in St. Katharine's and Wapping as well as spreading the word borough wide.

Housing

We have facilitated housing for 10 people to date.

In safe Hands

We continue to support the vulnerable by offering services ourselves or signposting to services such as Weight Management Clinics, Smoking Cessation, Exercise Groups and Talking Therapies.

Youth Development - London Youth Games 2025

We launched an inclusive squash squad and team in Tower Hamlets providing local youth with free access to professional coaching, mentoring and positive recreational activities. This led on to collaborative and synergistic work with Hackney Borough Council. We are looking forward to doing much more in the sports/fitness/health space.
