Registered Charity: 1142033

Welcome to our 2026 Annual General Meeting.

This AGM is reviewing the year 2025, so the reports and accounts all reflect the calendar year of 2025.

This document is the Trustee Report, which will form part of our annual return to the charity commission. It outlines the activities and the finances of the group.

We are very luck at 3rd Hanworth Scout Group to have an amazing team of dedicated volunteers who are passionate running an amazing programme for the young people within the group.

Have you ever thought of volunteering? Could you help us at 3rd Hanworth – we are always looking for adults and young leaders to work with our sections, with 7 sections we are putting lots of pressure on our leaders and it would be great if a few more people could come forward to help run our busy programmes.

We also need people to work in the background – could you help keep our outdoor spaces tidy? Could you help clean or maintain our HQ? Do you have a flair for fund raising?

As the group continues to grow, we are always in need of more adult volunteers. If you are interested in getting involved, please talk to us this evening, or contact us by email – there is a role for everyone!

We would like to take this opportunity to thank every person who supports 3rd Hanworth Scout Group.

Whether you are the parent who picks up and drops off, the young leader who spends their evenings thinking up new ideas, the Section Team Leader who spends hours planning or supporting the great activities, or the Trustees planning fundraising events or headquarters maintenance, we couldn't do what we do without you!

Andrew Griffiths

Group Lead Volunteer

Chris Bryenton

Deputy Group Lead Volunteer

3rd HANWORTH SCOUT GROUP ANNUAL GENERAL MEETING 2026

A G E N D A

1) **Welcome and Introductions**

2) **Apologies for absence**

3) **Treasurer's Report**

4) **Adoption of the Group Accounts 2025**

5) **Approval of the model constitution from POR:**

In line with the recommendation from Scout Headquarters, the Group Trustee Board proposes we adopt the model constitution from Chapter 5 of Policy, Organization and Rules. Chapter 5: Under construction | Policy, Organisation and Rules | Scouts

6) **Note the Group financial Year** – 1st January to 31st December

7) **Group Lead Volunteers Report**

8) **Sectional Reports** – Squirrels – Monday and Tuesday
Beavers – Tudor and Windsor
Cubs – Panther and Ocelot
Scouts

9) **Appointment of Chairman, Officers, Committee and Scrutineer**

Approval of the nominations of the outgoing trustee board for one year appointment

Chairman: Peter Crean

Treasurer:

Other Nominations to the Trustee Board: Linda Amper-West, Carol Bliss, Jackie Westley, Chris Bryenton, Sean Chapman

GLV (Andrew Griffiths) is Ex-Officio member of the Group Executive.

Election of Scrutineer of Accounts

Victoria Knight

10) **District Commissioner**

11) **Closing Comments from the GLV**

3rd HANWORTH SCOUT GROUP ANNUAL GENERAL MEETING

Thursday, 9th October 2025

1. Welcome and Introductions

A Griffiths, our GLV, opened the meeting and welcomed everyone.

Apologies for Absence – None

2. Treasurer's report

This was given out at the meeting in booklet form. The finances are looking fine.

3. Adoption of the Group Accounts

Accounts were provided by A Griffiths and their acceptance proposed by L Amper-West and seconded by J Chapman.

4. Approval of the model constitution from POR

No objections were raised and everyone in favour.

5. Note the Group Financial Year

This was agreed to be 1st January to 31st December.

6. Group Lead Volunteers Report

Section Reports were given out in booklet form and the Team Leaders also gave the highlights in person.

7. Appointment of Chairman, Officers, Committee and Scrutineer

3rd Hanworth is looking for a Chairman and Treasurer. Help to fill these positions was requested and any interested persons to contact A Griffiths. This was proposed by P Crean and seconded by B Garside.

8. Other Nomination to the Trustee Board

Other nominations to the Group Executive remain as Linda Amper-West, Carol Bliss, Adam Gower, Jackie Westley and Chris Bryenton.

GLV (Andrew Griffiths) is Ex-Officio member of the Group Executive.

9. Election of Scrutineer of Accounts

Victoria Knight was nominated as the Scrutineer and was proposed by R Tyler and seconded by V Parsons.

10. Guest Speakers

The County Chairman Chad Lake spoke to everyone and said that the Scout Group is the best organisation to belong to and thanked the Trustees.

C Lake gave out the following awards

Chris Bryenton – 20 years service award and also a Gilt Cross which is not very often given which is awarded for bravery in relation to the van fire in 2024. Chris has been invited to the National awards at Windsor Castle in 2026 with lunch afterwards.

Jade Chapman – 10 years service & Good service

Adam Gower – 10 years service

Megan Matthews – 5 years service

Vicki Parsons - 15 years service

Mark Matthews – 5 years service

Rachel Tyler – 15 years service

Amber Ward – Wood Badge

Jenny Chapman – Merit award

Ian Willis who is the District Lead congratulated everyone and thanked the Group for the invitation.

11. Closing comments from the GLV

A Griffiths also congratulated everyone on their achievements and thanked C Lake, I Willis for attending. Parents and everyone else was also thanks for coming along to the meeting.

Scrutineer's Report to the Trustees of the

Third Hanworth Scout Group

I report on the accounts of the Group for the year ended 31 st December 2025.

Respective Responsibilities of the Trustees and Scrutineer

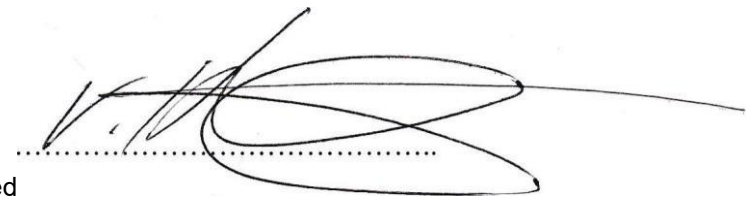

As the Group's Trustees you are responsible for the preparation of the accounts; you consider that neither the audit nor independent examination requirements of the Charities Act 1993 apply. It is my responsibility without carrying out an audit or independent examination to scrutinise the account and report to you.

Basis of Scrutineer's Statement

In accordance with the directions of the Group's constitution, I have scrutinised the records and the accounts set out on the following pages.

Scrutineer's Statement

In my opinion the accounts are in accordance with the records produced for me and comply with the constitution.

Signed

Group Lead Volunteer Report for the 2025 3rd Hanworth AGM

I would like to welcome you all to the 3rd Hanworth Scout Group AGM. While much of today is a legal requirement as part of our charity status, it's a fantastic opportunity to review the year, 2025 at 3rd Hanworth.

During this meeting/report you will see the details of what all our sections have been getting up to during the year 2025. Please do take the time to look through the reports from all our sections to see exactly what they have been up to. There is a wide range of activities which have kept over 100 youth members busy throughout the year.

While I try to leave the sections to report on their activities, as Group Lead Volunteer, I always like to pick out some highlights and my 2025 highlights are the Cubs visit to Scouts the Musical which was a fantastic show, as was Oliver! which the Cubs, Scouts and Explorers attended in December. It was great to see Stealth Explorers at Camp and Scout Summer Camp is always a standout event for the year as are the various the camps and sleepovers for the other sections. There were many other events and activities which I will leave for the section leaders to report on.

For the group, the Family Fun Day was a great day at Paccar and showed that we have a real community of people around 3rd Hanworth. We hope to repeat this event in the future. Our fund-raising events are always memorable our Quiz Night was another great success and fun for all involved as was the Christmas Fayre

Fund Raising is becoming increasingly important for the group. With huge increased in energy costs keeping our HQ running just from fund raising is becoming more difficult. We are keen to keep membership fees with the sections to run activities, but without more support to raise funds, this will be unsustainable.

Away from the sections, our HQ is in a good place, but we do need more support to look after it, keep the grounds tidy. We cannot keep expecting our leaders to do everything and I have. On the next page of this report, I have included some information about where we need help.

As Lead Volunteer, my report is an opportunity to look forward as well as back. While 3rd Hanworth is providing an excellent programme from Squirrels to Explorers, we have some concerns moving forward.

Leaders and Supporters – Urgently Needed

While we have a fantastic team of leaders, but we are placing too much pressure on a very small group of volunteers. Windsor Beaver Colony has only one regular leader, this is unsustainable in the long term. While the colony continues to run with the support of a parent rota, having only one leader cannot continue for much longer. Both Squirrel Drays must operate with Parent Rotas and other sections need more support to reduce the pressure on volunteer leaders.

I cannot stress how much we need to find more volunteers. The loss of just one or two volunteers could place multiple sections at risk of closure and would certainly make camps and other activities impossible. Please consider where you can offer to help. Do you know someone who might be interested in being a regular leader? Do you know people who need to gain experience working with young people. We need leaders who can turn up weekly for a few hours along with helping to plan/source resources?

Supporting 3rd Hanworth

While we know that not everyone is able to volunteer, we do need parents to support the group. There are a few things you can do to support us:

- **Publicise our fundraising events - Attending our fundraising events – or donate if you cannot attend**

- **Share our Social Media Posts**

2025/2026

As I come to the end of this report, I need to take a moment to thank our volunteers. Many give up several evenings a week plus extra time for planning, sourcing resources, going on camps and activities. I also want to mention the Young Leaders who support across the group. Thank you all for supporting 3rd Hanworth.

Andrew Griffiths
Group Lead Volunteer 3rd Hanworth Scout Group

Could you be the next new regular member of the 3rd Hanworth leader team?

Trustee and Support Roles

Our Trustee Board also needs more volunteers. Currently we do not have a chair, and we have other vacancies for volunteers. While leaders can "cover" some of these roles, this reduces the amount of time they have to run things for your children.

The costs of running 3rd Hanworth increases every year. We need to run more fund-raising events, but our leaders and current trustees don't have capacity to do any more. Could you join the fund-raising team and take responsibility to run a new event?

Volunteering does not have to be with the young people. Could you cut the grass? trim the hedge line? Sweep the car park? Do some painting? Pick up litter? Clean the minibus?

We need people who can take responsibility for different tasks so our leaders can focus on the young people.

Could you help? Can you volunteer with us?

Without more help, it's very likely that we will need to reduce the number of sections we can run, this will mean reducing the number of young people who benefit from 3rd Hanworth each week. **If you cannot regularly help yourself – please help us find people who can.**

Monday Squirrel Scouts Annual Report

It has been a fantastic and fun filled year with the Squirrels, with lots of games, adventures and meeting new friends.

We started the year looking at feeling and making calm down jars to help with our big emotions, along with lots of baking including, shortbread for burns night, pancakes, bunny ear cupcakes, rock cakes and yule logs!

We had some exciting outdoor adventures including a trip to the park to learn about habitats and enjoying a campfire while learning about how to be safe around a fire while also learning new songs and of course making s 'mores.

During this year, we also made some new friends, we met some very fluffy kittens and had a paramedic visit who helped us learn what to do in an emergency and how to help other people.

The Squirrels have done lots of celebrating during the year with our Halloween party, proudly taking part in the remembrance parade and joining other groups at Christingle.

The year ended with our trip to see Santa at Mizens railway and our annual end of year trip to snakes & ladders.

This was a wonderful year, and we can't wait for 2026!

Tuesday Squirrel Scouts Annual Report

The Squirrels had a fun packed year whilst learning new things.

The spring term was all about learning about international celebrations, they coloured loch ness monsters and tried some Scottish foods for burns night, made various snake decorations for Lunar New Year, played Welsh games and made paper daffodils for St. David's Day, made a comfy den to enjoy their pancakes and enjoyed creating bits for Easter.

In the summer term we focused on getting outdoors and looking at nature. The Squirrels planned what they would need to take on a walk, used nature to create masterpieces, and went on the walk they had planned. They learnt how to put up a tent. And of course we ended our term with the annual water games evening.

The autumn term was about scouting and life skills, we had a first aid visitor who taught the squirrels how to get help in an emergency and then they all had the opportunity to try on some of the uniform, they learnt about Remembrance Day, brought a friend for the evening where we had a campfire and we joined the beavers and cubs for our annual end of term trip to snakes and ladders as well as Christingle.

Both adults and children thoroughly enjoyed the year.

Thank you to everyone who supports us Squirrel Leaders

Tudor Beavers Annual Report

I feel I always start these the same way, but it is always so true, what a year it has been for Tudor Beavers! We have had some super fun Wednesday nights at the Headquarters taking part in activities as well as some exciting trips and camps!

Spring Term

We started the year with celebrating the Lunar New Year, dressing up as our favourite story book characters to celebrate World Book Day and taking on some cooking challenges such as learning how to make and flip a pancake. We also took part in our You Shape badge which saw each of the Beaver lodges design their own activity which the other lodges took part in over the term. We also finished with a navigator badge style Easter egg hunt which was a little more chaotic than planned but was a lot of fun.

Summer Term

The summer term started with us practicing key Scouting skills such as how to put up a tent and how to light a fire as well as starting to earn our gardening badge and ending the term with the classic 3rd Hanworth water fight. We also were incredibly lucky to be invited to Surrey Scouts Bazzaz which was a lot of fun, we certainly made the most of all the inflatables. We also had our Beaver Camp at Rowallan which saw us take on challenges such as zip wires and climbing.

Autumn Term

We started with a bang with our sleepover at Gullivers Theme Park in Milton Keynes. We had a lot of fun exploring the theme park and challenging ourselves with all the big rides before heading to sleep next door to the theme park which was super exciting for both leaders and Beavers.

The year ended with our usual selection of activities including a church service at St Richards Church with other Beavers and Squirrels from the area of celebrate Christingle, followed by a visit to see Santa on the miniature locomotives at Mizens Railway before celebrating the end of a great year with a 3rd Hanworth Christmas party at Snakes and Ladders.

As always, we have had a fantastic year but none of it would be possible without the help of my wonderful team of Leaders who give up every Wednesday night to come and support my crazy ideas. So, thank you to Amber, Chris, Jade, Jen and Mark. Also, a massive thank you to Henry and Louie our two young leaders who take on every challenge and work incredibly hard each week to help. And a final thanks to Vikki for your continued support with the programme for Beavers, I could not do it without you.

Windsor Beavers Annual Report

Firstly, I'd like to thank Ben Garside for all his help at the beginning of the year. We also introduced a parent rota this year to help bring in some extra adults to help so thank you to all the parents that have helped this year, I really couldn't have run this year without your support. I'd also like to thank Rachel and everyone else in the Tudor colony for the joint camps, meetings and planning support. This year I had the pleasure of awarding 125 badges which is up from last year and an AMAZING 5 bronze awards! A huge well done to all those beavers putting in the hard work to gain those badges but also a well done to all the grown-ups having to sew those badges on!

2025 saw us camping in May – we stayed at Paccar Scout Camp and enjoyed lots of activities like crate stacking and the nightline. We enjoyed the beaver bazaar in June – we were lucky enough to be invited to joy Surrey beavers enjoying inflatables and lots of different activities all put on by different groups within their district. September saw us returning to Gulliver's for a super fun sleeper – we enjoyed all the rides, the dinosaur trail and a campfire. December is always a fun and busy month, it saw us reflecting on the past year at our annual Christingle service, meeting Santa at our Santa special train event and enjoying the end of term at snakes and ladders with all the squirrels, beavers and cubs!

I shan't go through every single meeting we had throughout the year, but I will pick out a few of my favourite meeting to highlight all the fun we have had over the year.

During the first term of the year, we learn about and completed the "global issues" badge we learnt about fairtrade items, endangered animals, recycling and we built an awesome water filter using everyday items (which worked so much better than I thought it would!) we also celebrated world book day, Mother's Day and built mini catapults.

The Summer term saw us pitching tents, making bee houses and enjoying some junk modelling! The summer also brought our annual water games night, a sports day and a joint summer party!

Finally, we come to our autumn term with all its Christmas fun but before that we learn about safety and how to perform some first aid, we also had an evening dedicated to learning some skills such as lighting a candle, ironing a scout scarf and making a phone call! We also had so much fun during our Halloween party it was filled with spooky costumes and lots of giggles! We then finished the year with Christmas themed crafts for everyone to take home!

Panther Cubs Annual Report

Throughout 2025, Panther Cubs has delivered a busy and engaging programme, with young people regularly taking part in a wide range of activities. It has been a rewarding year, full of adventure, creativity, and opportunities for our Cubs to build confidence, develop skills and, most importantly, have fun.

Among the highlights of the year were our theatre trips to *"Scouts! The Musical"* and *"Oliver!"*. *"Scouts! The Musical"* was an amazing opportunity, and travelling to the other side of London was quite the adventure. The energy and enthusiasm from the Cubs made it more than worthwhile, and it was an evening I don't think any of us will forget anytime soon.

In July, the Cubs attended our activity camp, a three-day experience that remains one of the key moments of the year. The camp included a mix of activities such as 10-pin bowling, ice skating and swimming. Based at the HQ, it provided a great opportunity for some of our more nervous Cubs to experience camp life and build independence and resilience, without a tent in sight. The water activities day in July was another highlight, where Cubs developed their paddle sports skills and confidence in the water while working together as a team.

Throughout the year, we also took part in several important community and values-based events. Remembrance Sunday provided an opportunity for reflection and understanding, helping the Cubs appreciate its importance and their role within the community.

Our weekly meetings have continued to offer a varied and engaging programme. Cubs worked towards several badges, including the Space Badge and Communicator Badge. Activities ranged from Team Challenge Night, which focused on collaboration and problem-solving, to Backwards Cooking, where Cubs learned new skills by making bread on a stick. Craft sessions, including paracord work, as well as meetings on Disability Awareness and Personal Safety, have helped Cubs develop practical skills and a broader understanding of the world around them.

None of this would be possible without the continued effort and commitment of the section volunteer team, who give their time week in, week out to plan and deliver such a varied programme. Thanks to Amber, Meg, Jade and Mark for all your help. I would particularly like to thank Akela Jen for her ongoing support to the Panther Cub Pack, alongside leading the Ocelot Cub Pack. The experiences our Cubs enjoy are only possible because of the time and energy given behind the scenes.

To continue offering this level of programme, we are always keen to welcome additional support. Whether helping occasionally, supporting specific events, or getting more involved on a regular basis, any contribution, no matter how small, can make a real difference. We also encourage families to help spread the word about Cub Scouts and 3rd Hanworth Scout Group, so that more young people can benefit from what Scouting has to offer.

Finally, thank you to all our Cubs for their enthusiasm and willingness to get involved in everything we do, and to parents and carers for their ongoing support throughout the year. Together, we look forward to another year of fun and adventure.

Ocelot Cubs Annual Report

This year has been a fantastic and action-packed year for the 3rd Hanworth Ocelot Cubs. The Cubs have taken part in a wide range of activities, learning new skills, gaining confidence, working as a team, and most importantly, having lots of fun along the way.

We have worked on a variety of badges and challenges throughout the year. The Cubs completed **Emergency Aid**, learning important first-aid skills and what to do in an emergency. They also worked on their **Communication Badge**, developing their ability to communicate and work effectively with others.

Our **Practical Skills** activities gave the Cubs the opportunity to learn useful hands-on skills. They also enjoyed making **sew less cushions**, which encouraged creativity and gave everyone something they could be proud of.

Cooking has been a particular favourite. The Cubs took part in a **Ready Steady Cook** challenge, putting their cooking skills and teamwork to the test. They had to think creatively, work together and produce something tasty.

There was plenty of fun and creativity in our **Music Quiz**, where the Cubs tested their musical knowledge and enjoyed competing in teams.

The Cubs also had the opportunity to try **Pioneering**, learning how to use ropes and knots to build structures. This was a great activity for developing teamwork, problem-solving and practical skills.

Our **Air Activities** gave the Cubs the chance to explore the world of aviation, while our **Experiment Badge** encouraged them to investigate, ask questions and discover how things work through practical experiments.

One of the highlights of the year was our visit to see **Oliver! the Musical**. It was a wonderful opportunity for the Cubs to experience live theatre and enjoy a fantastic performance together.

We also had a brilliant **Water Activity Day**, where the Cubs got active, tried new things and enjoyed spending time together outdoors. It was a great day filled with fun, laughter and adventure.

Overall, it has been a very busy and successful year for the 3rd Hanworth Ocelot Cubs. The Cubs have shown enthusiasm, teamwork and a willingness to try new things. From cooking and experiments to pioneering, theatre and water activities, they have had the opportunity to learn and experience something different throughout the year.

We are incredibly proud of everything the Cubs have achieved and look forward to another exciting year of adventures, challenges and fun!

I would like to take this opportunity to thank all the leaders for their continued support.

Spitfire and Zeppelin Scout Troops Annual Report

2025 was a fantastic year for 3rd Hanworth Scout Troops. As always, we have tried to provide a busy programme of activities to

As always, the highlights of the year are the trips and activities which we take part in during the year. The first event was the London Monopoly Challenge which is ever popular with about 8000 people taking part. With each person completing around 15 miles moving around London playing Monopoly against other Scout and Guide Groups.

In early April we were delighted to hold our first camp following the 2024 van fire. This took place in Derbyshire and included a trip to Alton Towers

In July and October, we held water activities days at Rickmansworth Aquadrome which will be a regular part of our Scout Programme.

Our summer camp was to Stone in Staffordshire. This camp held over 5 days in July included cooking, a hike, swimming at Water World and a visit to Drayton Manor theme park. 15 Scouts took part in this even and were supported by 7 leaders.

Our final camp of the year was our Autumn Camp at Paccar. This event included the 16 Scouts visiting Ninja Warrior. Other activities included cooking on fire and some Paccar campsite activities.

Other activities included Climbing at “Rock Up”, Swilling, Golf Range, Dragon Boating, Ice Skating and Orienteering.

We ended the year with a trip to London’s West End to see Oliver! This is an amazing show and enjoyed by all.

Troop meetings included the normal mix of activities including First Aid, Cooking, Camp Skills, DIY, Challenges and games.

During the year over 100 badges were awarded across the troops.

A huge thank you goes to our dedicated leaders: Chloe, Chris, Henry, Rachel, Ryan, William, and all the other committed leaders of 3rd Hanworth. Their invaluable support and hard work have made everything we accomplished possible over the last year. Without their unwavering dedication, the experiences provided to our Scouts would not have been achievable.

Stealth Explorer Scouts Annual Report

It has been a very busy but brilliant year for the Explorers, packed with lots of fun and new adventures.

We started the year with lots of games, team activities and brushing up on some of our skills. We worked on our fire lighting and our pioneering skills and with their teamwork they managed to build a slack line using A frames turned into tripods.

Some of the Explorers took part in the Monopoly Run in London, joining thousands of other groups for a very busy day visiting lots of different landmarks!

We spent some of our weeks being very social and enjoying a trip out bowling and having a baking night which produced some very lovely lemon drizzle loaves and flapjacks!

Our highlight of the year was our first ever Stealth Explorer camp at PACCAR Scout Camp. The Explorers had to cook their own meals, search for firewood and build their own campfire. They did activities such as Tomahawk throwing and the gladiator challenge. Both of which became very competitive! They also took to the trees in the high ropes course, all making it though regardless of the height!

We had some great, themed nights including pet night which welcomed a horse, a hamster, dogs and a cat! As well as a joint Halloween party with another Explorer unit.

The year ended with an incredible trip to see Oliver! The Musical in London!

It's been a great year and hoping 2026 is as good as 2025!

Note:

While Stealth Explorer Scouts are a "District Managed" section. The finances of the unit are also "district" managed and therefore technically not reported at the group AGM. However, while the AGM includes many formal and legal requirements in terms of the 3rd Hanworth charity, it's also an opportunity to review for the year for the whole 3rd Hanworth Community. Stealth Explorer Scout Unit who are very much part of the 3rd Hanworth family. The Financial Accounts for Stealth Explorer Scouts are included in the Thameside Grand Union District Accounts and returns.
