Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Similar to previous years our core activities of holding regular prayer meetings, lectures and seminars for the benefit of the public continued throughout the year. During the year we continued to deliver Islamic religious education classes Monday to Friday in the evenings and in the afternoons during the weekends. The number and range of activities bring provided were maintained at a similar level to previous year. Our programmes for our female community members continue to be very popular and well attended. These activities have been a source and opportunity for our community to come together and provide spiritual and pastoral support to one another. A significant milestone was reached during the year with the completion of the car-park resurfacing work. In addition, we also announced plans on starting a major expansion project for our facilities by building an additional two storeys to the existing building. This will be a multi-year capital project and will require significant support from our donors and volunteers to complete. We are extremely grateful to all our donors who made voluntary donations and also provided qard-al-hasna (interest free loan) to allow us to deliver the objectives of the organisation. We also very grateful to our volunteers for giving their time and effort to ensure that our work and activities continued throughout the year. Future fund raising activities will continue which will enable us to cover routine running costs,

		repay the qard-al-hasna and start work on the expansion project.
