Report of the Trustees
For the year ended 31st December 2025

Financial Review

NVHL generates the majority of its income through the booking of the hall by village societies and organisations. The total income for the year was £33,040 (2024 - £31,775) and total expenditure amounted to £ 32,185 (2024 - £40,641) resulting in net income of £855 (2024 - £8,866 – net expenditure). The bookings for the year 2025 amounted to £ 31,540 compared to £31,775 for the previous twelve months period in 2024.

As at the period end the charity held funds of £30,361 (2024 - £29,506).

Going concern

After making appropriate enquiries the trustees are satisfied that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future, and for this reason they continue to adopt the going concern basis in preparing the financial statements.

Future Plans

Village Hall Website

The Trustees have identified that the Hall is in need of substantial refreshment and has been working with a building/construction consultant to produce a schedule for project refurbishment and funding.

The NVHL website www.nutfieldvillagehall.co.uk shows full details of the facilities and rates applicable together with a calendar showing the dates of booked events so that customers making enquiries can see which days are available. There is a gallery with photographs of the facilities and the latest reviews have now been added to the reviews page. In addition, the "What's On" page shows community events that are happening at the hall.

Reserves policy

The trustees' policy is to maintain general reserves sufficient to cover at least 12 months anticipated recurrent expenditure.

The trustees are satisfied that the current level of general reserve is sufficient to enable the charitable company to continue to operate.

Trustees' responsibilities in relation to the Financial Statements

The charity trustees (who are also directors of Nutfield Village Hall Limited) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice):

Charity law requires the trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
