The Redeemed Christian Church of God King of Kings Community Centre
Report of the trustees for the year ended 31 December 2025

Structure, governance and management
The membership of the Kings of Kings Community Centre (RCCG) Rainham is drawn from the local community, while the management is vested with the board of trustees to whom the pastor as the visionary meets with regularly. The day to day operation is run by the pastor with a bit of delegated authority from the Board. The pastor is assisted by a church leadership team which consists of heads of various departments and they meet at least twice a month to ensure that the church keeps up with what is expected of it.

Membership of the board of trustees in the year under review was increased in line with our diversity policy. As earlier stated, the overall responsibility for the decision of the charity is the board of trustees.

Purpose and aims
The primary objective of the charity is to reach out to people about the Christian faith with focus within the community in various ways and these include;

a). To advance the Christian faith in accordance with the statement of faith appearing in the schedule hereto in London and such other parts of the United Kingdom or the world as the trustees may from time to time think fit.

b). To relieve persons who are in conditions of need or hardship or who are aged or sick and to relieve the distress caused thereby in the said location and in such other parts of the United Kingdom.

c). To consciously function as a mission-focused church to re-evangelise the community.

d). To function as an inclusive enabling vehicle for the re-engagement of the ex-churched and transformation of the non-faith members of the community.

Ensuring our work delivers our aims
We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the year 2024. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. It also enables us to identify solutions for the evolving needs and challenges that emerged in the community within the period. We have referred to the guidance contained in the Charity Commission's general guidance on public set up to help. The review also helps us ensure our aim, objectives and activities remained focused on benefit when reviewing our aim and objectives and in planning our future activities. The trustees consider how planned activities will contribute to the aims and objectives they have set.
The strategies we applied to meet these objectives include:

The focus of our work
Our main objectives for the year continued to be the advancement of the Christian faith, evidently impacting the the community with our community social responsibilities and to strive to improve the living conditions of the needy in our community.

The year under review was really challenging as the result of the invasion of Covid-19 which led to the physical closure of the church building. However, with the swift adjustment and adaptation to the digital platforms, the gospel of our Lord Jesus was propagated un-hindered, smarter and reaching wider audience.

The main activities undertaken during the year to further the charity's purpose for the public and member's benefits.
The year under review was really challenging as the result of the aftermath of Covid-19 invasion which led to physical closure of the church building. With the swift adjustment and adaptation to the digital platforms,the gospel of our Lord Jesus was propagated un-hindered, smarter and reaching a wider audience. However, the return to the physical place of worship after the pandemic became another challenge itself as people became used to online platforms. This invariably made the work of the Pastor in follow-up and mentorship challenging as well as affecting other outdoor activities of the church. Despite the above limitations, the charity effectively delivered on the objects of the Charity within the year in the following ways.

The Redeemed Christian Church of God King of Kings Community Centre
Report of the trustees for the year ended 31 December 2025

a) Public Benefit: In carrying out our social corporate responsibilities, RCCG King of Kings Community Centre executed real benefits to the community through the lifesaving project (Rainham Foodbank) seeded by the Church in 2011. We were able to provide food parcels to over 9,000 people in the community between January and December 2024 in our geographical coverage of Havering, Dagenham and part of Thurrock Councils. In addition to the emergency food parcels, Rainham Foodbank partnered with Felix Project and provided over 160 tons of nutritious Farm products collected directly from local farmers and supplied to members of the community through our FFFF(Free Fresh Food Friday) project. As the name implies, it is completely free for anyone in the Community and no voucher was required.

b) More Than Food Projects: The Redeemed Christian Church of God King of Kings Community Centre alongside Rainham Foodbank, provided other public benefit activities to the community as follows : Sewing Project, Advocacy, Basic English skills for refugees, Counselling, Financial Inclusion (benefit advice services, budgeting , Money and debt management)

c) Warm Space: The Church supported the breakfast Club and Warm Space initiative set up in the church hall during winter of 2024 to provide warm space. This platform evidently helped to build community network, cohesion and break silos while helping to reduce the challenges of isolation and loneliness in the community.

d) Community Outreach and Summer Event: King of Kings Community centre in the year under review sponsored and held BBQ summer event for members of the community. Over 500 members of the community attended the summer event and were all served with free BBQ. The success and positive impacts of this initiative in community spiritually, socially and psychologically has now made the Church to establish this initiative as a community annual event.

e) Church Retreat: In line with the vision of the church 'building healthy and rapturable Christian community', the leadership of the Church organised and sponsored a retreat for members of the Church at Ashburnham Conference centre with the title 'Recharge 2024'. Facilitators/experts were drawn from different facets of human development, spiritual, health, business and career development. Again, this event is now a fixed annual event.

f) Pastoral Care and Development: By the special grace of God**,** the Church had experienced spiritual, numerical and financial growth. The weekly and timely spiritual retreats, events have contributed immensely in the spiritual development and maturity of members.

Financial review

The charity raised a total income of £27,071 as against £22,802 in 2024. The net movement in funds for the period, as shown in the statement of financial activities, for the period was £333 (loss of £7,542 in 2024). The value of the net assets as at 31 December 2025 is £337.

Principal funding sources

The principal funding sources for the charity are currently by way of donations and gifts from congregants made during church services and through bank standing orders. We have exercised our right to reclaim the tax on the donations and gifts received from the congregants and this has proved a steady and growing source of additional income.

Reserves policy

The board of trustees has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 3 and 6 months of the expenditure.

The expenditure for the year is £26,738 resulting in a surplus of £333. The reserves are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. This general reserve policy was met in the year under review.

Appointment of trustees

The trustees who are also charity trustees for the purposes of charity law are in charge of the strategic direction of the charitable trust. Under the requirements of the Declaration of Trust the trustees are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting.

All trustees give their time vouluntarily and receive no benefits from the charity.

Due to the nature of church work, trustees appointed have been so selected on the basis of their faith, strength of character, skills set in the area of business management and growth and commitment to the vision of the charity.

Trustees induction and training

Most trustees are already familiar with the practical work of the charity having been friends of the church for a number of years. Additionally, new trustees are invited and encouraged to function in the capacity as friends of the church in order to understand the offerings of the church and its market.

Additionally new trustees would be invited as required and encouraged to attend a series of short training themselves with the charity and the context within which it operates. These sessions would be jointly led by the Chair of trustees and the Chief Executive or Senior Pastor of the charity and cover:

- The obligations of trustees
- The main documents which set out the operational framework for the charity including the Declaration of Trust
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

A question & answer pack would be prepared which draws information from various Charity Commission publications signposted through the Commission's guide "the Essential Trustee" as a follow up to these sessions. This will be distributed to all new trustees along with the Memorandum and Articles and the latest financial statements.

Risk management
The trustees have identified the major strategic risks to which RCCG King of Kings Community Centre are exposed and established controls and actions to mitigate them. Each year, risk assessments are carried out and subject to continual review and monitoring. The trustees take all appropriate steps to moderate and manage the inevitable operational risks to which volunteers staff and assets of RCCG King of Kings Community Centre are exposed. Competence-based training for volunteers, employers liability insurance, monitoring of new legislative requirements are examples of steps taken. In particular there are policies and procedures for children and vulnerable adults protection and for health and safety risks. Furthermore a risk register is to be established and updated at least annually.

Future plan
The King of kings Community Centre has been of huge benefits to the community in the areas of restoration of dignities to people, provision of emergency food to members of the community which in turn helps to reduce family breakdown, housing loss, crime and mental health problems, helps to elevate the prevailing challenges of isolation, loneliness, hunger, rejection, frustrations and lack of the basic needs within our community. This is in line with the founding vision of the centre which is raising a healthy and rupturable Christian community.

The church will continue in the restoration of hope at this challenging moment and initiate community/volunteer led project to meet the emerging need while advancing the Kingdom of God on earth.

We continue to appreciate God for His faithfulness and all the people who are supporting us in this spiritual revival and life changing community project.

Following the success of the Youth programme and praise harvest which rejuvenated full participation and involvement of the Youths in all activities, KKCC is re-strategizing to give Youth the opportunity to hold another service weekly where they can effectively express themselves while building spiritual resilience to cope with the prevalence challenges facing their generation.

Constitution and objects
The Redeemed Christian Church of God, King of Kings Community Centre is constituted under a trust deed dated 28 November 2010 and is a registered charity (Charity No 1143897).

The Redeemed Christian Church of God King of Kings Community Centre

Report of the trustees for the year ended 31 December 2025
Responsibilities of the trustees

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable trust as at the balance sheet date and of its incoming resources and applications of resources, including income and expenditure, for the financial year. In preparing those financial statements the trustees should follow best practice and

- Select suitable accounting policies and then apply them consistently;

- Make judgements and estimates that are reasonable and prudent; and

- Prepare the financial statements on the on going basis unless it is inappropriate to presume that the charity will continue on that basis.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the board of trustees

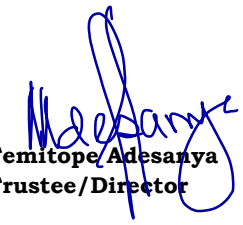

Members of the board of trustees, and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with charity law, as trustees, we certify that:

So far as we are aware, there is no relevant information of which the company's accountants are unaware and as the trustees of the charity we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's accountants are aware of that information.

This report has been prepared,

By order of trustees:

Temitope Adesanya
Trustee/Director

26th September 2026

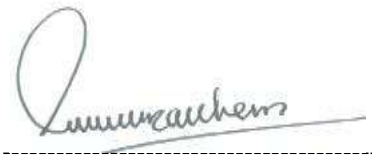

The Redeemed Christian Church of God King of Kings Community Centre
Independent examiner's report for the year ended 31 December 2025

I have examined the financial statements, which comprise the financial activities, the balance sheet, the related notes and the accounting policies of RCCG, King of Kings Community Centre for the year ended 31st Dcember 2025.

Respective responsibilities of trustees and independent examiner
As described on page 5, the trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Scope of examination
I conducted my examination in accordance with directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act. An examination is limited to enquiries of the charity's personnel and analytical and review procedures applied to financial data and this provides less assurance than an audit. I have not performed an audit, and accordingly, I do not express an audit opinion.

Independent examiner's statement
In connection with our examination, no matter has come to my attention:
1. Which gives me reasonable cause to believe that in any material respect the requirements:
• To keep accounting records in accordance with section 130 of the 2011 Act; and
• To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
2. To which in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 December 2025 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:
The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The financial statements were approved by the board on 26th September 2026 and signed on its behalf by:

Temitope Adesanya
Trustee/Director

The notes on pages 10 to 14 form part of these financial statements.

The Redeemed Christian Church of God King of Kings Community Centre
Notes forming part of the financial statements for the year ended 31 December 2025

1. Accounting policies
The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(a) Basis of accounting
The financial statements have been prepared under the historical cost convention, as modified by the inclusion of fixed assets investments at market value, and in accordance with the Companies Act 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in January 2015.

(b) Fund accounting
Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds may include a revaluation reserve representing the restatement of investment assets at market values where applicable. Designated funds are unrestricted funds earmarked by the trustees for particular purposes. Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Incoming resources
All incoming resources are included in the statement of financial activities (SoFA) when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income. Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants, where delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified.
Invested income is included when receivable.
Incoming resources from charitable trading activity are accounted for when earned.
Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Resources expended
Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates: Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes. Charitable expenditure comprises those costs incurred by the charity in the delivery of its aims and objectives, and charitable activities and the costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to strategic management of the charity. All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource.

(e) Fixed assets
Fixed assets (excluding investments) are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £100 are not capitalised. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life, which in all cases is estimated at 4 years.

2. Donations
