1. CHAIR’S REPORT

The Trustees present the Annual Report of Discover Islam Europe Limited for the year ended 31 December 2025.

During 2025, Discover Islam continued to deliver educational and community activities in accordance with its charitable objectives. The charity's work remained focused on providing the public with opportunities to learn about Islam, encouraging mutual understanding and supporting constructive engagement between communities.

The year included school visits, exhibitions, open days, mosque and community engagement, literature distribution, volunteer activity and continued development of the charity's internal and digital systems.

The Trustees recognise that the figures in this report include both recorded activity and reasonable estimates of attendance or engagement. Where an estimate has been used, this is identified in the report rather than presenting the figure as a count of unique individuals.

The Trustees are grateful to the staff, volunteers, partners and supporters who contributed to the charity's work during the year.

2. ABOUT DISCOVER ISLAM

Discover Islam Europe Limited is a UK registered charity established to promote better understanding of Islam and to contribute towards religious harmony through education, public engagement and the provision of accessible information.

The charity's objects include promoting religious harmony for the benefit of the public by educating the public in the Islamic faith, including awareness of distinctive features of other faiths and their common ground with Islam, and by promoting knowledge, mutual understanding and respect of the beliefs, practices and culture of those of the Islamic faith.

The charity delivers its work through educational presentations, exhibitions, community engagement, Islamic literature and resources, mosque engagement and related educational initiatives.

3. OUR VISION AND MISSION

Vision

A society in which people have access to accurate information about Islam, enabling greater understanding, mutual respect and positive relationships between communities.

Mission

To provide accessible and authentic educational opportunities about Islam and to encourage understanding and dialogue between people from different backgrounds and faiths.

4. ACTIVITIES AND IMPACT IN 2025

During 2025, Discover Islam continued its educational and community activities in accordance with its charitable objectives. The figures below are based on the charity's activity records and, where indicated, reasonable estimates of attendance or engagement.

4.1 School Visits and Educational Outreach

During 2025, Discover Islam delivered 75 school visits.

The visits provided pupils with opportunities to learn about Islam, its beliefs and practices, and the experiences of Muslim communities. Sessions also allowed pupils to ask questions and engage directly with presenters.

The charity estimates that more than 5,000 pupils and associated members of the school community were reached through these visits. The estimate is based on the number of visits and typical attendance. Many visits involved approximately 30 pupils, while around 20 schools hosted sessions involving two classes, with approximately 60 pupils attending. In some cases, teachers and parents were also involved.

The figure is therefore an estimate of the number of people attending the educational sessions rather than a count of unique individuals.

4.2 Exhibitions

Discover Islam delivered 10 exhibitions during 2025. The exhibitions provided members of the public with opportunities to learn about Islam through visual and educational displays and to ask questions in an informal setting.

Attendance varied according to the location and type of event. Exhibition engagement is included within the charity's wider community engagement figures where appropriate.

4.3 Open Days

The charity held 4 open days during the year. These events provided opportunities for members of the public and local communities to visit, learn more about Islam and engage with members of the Muslim community.

4.4 Mosque and Community Engagement

A significant part of the charity's community engagement during 2025 took place through visits to mosques, particularly during Ramadan.

Discover Islam visited more than 25 mosques during Ramadan to introduce members of the congregation to the charity's work and its projects.

Based on an estimated average congregation of approximately 1,000 people per mosque, these visits represent an estimated 25,000 or more engagements.

In addition, the charity's exhibitions and open days generated further public engagement. Taking these activities together, Discover Islam estimates that its non-school mosque and community engagement during 2025 exceeded 40,000 engagements.

This figure represents estimated opportunities for engagement and should not be interpreted as 40,000 unique individuals, as some people may have encountered the charity on more than one occasion.

4.5 Literature Distribution

During 2025, Discover Islam distributed more than 10,000 pieces of Islamic educational literature and related materials.

The materials were used as an accessible means of providing members of the public with introductory information about Islam and supporting conversations arising from the charity's educational and community activities.

4.6 Volunteers

More than 100 volunteers contributed to Discover Islam's activities during 2025.

Volunteers supported activities including school visits, exhibitions, community engagement, literature distribution, events and general operational activities.

The Trustees recognise the contribution made by volunteers and the role they play in enabling the charity to undertake activities beyond what could be achieved by its employed staff alone.

4.7 Partnerships

During 2025, Discover Islam established 10 new partnerships with organisations relevant to its charitable activities.

These partnerships supported the charity's ability to engage with schools, mosques, community organisations and other groups. The Trustees view partnership working as an important means of extending the charity's reach while avoiding unnecessary duplication of services.

4.8 Website and Digital Development

During the year, the charity continued to develop its website and digital infrastructure.

Work included improvements to the presentation and accessibility of information about the charity's activities, projects and resources. The charity also continued to consider how digital resources could complement its face-to-face educational and community work.

4.9 CRM and Organisational Improvements

During 2025, Discover Islam made improvements to its internal systems and organisational processes, including the continued development of its CRM and associated methods of recording contacts, activities and engagement.

These improvements were intended to provide the charity with better information about its activities, improve coordination and provide a stronger basis for monitoring outcomes.

The Trustees recognise that improving systems is an ongoing process and that the value of these changes will depend on their consistent use and continued development.

5. NEW INITIATIVES

During 2025, the charity also began developing a number of initiatives intended to strengthen its existing work and respond to identified needs.

- Development of new educational and community resources.
- Exploration of improved formats for exhibitions and public engagement.
- Development of digital and audio-accessible resources.
- Improvements to the charity's literature programme.
- Development of stronger support for mosque and community partners.

- Work towards a more structured approach to monitoring activities and their outcomes.

Some of these initiatives remained at the development stage during 2025 and are expected to be progressed further during 2026.

6. FUNDRAISING

Fundraising during 2025 supported the charity's educational, community and operational activities.

The charity continued to seek voluntary donations and support from individuals and organisations who wished to contribute towards its charitable work.

The Trustees continued to monitor fundraising activity and expenditure to ensure that funds were applied towards the charity's stated objectives.

Financial details, including income, expenditure and funds held at the year end, are contained within the charity's financial statements.

7. Financial Review - 2025

Total income for 2025 was £173,059 (2024: £80,876). Total expenditure was £164,549 (2024: £94,174), resulting in net income of £8,510 compared with a deficit of £13,298 in 2024. The year-end unrestricted funds position improved from a deficit of £7,104 at 31 December 2024 to positive unrestricted funds of approximately £1,406 at 31 December 2025.

Income increased materially during the year, reflecting higher fundraising and donation activity. Expenditure also increased as the charity expanded its educational, fundraising and community programmes. The Trustees continue to monitor the relationship between activity levels, expenditure commitments and available cash resources.

At 31 December 2025 cash at bank was approximately £2,462 (2024: £11,188) and creditors due within one year were approximately £1,056 (2024: £18,520). Although the balance sheet returned to a positive net asset position, liquidity remains modest and close cash-flow management remains important.

Financial highlights	2025 £	2024 £
Total income	173,059	80,876
Total expenditure	164,549	94,174
Net income/(expenditure)	8,510	(13,298)
Funds carried forward	1,406	(7,104)
Cash at bank	2,462	11,188
Creditors within one year	1,056	18,520

8. CHALLENGES DURING 2025

The Trustees recognise that delivering charitable activities at scale presents a number of practical and organisational challenges.

Capacity

The level of activity required effective coordination of staff, volunteers, schools, mosques and other partners. Maintaining sufficient capacity while ensuring that activities remained properly organised was an ongoing challenge.

Consistency of data

As the charity expanded its activities, improving the consistency of recording attendance, engagement and outcomes became increasingly important. The development of the CRM and internal systems was partly intended to address this.

Measuring impact

The charity was able to record the number of activities delivered, but measuring the longer-term effect of those activities remains more difficult. Attendance and engagement figures provide useful information but do not by themselves demonstrate changes in knowledge, attitudes or understanding.

Sustainability

The Trustees continued to consider how the charity could maintain and develop its activities while ensuring that expenditure remained appropriate to available resources.

Balancing growth and quality

Increasing the number of activities and partnerships needs to be balanced against the charity's ability to maintain the quality, accuracy and consistency of its educational work.

9. LESSONS LEARNED

The Trustees identified several areas for continued improvement from the charity's experience during 2025.

- Better data collection is necessary as the charity's activities increase. Recording attendance, engagement and outcomes consistently will enable the Trustees to assess the charity's work more accurately.
- Partnerships require ongoing management. Establishing a partnership is only the beginning; maintaining communication and understanding each partner's expectations is important to achieving useful outcomes.
- Volunteer coordination needs to develop alongside volunteer numbers. As the volunteer base grows, clearer roles, communication and support become increasingly important.
- Face-to-face engagement remains an important part of the charity's work, while digital resources can complement this by allowing people to access information beyond individual events and presentations.
- Activity numbers alone are not sufficient measures of charitable impact. During 2026, the charity intends to improve the way it evaluates the outcomes of its educational and community activities.

10. PUBLIC BENEFIT

The Trustees confirm that they have had regard to the Charity Commission's guidance on public benefit when reviewing the charity's aims and activities.

Discover Islam's activities provide public benefit by making information about Islam available to the wider public and by creating opportunities for education and dialogue between people of different backgrounds and faiths.

The charity's educational presentations enable young people to learn about Islam in an appropriate educational environment. Its exhibitions, literature and community activities provide members of the public with opportunities to access information, ask questions and develop a better understanding of Islamic beliefs and practices.

The Trustees consider that these activities contribute towards the charity's objective of promoting religious harmony, mutual understanding and respect.

11. GOVERNANCE AND MANAGEMENT

Discover Islam Europe Limited is a charitable company limited by guarantee, incorporated on 1 June 2010 and registered as a charity in England and Wales on 2 March 2012. The charity is governed by its Memorandum and Articles of Association. The Trustees are also directors of the company for the purposes of company law.

The Trustees are responsible for the overall governance, strategic direction and financial oversight of the charity.

The Trustees meet to review the charity's activities, finances, risks, governance and future plans. Day-to-day activities are delegated to the charity's management and operational team within the authority and controls established by the Trustees.

The Trustees seek to ensure that decisions are made in the best interests of the charity and in accordance with its charitable purposes. Trustees are appointed in accordance with the Memorandum and Articles of Association. New Trustees receive appropriate induction covering the charity's objects, governance arrangements, financial position, key policies and the Charity Commission guidance The Essential Trustee. The Board keeps its skills and training needs under review.

12. SAFEGUARDING

Safeguarding is an important responsibility for Discover Islam, particularly because the charity's educational activities involve children and young people.

The charity maintains appropriate safeguarding procedures and seeks to ensure that staff and volunteers understand their responsibilities. Safeguarding considerations are incorporated into the planning and delivery of activities involving children and other potentially vulnerable beneficiaries.

The Trustees recognise their responsibility to maintain an environment in which beneficiaries, staff and volunteers are treated with dignity and protected from harm.

13. TRUSTEES

Trustees serving during the reporting period:

- Sameh Ramadan — Chair
- Naif Sheikh BSc Hons — Trustee

The Trustees serving during the reporting period were Sameh Ramadan (Chair) and Naif Sheikh BSc Hons (Trustee). The Board is responsible for governance, strategy and financial oversight and delegates day-to-day operations to management within the authority and controls approved by the Trustees.

14. RESERVES

The Trustees have adopted a reserves policy with the objective of building free reserves equivalent to approximately six to nine months of normal operating expenditure. This is intended to provide resilience against fluctuations in income, unexpected costs and short-term funding gaps.

At 31 December 2025 unrestricted funds and free reserves were approximately £1,406 (2024: deficit £7,104). This is materially below the policy target. The Trustees therefore intend to continue strengthening fundraising, controlling commitments and rebuilding reserves over future periods. The reserves policy and target will be reviewed regularly in light of the charity's activities and financial circumstances.

Reserves at 31 December 2025: approximately £1,406 unrestricted/free reserves. Policy target: six to nine months of normal operating expenditure. The current level is below target and the Trustees are working to rebuild reserves.

15. RISK MANAGEMENT

The Trustees have responsibility for ensuring that appropriate systems are in place to identify, assess and manage significant risks facing the charity.

- Financial sustainability
- Safeguarding
- Health and safety
- Data protection
- Cyber and information security
- Reputation
- Operational continuity
- Fundraising
- Volunteer management
- Compliance with legal and regulatory requirements

The Trustees consider that appropriate procedures are in place to manage the principal risks facing the organisation, while recognising that no system can eliminate all risk. Particular financial attention is given to cash-flow forecasting, the low level of free reserves, fundraising performance and control of expenditure commitments. The Trustees have reviewed the charity's expected income and expenditure and consider the going concern basis appropriate, subject to continued monitoring of cash resources and fundraising during 2026.

16. PLANS AND PRIORITIES FOR 2026

1. Strengthen organisational systems

Continue improving governance, administration, CRM, data management and internal processes.

2. Develop educational outreach

Maintain and, where appropriate, expand the school visit programme while continuing to improve the quality and consistency of presentations.

3. Improve measurement of outcomes

Move beyond simply recording activities and attendance towards measuring what participants learn and how effectively the charity's activities meet their intended objectives.

4. Develop exhibitions and resources

Review and improve exhibition materials, literature and digital resources to ensure that they remain accurate, accessible and appropriate for their audiences.

5. Strengthen partnerships

Develop existing relationships and establish appropriate new partnerships with schools, mosques, community organisations and other relevant bodies.

6. Develop volunteer capacity

Improve volunteer recruitment, induction, training, coordination and support.

7. Improve digital engagement

Continue developing the website, digital resources and systems supporting the charity's educational work.

8. Maintain financial sustainability

Continue developing appropriate fundraising activity while ensuring that charitable expenditure remains focused on the charity's objectives.

17. TRUSTEES’ RESPONSIBILITIES

The Trustees, who are also directors of the charitable company for the purposes of company law, are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including FRS 102 and the Charities SORP (FRS 102).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources for that period. In preparing those financial statements, the Trustees are required to select suitable accounting policies and apply them consistently, observe the methods and principles of the Charities SORP, make reasonable and prudent judgements and estimates, state whether applicable UK accounting standards have been followed, and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time its financial position, and to enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

18. APPROVAL

This Trustees' Annual Report, which also serves as the Directors' Report for the purposes of company law, has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime. The Trustees approve the Annual Report and the financial statements for the year ended 31 December 2025.

Independent Examiner's Report

To the Trustees of West London Islamic Cultural Centre for the year ended 31 December 2025

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2025.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Accounting Technicians in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the charity as required by section 130 of the Act; or

2. The accounts do not accord with those records; or

3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

1. Accounting policies

Basis of preparation: The financial statements have been prepared under the historical cost convention in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Charities SORP (FRS 102) second edition applicable to accounting periods beginning before 1 January 2026, the Companies Act 2006 and the Charities Act 2011. The charity is a public benefit entity.

Going concern: At 31 December 2025 the charity had positive net assets of approximately £1,406 but a low level of cash resources. The Trustees have considered expected income, planned activities and expenditure commitments and consider the going concern basis appropriate, subject to continued close monitoring of cash resources, fundraising and expenditure during 2026.

Income recognition: Donations and other voluntary income are recognised when the charity has entitlement to the income, receipt is probable and the amount can be measured reliably. Income from charitable activities and fundraising is recognised when the related activity has taken place and the charity is entitled to the income. Gift Aid is recognised when receivable in respect of qualifying donations.

Expenditure recognition: Expenditure is recognised on an accruals basis when a legal or constructive obligation exists, settlement is probable and the amount can be measured reliably. Expenditure is allocated between raising funds and charitable activities and includes an allocation of support and governance costs where appropriate.

Tangible fixed assets: Tangible fixed assets are stated at cost less accumulated depreciation and impairment. The existing fixtures, fittings and equipment were previously depreciated using a 25% reducing-balance basis. During 2025 the remaining carrying value was fully depreciated.

Fund accounting: Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the charity's objectives. Restricted funds are subject to restrictions imposed by the donor or the terms of an appeal. No restricted fund balances are shown in the 2025 workbook supplied.

Cash and creditors: Cash comprises balances held at bank. Creditors are recognised at the amount expected to be paid where the charity has a present obligation arising from a past event.

Pension costs: Contributions to defined contribution pension arrangements are charged to the Statement of Financial Activities in the period to which they relate.

Taxation: As a registered charity, the charitable company is generally exempt from corporation tax on income and gains applied to charitable purposes.

2. Analysis of income

	2025 £	2024 £
Standing orders / general donations	11,881	11,425

10. Trustees and related party matters

The accounting records include £18,000 described as "Support From Trustees" within income. This amount has been treated as unrestricted income in these financial statements. The Trustees should confirm the identities of the contributors, the nature of the support and whether any conditions were attached.

The ledger also includes £2,335 described as "Received from DI Limited" and expenditure of £5,116 described as "Connection of Hope". The Trustees should confirm whether these organisations are related parties or connected organisations and whether any additional disclosure is required.

No Trustee remuneration has been identified from the trial balance supplied. Trustee expenses, benefits and transactions with connected persons should be confirmed before the financial statements are approved.

11. Taxation

Discover Islam Europe Limited is a registered charity and is generally exempt from corporation tax on income and gains to the extent that they are applied to charitable purposes.

12. Post balance sheet events

No material post balance sheet events have been identified from the information supplied. The Trustees should confirm this position up to the date on which the financial statements are approved.

13. Company status

Discover Islam Europe Limited is a charitable company limited by guarantee, incorporated in England and Wales. The company number is 07269783 and the charity registration number is 1146212.
