BLOOD BIKES NICU SUPPORT
Charity Registration No. 1146776

I am pleased to announce that despite the continuing challenging times, Blood Bikes NICU Support have once again continued to improve year on year. I am very proud to say that this year we were instrumental in increasing the amount of donor breast milk we collect and distribute for the NHS South West Neonatal Network once again. Donor breast milk is vitally important to premature and sick babies and can greatly increase their survival chances if born before 32 weeks. Throughout 2024/5 we again successfully maintained and further improved our pro-active bespoke donor breast milk service to all the 12 HS Neonatal hospitals we support throughout Avon & Somerset, Cornwall, Devon, Gloucestershire and Wiltshire. I am also delighted to confirm that Cadbury's, the CV10K and HOTS Cycle Events continue to support us with funding with a longer term view of further improving the service and procedures we use further afield, their help has once again been absolutely vital during these continuing unprecedented times.
