ACTIVITY REPORT

THE REDEEMED CHRISTIAN CHURCH of GOD Christ Assembly Parish experienced a remarkable growth and encouraging year. 2025 was started by the church by reaching out to the community.
In the month of January, the church had a community outreach programme title 'Church-on-the-move'. In this programme, the workers in the church along with some members of the youth department took evangelism flyers for distribution throughout the Southmead and part of Henbury community. The programme was a great success and well received by the community of Southmead.

February 2025: A hymn night was held. It is a night where the church choir rendered glorious hymn worship. Members of Southmead community participated. The Mayor of Salisbury was in attendance. Also, the youths in the church had activity of sports within the Southmead community. The youths in the church invited friends to come and participate in the thought-provoking programme. The youths were provided with ample refreshments and the ability to socialise in a relaxed environment.

March 2025: Christ Assembly Parish had the annual workers training and skill development for workers. The training was in-house. 'Workers-in-Training' programme is where we teach the upcoming workers the attributes of a Christian worker in the church according to the doctrine of THE REDEEMED CHRISITIAN CHURCH of GOD. The programme also targeted at the current workers to refresh their knowledge concerning the attributes of a good worker in the church. Our teachers also used the opportunity to give strategies towards managing conflicts and good communication skills as well as customers relations.

April 2025:, Outreach programme was organised and areas such as Bentry; Henbury were visited spreading the good news of Easter period. Gifts and food items were given to people in Southmead. A programme titled "Love thy- Neighbour" was organised focussing giving food and toiletries to the needy and older people in the community.

May 2025: We held our annual 24-hour prayer program at the church. This was well received by Southmead community as there was more opportunity for counselling, teaching and songs of praise being presented in a glorious manner. Also, Christ Assembly Parish had its Good women empowerment programme that was centred on good parenting skills as well as caring for our loved ones. Our teachers, including invited teachers, gave teachings on how families and individuals could improve communication and demonstrate compassion and love. Teaching was also given to newly married couples. We also encouraged the members of the community the importance of love and the fear of God and how to handle sensitive reports from their children and about their children. Teaching on family and personal economy was done.

July 2025: The parish held the summer praise night, which was a music concert, an annual gospel community concert for the North Bristol community. The programme was to collectively praise God continuously for the night. Southmead community and people far and wide were in attendance. Prior to this, the church had a big evangelism programme in the city centre. The praise night programme involved significant amount of dedication as the Choir department had spent months rehearsing for the programme. Also, the women's department devoted their time into decorating the church in time for the programme. The men's department were actively involved, in terms of logistics, ensuring that people working in the church late in the evening were transported home safely. The event was a success and those in attendance left with the feeling of hope, joy, and worship as was the intention of the programme. Also, in July the Men's Fellowship of the church champion the Bristol Barbecue Gospel outreach. In July 2025, the expanded by acquiring two more spaces and a lot of construction and refurbishment was started.

September 2025: The month of new academic year, Christ Assembly Parish carried out an Out-reach programme targeting the university campus. A welcome pack was given to the students and church information flyers were distributed to student. The University of West of England Frenchay Campus as well as the University of Bristol were visited. This was also like the 'Church-on-the-move' targeted at Filton community.

December 2025: was time for Christmas and end of year thanksgiving. A Christmas carol programme was organised. As this programme is always well received by members of Southmead community every year, every department in the church showed significant commitment to ensure a great success of thew programme. The children in the children's department rehearsed with their teachers the event they would perform on the day, and the choir also devoted their time to intense rehearsals for the event. There were specific workers chosen from each department to read a passage from the bible concerning the birth of Jesus Christ, who is the theme at every single Christmas carol hosted by Christ Assembly Parish. There was a Christmas party and dinner for both members Southmead community and members of the church. All the children in attendance were presented with gifts. There was bible quiz contest during the programme Christmas gifts were given to people in community and less privilege – the homeless were given some special packs. On the 31st of December, the church had its New Year's Eve vigil in which members of the Southmead community attended to pray into the New Year with Christ Assembly Parish. The activity included praise and worship as well as prayers for the New year 2026.
