GODWIN LAWSON FOUNDATION
Report of the Trustees
For the year ended 31 March 2026

Godwin Lawson Foundation (GLF) trustees are pleased to present their annual report and independently examined financial statements for the year ended 31st March 2026.

The financial statements comply with the Charities Act 2011, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Governance, Structure and Management
Godwin Lawson Foundation was registered as a charity on 30th November 2012. The charity is governed by its Constitution. The trustees are appointed or reappointed annually at the Annual General Meeting. Appointment and retirement of trustees is in accordance with the Articles of Association. The trustees give their time voluntarily and received no benefits from the charity.

The overall management of finance is the responsibility of all the Trustees acting on the recommendations of the Chairperson, the Treasurer and the senior staff. The Trustees form the Management Committee who meets regularly to oversee the running of the organisation.

Background
Godwin Lawson Foundation (GLF) is a highly impacted community-based organisation in Haringey, London where we have been working for 9 years. We are well established and serve the deprived ward and disadvantaged Children & Young people and families of Haringey and Enfield.

Charitable Objects:
The organisation main charitable objects are to: -
To advance the education of young people in social issues and cultural diversity in particular but not exclusively through leisure time activities so that they can develop their capabilities and grow into tolerant, fully matures individual members of society with a respect for the uniqueness of others.

Our Mission
The Godwin Lawson Foundation exists to reduce gang, gun, and knife crime by encouraging young people to recognise their talents, fulfil their potential, and contribute positively to their communities. We aim to create safer, stronger neighbourhoods by:

- **Supporting** young people to identify their passions, enhance decision-making, and achieve their full potential.
- **Investing** in initiatives that reduce gang involvement and promote positive opportunities.
- **Implementing** projects that divert young people from gang lifestyles and prevent further involvement.
- **Raising awareness** of the impact of violence and the positive role that sport, education, and mentoring can play in challenging gang culture

Message from the CEO and Founder

It gives me great pride to share the Godwin Lawson Foundation's annual report for 2025-26. This has been a year of building: building young people's confidence and voice, building support around families, and building the foundations GLF needs to grow.

We completed Propel 1, our mentoring programme across Haringey, Enfield and Waltham Forest, and secured Propel 2, a longer-term programme that brings schools, parents, youth services and young people together across all three boroughs.

Home Cooked continues in Northumberland Park, and through our Parent Champions Carers Network, parents and carers are supporting one another to help children feel safe at home and in their community. Young people are shaping our work more than ever, through Youth Echo, our Peace Ambassadors, the Young Speakers Network and our new Youth Advisory Board.

We set out our 2026 to 2029 strategy, which commits us to growing our income to £500,000, creating salaried roles and investing in independent evaluation. We now have a full fundraising strategy and are making the changes needed to strengthen our income, including commissioned work with school networks and the Youth Justice Service, and growing corporate sponsorship and donor support.

I am grateful to everyone who has supported us: funders, community partners, schools, parents, volunteers, trustees and young people themselves. Together, we are breaking barriers and building futures. Godwin's legacy lives on in the hope, courage and determination we inspire in others.

CEO & Founder

Activities

GLF has a strong reputation not only for frontline delivery but also for shaping the wider policy landscape around youth violence prevention.

- **Mayor of London and GLA engagement:** GLF continues to take part in City Hall initiatives and the Mayor's Violence Reduction Unit network, sharing the lived experience of families affected by knife crime and the need for community-led solutions. We have recently added a focus on supporting families and victims of harm, and hope to secure funding for this through MOPAC.
- **Consortium bids:** GLF was invited to join a consortium supporting the Mayor of London's plan to bring youth clubs back to London. Our main role will be to staff three centres with our trained mentors.
- **Cross-borough leadership:** through Propel 2, GLF leads a Steering Group of schools, youth services, parent groups and community partners across Haringey, Enfield and Waltham Forest. Together we found that the biggest gaps are trauma-informed support for families and a shared language for working with children. Schools also asked for support with a structured de-escalation approach.
- **Local partnerships:** GLF works closely with Haringey Council and local services on safeguarding, school exclusions and community safety, including Haringey Youth Justice Service, Haringey Early Help and Waltham Forest Youth Services.
- **National advocacy:** GLF continues to call for stronger action on dangerous weapons, investment in safe spaces and long-term funding for grassroots prevention.

We are achieving the objectives, outputs, and outcomes of these projects thanks to the generous support of our funders, and the dedication of our sessional staff and volunteers. Beneficiary feedback has been overwhelmingly positive, and we are using insights from monitoring to shape future initiatives. Please check our detailed impact report for more information about Godwin Lawson Foundation achievements.

Future Plans

The organisation is on track to achieve all planned outcomes and remains committed to delivering its objectives. To meet the growing demand for our services, we will continue fundraising efforts to ensure sustainability and impact. We are also actively recruiting trustees and volunteers to strengthen our management and enhance our administration.

Risk management

The trustees have a risk management strategy which comprises:

● an annual review of the principal risks and uncertainties that the charity undertakes.

● the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and

● the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

The Trustees constantly review risks relevant to the charity. Any risks identified are reported to the Trustees and decisions made on how to minimise risk.

Financial Review

GLF's funding sources are both from restricted and unrestricted sources. This year we were successful in bringing in restricted funds of £368,193 (£218,633 in 2024-25) from various funders of which £126,654 were from local government grant funding. Unrestricted Funds of £ 48,480 include £25,000 and £21,000 of core capacity building support from Postcode Society Trust and City of London Fund respectively, £2,480 from general donation. Our free reserves stand at £58,349 this year which is in line with our targeted reserve policy.

Reserve's policy and Going Concern

Godwin Lawson Foundation (GLF) is committed to maintaining a level of reserves that is sufficient to meet ongoing liabilities and all service delivery commitments, as well as ensuring the long-term future of the charity. GLF adopts a reserves policy that seeks to balance these priorities by holding a level of reserves sufficient to: Ensure the availability of sufficient working funds, provide a buffer in case of unexpected loss of income to ensure that services can be maintained and provide sufficient funds to allow the organisation to wind up while meeting its obligation to staff and service users should the organisation be forced to close.

The Board has approved a policy whereby the unrestricted funds not committed, should be held in reserve and maintained at a level which ensures that GLF's core activity could continue during a period of unforeseen difficulty. The target reserve amount represents at least 6 months' (26 weeks) expenditure and will be reviewed annually. GLF is on track to achieve these targeted reserves.

Our volunteers

GLF is very involved in the community and relies on voluntary help. Around 7 volunteers assisted with our on-going activities. We wish to thank our volunteers for their loyal support and contribution.

Independent Examiner

TACTS Accountant was appointed as the charity's independent examiner during the year and has expressed their willingness to continue in that capacity.

Statement Trustees Responsibilities

Charity trustees are the people who serve on the governing body of a charity. They may be known as trustees, directors, board members, governors or committee members. The principles and main duties are the same in all cases.

Trustees have, and must accept, ultimate responsibility for directing the affairs of a charity, and ensuring that it is solvent, well-run, and meeting the needs for which it has been set up. The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company.

Independent examiner’s report to the trustees of Godwin Lawson Foundation

I report on the accounts of the Trust for the year ended 31st March 2026, which are set out on pages 10 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

GODWIN LAWSON FOUNDATION
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31ST MARCH 2026

1. Accounting basis.

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). GLF meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of the accounts on a going concern basis

The Charity trustees are of the view that measures taken subsequent to the year-end to reduce operating costs and successful in applying for continuation funding have secured the immediate future of the Charity for the next 12 to 18 months and that on this basis the charity is a going concern.

2. Cash Flow Statement

The trustees have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the charity is small.

3. Income

Income is recognised in the period to which it relates, unless specified otherwise by the funder. Project funding is, in general, repayable if not expended within the relevant project. Such income is only recognised to the extent that it ceases to be repayable. The income is accounted for on a receivable basis.

4. Resource Expended

Resources expended are included in the Statement of Financial Activities inclusive of VAT which cannot be recovered. Direct charitable expenditure include includes the direct costs of the activities. Where such costs relate to more than one functional cost category, they have been apportioned in line with the direct costs of the relevant service.

5. Taxation

GLF is a registered charity and is not liable for corporation tax on its income under section 505 of the Income and Corporation Taxes Act 1988 to the extent that it is applied to its charitable activities.

6. Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided to write off the cost, of all fixed assets over their expected useful life as follows: -

Equipment - 33.33% straight-line basis

	Equipment
	£
At Cost	2,379
Depreciation:	
At 1 April 2025	2,379
Charge for the year	-
At 31st March 2026	2,379
NET BOOK VALUE	
At 31 March 2026	-
At 31 March 2025	-

7. Staff Costs

The organisation does not have staff on payroll for this year.

Trustees are not remunerated to stand for their position on the committee board.

8. Status

Godwin Lawson Foundation is a registered charity.

9. Fund Accounting

Fund accounting unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work.

10. Support Cost

Allocation of support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back-office costs, finance, personnel, and governance costs which support the Charity activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 15.

message from the ceo & founder

It gives me great pride to share the Godwin Lawson Foundation's annual report for 2025-26. This has been a year of building: building young people's confidence and voice, building support around families, and building the foundations GLF needs to grow.

We completed Propel 1, our mentoring programme across Haringey, Enfield and Waltham Forest, and secured Propel 2, a longer-term programme that brings schools, parents, youth services and young people together across all three boroughs.

Home Cooked continues in Northumberland Park, and through our Parent Champions Carers Network, parents and carers are supporting one another to help children feel safe at home and in their community. We set out our 2026 to 2029 strategy, which commits us to growing our income to £500,000, creating salaried roles and investing in independent evaluation. We now have a full fundraising strategy and are making the changes needed to strengthen our income, including commissioned work with school networks and the Youth Justice Service, and growing corporate sponsorship and donor support.

I am grateful to everyone who has supported us: funders, community partners, schools, parents, volunteers, trustees and young people themselves. Together, we are breaking barriers and building futures. Godwin's legacy lives on in the hope, courage and determination we inspire in others.

Yvonne Lawson MBE

Yvonne Lawson MBE, CEO and Founder

who we are

The Godwin Lawson Foundation (GLF) was founded in 2012 by Yvonne and Calvin Lawson to commemorate the life of their son, Godwin, who tragically lost his life at the age of 17 while trying to protect friends from attack. His story continues to inspire our work to prevent other families from experiencing such loss.

GLF is a registered charity (no. 1149989) based in Tottenham, North London, rooted in the communities most affected by violence. We are dedicated to advancing the education and life opportunities of young people, so they can grow into tolerant, responsible and fulfilled members of society.

We work across Haringey, Enfield and Waltham Forest with young people aged 8 to 25 and their families, most of whom are from Black and racially minoritised communities. Our leadership and team reflect the communities we serve, and lived experience sits at the heart of everything we do.

what we do

Our primary goal is to end gun and knife crime, support young people away from gangs and exploitation, and help young people fulfil their potential. For over a decade, GLF has done this through three core areas of work:

1. Community and sport

GLF uses sport to tackle violence, organising the Godwin Lawson Memorial Football Tournament with Tottenham Hotspur Foundation (Spurs in the Community) to open up conversations about decision-making and peer pressure.

2. Education and mentoring

We work directly inside London schools to challenge mindsets and raise awareness of weapon violence. Our Peace Ambassadors and Young Speakers Network build self-esteem, leadership skills and positive peer role models.

3. Campaigning for change

Led by Yvonne Lawson MBE, GLF campaigns for tougher knife crime laws, mandatory sentencing for repeat offenders and policies that tackle the root causes of violence, such as school exclusion.

how we make a difference

- **Engage young people** through assemblies and workshops in schools, Pupil Referral Units and colleges. Each assembly reaches around 200 young people.
- **Mentor and empower** young people through Propel and Home Cooked. All mentors are trained and DBS-checked, with logbooks, safeguarding reporting and spot checks.
- **Support young people in contact with the justice system** through group sessions with Haringey Youth Justice Service.
- **Develop youth leaders** through Peace Ambassadors, Youth Echo, the Young Speakers Network, the Social Action Project and our Youth Advisory Board.
- **Partner with Tottenham Hotspur Foundation** to deliver the annual Godwin Lawson Memorial Football Tournament. This year we welcomed a visit from the Mayor of London, Sadiq Khan.
- **Support parents and carers** through the Parent Champions Carers Network, with peer support and culturally sensitive advice in Family Hubs.
- **Campaign for change**, contributing to local and London-wide policy and amplifying the voices of those affected by violence.
- **Address racial inequality** faced by Black and minoritised young people through public speaking, activities and campaigns.
- **Checkmate with Purpose:** using chess to build resilience and problem-solving.

our services

We work with young people and adults to build skills, confidence and opportunities through sport, education and personal development, in partnership with schools, colleges, organisations and funders.

Mentoring
One-to-one and group mentoring that supports personal growth and positive choices

Workshops
Interactive sessions on knife crime awareness, healthy relationships, mental health and leadership

AQA accredited learning
Accredited learning that recognises the skills young people build with us

Sport and activity
Sport that builds teamwork, discipline and confidence while promoting healthy lifestyles

Employability support
CV writing, interview skills, job search, and advice on education, training and work

Community projects
Projects that meet local needs and create safer, stronger communities

Our impact
More confidence and self-esteem, better engagement in education, fewer negative behaviours, life skills for long-term success, and safer, closer communities.

our mission

The Godwin Lawson Foundation exists to reduce gang, gun and knife crime by encouraging young people to recognise their talents, fulfil their potential and contribute positively to their communities. We aim to create safer, stronger neighbourhoods by:

- **Supporting young people** to identify their passions, build decision-making skills and achieve their full potential.
- **Investing in initiatives** that reduce gang involvement and promote positive opportunities.
- **Implementing projects** that support young people away from gang involvement and exploitation.
- **Raising awareness** of the impact of violence and the positive role sport, education and mentoring can play.
- **Supporting parents and carers**, through our Parent Champions network, to keep children safe and find their way through services.

Our mission is clear: Breaking barriers. Building futures.

foundation updates

GLF has continued to strengthen its role as a community-based organisation in London, committed to preventing knife crime, reducing school exclusions and supporting young people through education, mentoring and engagement. In 2025-26, GLF completed its first Propel programme, secured Propel 2, deepened its work with families and gave young people a stronger say in how the charity is run, through co-design sessions and by putting young people's voices at the heart of all our programmes.

Our team

- Yvonne Lawson MBE leads GLF as CEO, with a Board of Trustees overseeing strategy, finance and safeguarding.
- The team includes Kerrie-Lyann Hirst (Project Manager), Emeka (Programme Lead), Natasha (Mentoring Coordinator), Keji (HR), Roby (Finance) and Anabela (Administration and Office Coordination), alongside DBS-checked mentors, facilitators, volunteers and Parent Champions.
- GLF works with freelance and sessional staff paid at or above the London Living Wage, and is building towards salaried roles.
- We continue to focus on recruitment and professional development in safeguarding, trauma-informed practice and youth engagement.

programme updates

Home Cooked (MyEnds), Northumberland Park

- **Duration:** April 2024 to March 2026, now extended to March 2027
- **Area and funder:** Northumberland Park and neighbouring wards, funded by the London Violence Reduction Unit
- **Activities:** safe community sessions combining food, games and wellbeing, with resilience and life-skills workshops delivered with Harris Academy. GLF leads the consortium's Primary Timed Interventions: assemblies, workshops and one-to-one mentoring.
- **Growing the offer:** we have been granted an uplift to add sessions for parents and a programme on violence against women and girls (VAWG).
- **Reach:** GLF reached 955 young people, 42.7% of everyone reached by the consortium and more than the other three partners combined, on one of the smaller budgets.
- **Next steps:** young people are signposted to the Open Door service after mentoring, so support continues.

Propel Mentoring

- **Duration:** April 2023 to March 2026, funded by the Greater London Authority
- **Who and what:** one-to-one mentoring, group sessions, resilience-building and academic support in secondary schools across Haringey, Enfield and Waltham Forest
- **Outcomes:** feedback shows improved attendance, fewer behavioural referrals and increased confidence. 734 young people were supported across 13 schools, with 94% showing improved peer relationships. Every mentee set behaviour targets with their mentor.

“The trust and respect they have for you has had a significant impact on their engagement, confidence, and overall experience in the classroom.”

Leah Wynter, Lecturer, CCCG Finsbury Park

the difference mentoring makes

13 schools and colleges shared feedback this term	**60+** ESOL students supported at one college alone	**750-800** students reached through one assembly session
734 young people supported through Propel 1	**100%** of mentored students set at least one behaviour target	**25-35%** target reduction in isolation referrals within one term

Beyond the numbers, school staff describe consistent, measurable shifts: improved attendance, better attitudes to learning, fewer behaviour incidents and stronger emotional regulation among the young people who take part.

"During the pause, some of our most vulnerable students did struggle to meet behaviour expectations and to make it through the school week without the intervention from the trusted adult that GLF provides. One student in particular was very upset when his mentor was not in to meet with him."

Andrew Panagi, Assistant Principal, Duke's Aldridge Academy

Reaching students other services cannot

"What is unique about this mentoring is that it has been tailored to support our most vulnerable students, including those with EHCPs. This has been particularly important for us, as Enfield Behaviour Support Services do not work with students with EHCPs. Many of our students lack positive male role models, so the mentoring has been an invaluable source of support."

Patricia, Lea Valley Academy

"Every week I look forward to having mentor sessions with Mrs K and Otis. I know I talk a lot, but it's good to have an adult to talk to. I would have mentoring every day as it has helped me. I enjoyed the sports and boxing we do."

programme updates

Propel 2

Building on Propel 1, Propel 2 is a longer-term, cross-borough programme for Black and minoritised young people aged 8 to 25 in Haringey, Enfield and Waltham Forest, with five workstreams: mentoring, a cross-borough Steering Group, a parent group, a young people's co-design group, and a Professional Development Toolkit covering trauma-informed practice, early intervention and contextual safeguarding, youth leadership, family engagement, cross-borough working and anti-exclusion practice.

- **Funding secured:** £917,325 in total, including Stage 2 at £479,465, plus an approved uplift of £60,000 a year.

Our work in schools

- Assemblies and early intervention workshops where pupils pledge not to carry knives. Yvonne shares Godwin's story in person, alongside a film GLF has produced.
- Working with schools to support inclusive practice and reduce exclusions.
- Partner schools and colleges include Duke's Aldridge Academy, Harris Academy, Lea Valley Academy, Hornsey School for Girls, Walthamstow Academy, Park View School and CCCG.
- A termly newsletter for partner schools has been launched. We briefly had to pause school mentoring because of limited funds, and more schools are now asking for support, so we are inviting schools to contribute to the cost of mentoring.
- We were recently paid to run a six-week programme for Walthamstow Academy, and we plan to offer more paid programmes to schools as part of our 2026 to 2029 income strategy.

Youth justice

GLF was commissioned by Haringey Youth Justice Service to deliver Young People's Group Sessions as part of Out of Court Resolutions, in quarterly cohorts of up to eight young people. Many young people in the justice system have been harmed themselves, and these sessions give them a safe space to reflect and make positive choices. We will also offer targeted support alongside the sessions, which are due to start in 2026.

Youth Echo

- **Duration:** 4 September 2023 to 3 September 2026, in Haringey
- **Activities:** public speaking training, college engagement and youth showcases, helping young people amplify their voices on safety and social issues. Over three years, young people created and led their own campaigns on fairness, economic justice and equity.

Young Speakers Network

- Launched December 2024, offering mentoring, training and paid speaking opportunities.
- Cohort Two (2025) delivered speeches on young people's voice and lived experience, covering feminism, racism, morality and serious youth violence.

Social Action Project

The Social Action Project helps young people aged 16 to 24 grow as leaders, with a pathway into Peace Ambassadors and the Youth Advisory Board. It was a successful programme, and young people gave us feedback on how to make it stronger: more creative control, shorter sessions, milestone payments and accredited AQA Unit Awards. We are confirming the new outline and plan to restart in 2027.

The Youth Social Action Group was celebrated at this year's Memorial Tournament: young volunteers who lead community projects, organise fundraising and campaign on issues that matter to them.

Parent Champions Carers Network

- **Duration:** October 2025 to September 2026. Trains Parent Champions to give culturally sensitive peer support.
- Parent Champions contribute to Family Network meetings and support young people returning home after going missing, including Return Home Interviews, and are active in Family Hubs and schools.
- Through Propel 2 we have also started a parents' group. At the first session, on 2 November 2026, Yvonne invited parents to share any issues affecting their families, as well as their own upbringing and experiences.

Family Hubs

Parental mentoring, early years support and advice for families at risk of exclusion, and continued delivery of Safer Families Safer Communities.

junior citizen programme

with Haringey Council

Haringey Council invited GLF to take part in its annual Junior Citizen Programme, a two-week initiative that helps primary school pupils build the knowledge and confidence to stay safe and make positive choices.

GLF delivered interactive workshops on knife crime awareness and personal safety. Pupils watched a film about Godwin, then explored real-life scenarios in a question-and-answer session and True or False activities on safety, knife crime and peer pressure.

Yvonne leading a Junior Citizen session, with the pupils' sticky-note feedback wall behind.

What pupils said they would do

- Call the police or run away from danger
- Find a safe place
- Get help from a trusted adult
- Report worries to someone who can help

The difference it made

Pupils showed a clear understanding of the dangers of knife crime and the importance of seeking help. On the feedback wall, pupils wrote one thing they had learned, and responses were overwhelmingly positive.

By sharing Godwin's story with the next generation, GLF turns a personal tragedy into a message of prevention, hope and positive action, reaching children early with age-appropriate education.

memorial tournament

Honouring a life. Inspiring positive change.

Tottenham Hotspur Foundation proudly hosted the annual Godwin Lawson Memorial Tournament, continuing its long-standing partnership with GLF. For 14 years, the tournament has brought young people together through football during the summer holidays, while opening up conversations about the consequences of knife crime and the power of positive choices.

This year's event was attended by the Mayor of London, Sadiq Khan, and the Mayor of Haringey, Cllr Dawn Barnes. It also celebrated the GLF Youth Social Action Group, young volunteers who lead community projects, organise fundraising and campaign on issues that matter.

The impact

- **Raises awareness** of knife crime and keeps Godwin's story alive
- **A safe, positive summer** for young people, through sport
- **Teamwork and belonging** across football and community organisations
- **Young people leading change** through the Youth Social Action Group
- **Stronger partnerships** between GLF, Tottenham Hotspur Foundation and local and regional leaders
- **A lasting legacy** that turns remembrance into prevention, education and positive change

Work with unaccompanied minors

With Capital City Trust, GLF has supported unaccompanied minors in Haringey and Enfield through mentoring and advocacy, life-skills workshops and community integration support.

accredited learning

building an AQA awards pathway

GLF already offers a broad programme of life skills, employability, wellbeing and leadership. Offering AQA awards adds formal recognition to this work, so young people leave with evidence of what they have achieved, not just a record of attending.

Personal development and leadership
Youth voice and leadership, goal setting, youth and peer mentoring, planning a social action project

Employability and progression
Volunteering and employability, CV preparation, job, course and training applications

Health and wellbeing
Mental health, mental illness and trauma, healthy lifestyles, drugs education, relationships and sex education

Life and financial skills
Personal finance, financial literacy and budgets

Understanding others and communities
Introduction to diversity

participation > skills > recognised achievement > education, training, volunteering or work

The overall aim is to help more young people move from participation to achievement, from achievement to progression, and from progression towards greater confidence, independence, education, training and employment.

what our schools say

"Your work with the learners has been exceptional... It speaks volumes that the learners are constantly asking for you and actively seek your guidance and support."

Leah Wynter, Lecturer, Hair and Beauty, CCCG Finsbury Park

"When the programme was paused due to funding, several [learners] regularly asked when their mentoring sessions would resume, which highlights the value they placed on the provision."

Ismet, Head of Year, Park View Secondary School

"Working with this cohort can be extremely challenging at times; however, your team consistently showed flexibility, patience, and a strong commitment to ensuring that no [learner] was left behind."

Staff Testimonials from CCCG and Park View Secondary School

"As we come towards the end of the term/year, I wanted to take a moment to express my sincere gratitude for all the support, dedication, and positivity you have brought to our KS4 class.

Your work with the learners has been exceptional. The relationships you have built with them are a testament to your caring and supportive approach. It speaks volumes that the learners are constantly asking for you and actively seek your guidance and support. The trust and respect they have for you have had a significant impact on their engagement, confidence, and overall experience in the classroom.

I have greatly appreciated the way you work alongside me and consistently go above and beyond to support our learners. Your professionalism, patience, and commitment have made a real difference, and your presence has been invaluable to both the students and the staff team.

I would very much welcome the opportunity to continue working with you and to see this mentoring support remain in place moving forward. The positive influence you have on our learners is clear to see, and I know they benefit greatly from the encouragement, consistency, and care you provide.

Thank you once again for everything you do. It has been a pleasure working with you, and I am incredibly grateful for your contribution to the success and wellbeing of our KS4 learners."

"Thank you for your email. I am very happy to provide feedback on the GLF Mentoring Programme.

Overall, the staff were highly engaged and consistently enjoyed their sessions with the mentors. They spoke very positively about the mentors and the support they received. When the programme was paused due to funding, several staff regularly asked when their mentoring sessions would resume, which highlights the value they placed on the provision.

From my prespective, the programme had a positive impact, particularly on some of the key staff referred. We observed improvements in their attitude and outlook towards school, with some beginning to show more engagement and willingness to reflect on their behaviours and choices.

It was clear that the mentoring relationships played an important role in supporting these staff, and the continuation of the programme was welcomed by both staff and leadership when it resumed.

I hope this is helpful, and please do let me know if you need any further information."

Ismet

Head of Year
Park View
Secondary School

"I am writing to offer a formal note of appreciation for the work you have carried out with our KS4 staff this academic year.

The team engaged exceptionally well with our staff and quickly established positive and productive relationships. The impact of your sessions was clearly visible in the staff's engagement, confidence, and overall participation. Staff responded very well to the sessions and demonstrated genuine interest throughout.

We have been particularly pleased with the quality of delivery and the way in which your staff adapted their approach to meet the varying needs of our staff. Working with this cohort can be extremely challenging at times; however, your team consistently showed flexibility, patience, and a strong commitment to ensuring that no staff was left behind.

Overall, the contribution you have made has significantly enhanced the offer we are able to provide to our staff. Your work has added real value to their experience this year, and we are very grateful for the positive impact you have had.

We would be very happy to continue working with you in the future and would highly recommend your services to other provisions supporting similar cohorts."

youth voice & lived experience

Lived experience is at the heart of GLF. Yvonne's experience as a bereaved mother, and her campaigning for changes in the law, shapes how we support young people and families. Most of our trustees, leaders and staff come from the communities we serve.

- **Youth Advisory Board:** 11 young people advising on programme design, priorities and communications, growing to 20.
- **Peace Ambassadors:** young leaders who support their peers, volunteer at GLF events and act as role models.
- **Parent Champions:** parents and carers who shape our family work and support one another.
- **Listening and acting:** young people, families and mentors share feedback through check-ins and mentor logs, and we change what we offer in response.

In their words: young people at CCCG Tottenham

"Every week I look forward to having mentor sessions with Mrs K and Otis. I know I talk a lot but it's good to have an adult to talk too. I would have mentoring everyday as it has helped me. I have know Mrs K from Dukes and she was my Geography teacher, so it's good that she's here. Otis is good too. I enjoyed the sports and boxing we do. As I staying at CCG next year hopefully they will come back. Thanks!"

Shania

"I would like to say thank you for your mentoring support for my time at college. Had a good time at Oxford University day trip. It has been positive with you guys being here."

Niamh

"Thank you so much for supporting everyone with all of their needs. You are such a kind, caring, and understanding person, and a very good listener. Your support and encouragement have meant so much to all of us. Thank you for everything you have done — we truly appreciate it, and we will miss you very much."

Bernard

"Thank you for all your help, support, and guidance throughout my mentoring journey. I really appreciate the time you took to listen to me, understand what I had to say, and support me in making my decisions. Your encouragement and patience have meant a lot to me, and I'm very grateful for everything you have done to help me grow in confidence and move forward positively."

Melih

"Thank you for coming to mentor us. You have been with me from Dukes and it was good to see you here at CCG."

We appreciate you and will miss you!

awards & recognition

The work of the Godwin Lawson Foundation and its leadership continues to be recognised at local and national levels:

- **Yvonne Lawson MBE:** awarded a Member of the Order of the British Empire for services to tackling youth violence and supporting young people.
- **National and community recognition:** GLF is recognised as an award-winning charity for its work preventing knife crime, reducing school exclusions and supporting safer communities.
- **RSM UK Charity of the Year 2026:** we are working with RSM UK on fundraising ideas, with their yearly quiz as the main event. They hope to raise £30,000 over 12 months.
- **Re:shape Living:** we have been approached about a new community space in Tottenham Hale, to help create programmes and events for the community. This has also led to new motivational mentoring sessions for young people.
- **Insurance Institute of London:** chose GLF as a charity partner.

strategic observations

- **Mentoring works:** structured, consistent mentoring is an effective way to reduce youth violence, and GLF's model follows best practice. Schools tell us mentoring improves attendance, behaviour and confidence.
- **A shared approach to mentoring:** we identified the need for a full mentoring handbook so all mentors work in the same way. We also found that sessions work better when they are more targeted and shorter, so we are exploring moving from 45-minute to 30-minute sessions, with three extra 15-minute sessions for those who need them.
- **Early intervention and lived experience matter:** through Parent Champions, Family Hubs, school workshops and the Junior Citizen Programme, GLF shows the value of early, community-led support.
- **Families need support too:** our cross-borough mapping found that trauma-informed support for families, including siblings and bereaved families, is the biggest gap in local provision.
- **Young people harmed by crime are often seen as a risk:** many young people we meet have been harmed but are not recognised as victims. Support that starts from what has happened to them, not only their behaviour, helps them recover.
- **Sustainable funding:** lasting impact needs long-term, stable funding. GLF is diversifying its income and building its reserves.

building organisational pillars

for sustainable growth

To sustain growth and increase our long-term effectiveness, GLF has continued to build its organisational pillars:

- **Data and impact measurement:** greater emphasis on collecting, analysing and reporting data to show our impact. This year we produced an Evidence and Outcomes Pack for 2025/26 and a Mentoring Impact Report for schools and funders.
- **Technology and systems:** we continue to work with Datonomy and now have an active dashboard, so we can see our data and use it for evaluation. Further work is needed to connect it fully with our forms.
- **Safeguarding:** our Child Protection and Safeguarding Policy was reviewed in January 2026. Mentors are trained and DBS-checked, with safeguarding reporting, log spot checks and case studies to share good practice.
- **Fundraising:** we rebuilt our fundraising pipeline and now track opportunities across 26 funders, so we can plan income realistically.
- **Strategy:** our 2026 to 2029 strategy sets clear goals: income of £500,000, salaried roles and independent evaluation.
- **Partner expertise:** partners continue to share expertise in business development, research, systems, HR and finance.

funding updates

In 2025-26, GLF continued to strengthen its funding base:

- **Propel 2:** secured, giving GLF longer-term funding for mentoring and cross-borough work. We have also been approved for a £60,000 a year uplift, after being told our initial award was on the lower side. This means we can support more young people through mentoring and focus on building our cross-borough work.
- **Home Cooked:** funding extended to March 2027. The 2026-27 budget increased from £40,000 to £57,000.
- **Haringey Youth Justice Service:** commissioned group sessions for young people.
- **Schools:** paid mentoring programmes, starting with Walthamstow Academy.
- **Corporate support:** RSM UK Charity of the Year partnership, with an estimated £30,000 to be raised.

These developments provide a more stable foundation for programme delivery and show growing confidence in GLF's impact and credibility.

more highlights from 2026

Through 2026, GLF has continued to grow:

- **Propel 2 launched:** the cross-borough Steering Group first met in April 2026, the Professional Development Toolkit was shared for feedback in October 2026, and the first parents' group met on 2 November 2026.
- **Youth Advisory Board:** 11 young people now advise GLF, with plans to grow to 20.
- **RSM UK Charity of the Year 2026.**
- **Home Cooked:** budget increased to £57,000 for 2026-27, adding parent sessions and a VAWG programme.
- **Propel 2 uplift** of £60,000 a year approved.
- **Mentoring Impact Report** (June 2026) and the first termly newsletter for partner schools.
- **Paid six-week mentoring programme** with Walthamstow Academy.
- **Charity Partner** for the Insurance Institute of London Young Members' Winter Ball 2026.
- **Re:shape Living:** new partnership on a community space in Tottenham Hale.

looking ahead

- **Our 2026 to 2029 strategy:** growing towards £500,000 income, salaried roles and independent evaluation.
- **Youth leadership:** growing the Youth Advisory Board to 20 members and restarting the reshaped Social Action Project in 2027.
- **Accredited learning:** building our AQA awards pathway, so young people gain recognised achievements.
- **Digital training:** creating a suite of digital training in 2027.
- **Stronger mentoring:** a full mentoring handbook and shorter, more targeted sessions.
- **Support for young people harmed by crime:** developing new support for young victims and their families, including bereaved families. Applications are in progress with funders including the MOPAC Victims Fund and the Mayor's Investment in Youth Clubs, with Tottenham Hotspur Foundation.
- **Professional Development Toolkit:** completing and piloting the Propel 2 toolkit with schools and partners.

conclusion

2025-26 has been a year of building. GLF completed Propel 1, secured Propel 2, strengthened support for families and gave young people a stronger say in our work.

As youth violence continues to affect our communities, GLF's mission is more urgent than ever. With strong partnerships, sustainable programmes and effective advocacy, GLF continues to break barriers and build futures.

We extend our heartfelt thanks to our staff, Parent Champions, trustees and volunteers, whose dedication drives our mission every day. We are equally grateful to our funders, private donors and partners, including schools, community organisations and local authorities, who have stood alongside us to create safer communities.

The resilience and courage shown by our team, young people and families inspire us to continue this vital work. Together, we are not only sustaining hope but building a stronger, safer future for generations to come.
