FAB Projects Annual Report 2025

Food, Aid & Building Projects - Reg. Charity Number 508111

The Charity remained dormant throughout the reporting period, and no charitable activities were undertaken during 2025.

Following a prolonged period without public fundraising activity, the trustees have decided to begin the process of winding up the charity with the UK Charity Commission. FAB Projects will continue to exist informally through the involvement of its founding members, maintaining relationships with the communities and individuals we have supported over the years.

This decision requires the trustees to focus on meeting our obligations under the charity's governing documents and to our regulators as we bring the organisation's affairs to a close. Of particular importance is ensuring that any remaining funds are distributed in a manner that aligns with the charitable objectives of FAB Projects and honours the intentions of those who generously donated them.

Through contacts that remain active within our project region, FAB Projects will also seek during 2026 to re-review the status of our previous projects. Any maintenance or remedial work required to existing structures will be treated as a priority.

We would like to express our sincere gratitude to everyone who has supported FAB Projects over the past decade. Your generosity, encouragement, and commitment have enabled us to make a meaningful difference, and we remain deeply thankful for the trust you placed in our work.

Kind Regards,

Peter Harkness | CEO & Trustee
