Supporting Village Churches in Uganda Since 1996

Gospellife International has served and supported village churches in Uganda since 1996, recognising the unique challenges church leaders in rural communities' face.
The work began with the first visit of Reverend Robert Baker to Eastern Uganda in 1996, when he became the first *Muzungu* (white minister) to preach in that particular region. What began with that first visit has grown over the years into a remarkable testimony of God's faithfulness.

Through the continued ministry, support, encouragement and teaching of Gospellife International, over 75 village churches have been planted throughout the region.

Unlike their counterparts in towns and cities, many village pastors have limited opportunities to meet with fellow ministers for training, encouragement and fellowship. Some serve in isolated communities, often with very little outside support.
Gospellife International has always recognised the importance of standing alongside these pastors and nurturing the churches they lead. In many rural communities, the village church is an essential lifeline, providing not only spiritual guidance but also practical help, encouragement and hope to the people they serve.
One important aspect of our ministry is bringing these village church leaders together for teaching, training, and fellowship. These gatherings give pastors opportunities to share their experiences, encourage one another, grow in their understanding of God's Word, and be strengthened in their calling.

Our commitment is not simply to see new churches established, but to ensure that those already planted continue to grow, flourish and become strong, spiritually mature centres of Christian life within their communities.

A New Chapter in the Ministry

As a further step in this continuing work, Gospellife International has acquired land in Uganda to establish a new church and ministry centre**.**

The new church will serve its local village community, providing a permanent place of worship, fellowship and spiritual encouragement. It is also intended to become a central base for the wider ministry that Gospellife International has developed throughout the region over the past three decades.

The centre will provide a place where village pastors and church leaders can come together for teaching, training, fellowship and mutual encouragement, helping to strengthen the network of churches already established.

At the close of the financial year in April 2026, construction was planned to commence in mid-2026, under the leadership of Reverend Dr Richard Nkunze, Ministry Director for Gospellife International Uganda.

This development represents another important step in the ministry's long-standing commitment to the people and churches of Uganda. It is our desire that this new centre will become a lasting resource for the village churches, helping to equip present and future generations of Christian leaders.

Looking to the Future

What began with one visit in 1996 has developed into a lasting work of ministry spanning 30 years. Today, Gospellife International continues to stand alongside these village churches and their leaders, helping to equip and encourage them as they carry the Gospel into their communities and to future generations.

Our desire remains unchanged: that no village pastor should feel forgotten or isolated, but know that they are valued, supported and encouraged as they faithfully serve the Lord and the people entrusted to their care.

As we reflect upon the past 30 years, we give thanks to God for His faithfulness, for the many lives touched through this ministry, and for those who have faithfully supported the work of Gospellife International.
We look forward with faith and expectation to all that God will continue to accomplish through these village churches and the new ministry centre in the years ahead.

Supported Ministries

Grace International Schools – Kakiri, Uganda

Following the addition of Primary 3 (P3) and Primary 4 (P4) classrooms in 2025, Grace International Schools continues to grow rapidly, with **over 100 children now attending the school.**
With this encouraging growth, plans are now underway for the next phase of construction, which will provide additional classrooms to accommodate Primary 6 (P6) and Primary 7 (P7).

This development reflects our continued commitment to providing quality education and creating opportunities for children who might otherwise have little hope of receiving a good education.

It is encouraging to see how far the school has progressed, and we look forward with great anticipation to the next stage of its development, knowing that every new classroom represents an opportunity to change a child's future.

Through donations received by Gospellife International, we are also able to provide every child with a light breakfast at the beginning of the school day, followed by lunch at midday. For many of these children, **this may be the only substantial meal they receive each day.** Providing these meals not only helps meet their nutritional needs but also enables them to concentrate, learn and benefit fully from their education.
We are deeply grateful to everyone whose generosity makes this continuing work possible.

Life Healing Rehabilitation Centre (LHRC)

LIFE HEANG
REHABILIATION CENTER
a Soul Restored! a Soul Saved!

Gospellife International continues to support the Life Healing Rehabilitation Centre (LHRC), both financially and through practical and social support, in its remarkable work with children rescued from life on the streets.
Our support helps meet essential needs, including hospital treatment, medical expenses, education and social care, giving these vulnerable children an opportunity to rebuild their lives.

Many of these children have known little beyond the hardship, rejection and cruelty of street life. To hear how they are now progressing in a school environment, learning, making friends and discovering their

abilities, is a tremendous joy.

Children who once faced an uncertain future are now being given the opportunity to experience care, security, education and, above all, hope.
Without the dedication and compassion of those working at LHRC, many of these children would have little hope of a better future.

It is a privilege for Gospellife International to stand alongside this ministry, helping to restore dignity, rebuild young lives and open doors to a future that once seemed impossible.

We remain committed to supporting this vital work, believing that every child deserves to be loved, cared for and given the opportunity to fulfil their potential.

We emphasise service to village communities and meet needs where possible. Support will continue in the field of children's work, including education and hygiene, as in past years. Rev Dr Richard Nkunze, Director East Africa and Mrs Aine Esther Uwimana, Administrator, continue to be a resource and influence within the Christian leadership communities. The Ministry looks forward to 2025-6 with great expectations.
