The Chosen Generation Assembly RCCG
Trustees report
For the year ended 31 December 2025

The trustees present their annual report and financial statements for The Chosen Generation Assembly RCCG for the year ended 31 December 2025. The financial statements comply with the trust deed, the Charities Act 2011, FRS 102 and the Charities SORP (FRS 102), second edition issued in October 2019.

Structure governance and management

Governing document and trustee appointments

The charity is an unincorporated charity governed by a trust deed. Trustees are recruited and appointed in accordance with the provisions of that deed.

Risk management

The trustees identify and review the risks facing the charity and maintain appropriate controls to provide reasonable assurance against fraud and error.

Objectives and activities

The charity advances the Christian faith for the public benefit in accordance with its statement of faith, alleviates poverty and supports young people to stay away from drugs and gangs.

Public benefit

The trustees have had regard to the Charity Commission's guidance on public benefit when reviewing the charity's aims and planning its activities. Services, outreach and practical support are offered to the local community in furtherance of the charity's purposes.

Activities and approach

The church supports charities and community events with similar objectives, undertakes social action and assists immigrants, particularly with accommodation. Its activities include Sunday services, Sunday school for children, weekly Bible studies and house fellowships, both in person and online.

Volunteers

The trustees thank the volunteers who support services, community activities, office work and administration.

Investment policy

Funds are retained in bank accounts. Any change in banking arrangements is subject to agreement by the trustees.

Safeguarding and complaints

The church works with children and other vulnerable people. Appropriate checks and assessments are undertaken for volunteers, employees and trustees, and safeguards are maintained to protect people from abuse and harm.

Complaints may be made verbally or in writing, formally or informally. Anyone wishing to complain is offered support and a complaints handling statement explaining the procedure.

Conflicts of interest

Trustees must act in the charity's interests and declare any personal interests that could conflict with their duties. The trustees have confirmed that no related party transactions requiring disclosure occurred during the year.

Achievements and performance

Spiritual growth and welfare

The church supports the spiritual, emotional and family welfare of its congregation through biblical teaching and practical counselling. Activities engage men, women, children and young people on matters including health and wellbeing, finances and marriage.

- Daily prayer meetings take place Monday to Friday from 18:00 to 19:00, focusing on families, the nation and world peace.
- Sunday services welcome visitors from the immediate community.
- Monthly family prayer meetings take place on the last Friday of the month from 22:00 to 01:00, led by visiting and local ministers.

Community engagement and outreach

Homeless outreach and food support

The church held three open outreach events, serving warm meals and distributing food packs. These events also offered opportunities for prayer and discussion of personal concerns.

Support continued for homeless people, who were encouraged to attend services or visit the church for practical assistance. The food bank provided relief to people in the local community. Engagement also addressed the risks of drug use through informal discussions and pastoral support.

Older people

Visits were made to nursing homes during the Christmas period, with gifts provided for residents.

Bibles and Christian literature

The church continued distributing free Bibles and Christian books to members of the public.

Children and education

Children took part in monthly activities. The church supported musical instrument training to develop young instrumentalists and intends to continue this work. Children moving between stages of education received financial tokens and gifts to encourage their educational and social development.

Support for the wider church

Within available resources, the church made monthly payments towards the running of the RCCG Central Office in London and the World Evangelism Ministry.

Foreign students

Although fewer foreign students came to the city, the church continued to help those arriving to settle, particularly with accommodation.

Financial review

Income was £48,756 (2024: £45,159) and expenditure was £45,960 (2024: £35,874), producing a surplus of £2,796 (2024: surplus of £9,285). Funds at 31 December 2025 were £12,173 (2024: £9,377), all unrestricted.

Reserves and principal funding

The principal source of funding is voluntary tithes and offerings from church members. The trustees retain unrestricted reserves to meet ongoing commitments and fluctuations in income, reviewing the level alongside planned expenditure. Total reserves include tangible fixed assets of £3,336; unrestricted net current assets are £8,837. No funds have been designated or restricted.

Going concern

The trustees have reviewed available resources, current trading and expected income and expenditure for at least twelve months from the date of approval. They consider the going concern basis appropriate and have identified no material uncertainties that cast significant doubt on the charity's ability to continue.

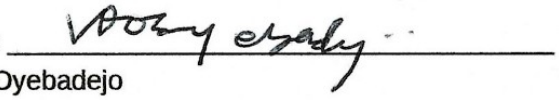

Statement of trustees responsibilities

The trustees are responsible for preparing the annual report and financial statements in accordance with applicable law and United Kingdom accounting standards. They must prepare financial statements giving a true and fair view of the charity's financial position and its income and expenditure. In preparing them, the trustees must:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles of the Charities SORP;
- make reasonable and prudent judgements and estimates;
- state whether applicable accounting standards have been followed and explain any material departures; and
- use the going concern basis unless it is inappropriate to do so.

The trustees must keep proper accounting records, safeguard the charity's assets and take reasonable steps to prevent and detect fraud and other irregularities.

The Chosen Generation Assembly RCCG
Independent examiner report
For the year ended 31 December 2025

Report to the trustees

I report on my examination of the accounts of The Chosen Generation Assembly RCCG, charity number 1151040, for the year ended 31 December 2025, set out on pages 7 to 13.

Responsibilities and basis of report

The trustees are responsible for preparing the accounts in accordance with the Charities Act 2011. My examination was undertaken under section 145 of that Act, following all applicable Directions issued by the Charity Commission under section 145(5)(b).

Independent examiner statement

I have completed my examination. No material matters have come to my attention that give me cause to believe that, in any material respect:

- accounting records were not maintained as required by section 130 of the Charities Act 2011;
- the accounts do not agree with those accounting records; or
- the accounts fail to meet the applicable form and content requirements of the Charities (Accounts and Reports) Regulations 2008, excluding the requirement to give a true and fair view, which falls outside an independent examination.

I have no other concerns arising from the examination that need to be drawn to the trustees' attention in this report to enable a proper understanding of the accounts.

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Charities SORP (FRS 102), second edition issued in October 2019, and the Charities Act 2011. The charity is a public benefit entity as defined by FRS 102. To present a true and fair view, the accounts follow the Charities SORP (FRS 102) rather than the withdrawn SORP 2005 referred to in the Charities (Accounts and Reports) Regulations 2008; this is the only departure from those Regulations. Amounts are presented in pounds sterling, rounded to the nearest pound.

Going concern

The accounts are prepared on a going concern basis. Following their assessment of resources and expected cash flows for at least twelve months from approval, the trustees have identified no material uncertainties affecting the charity's ability to continue.

Income

Income is recognised when the charity has entitlement, receipt is probable and the amount can be measured reliably. Donations and grants with unfulfilled conditions affecting entitlement are deferred until those conditions are met. Gift Aid is recognised with the related eligible donations where recovery is probable. Bank interest is recognised as it accrues.

Expenditure

Expenditure is recognised when a legal or constructive obligation exists, settlement is probable and the amount can be measured reliably. Costs are recorded on an accruals basis, including irrecoverable VAT. Direct costs are charged to the relevant activity. Operating and support costs, including governance, support the charity's church and community activities. Costs relating to more than one activity are allocated on a reasonable basis reflecting use of resources.

Tangible fixed assets

Tangible fixed assets are recorded at cost less accumulated depreciation and impairment. Church equipment and fixtures and fittings are depreciated at 20% per annum on a reducing balance basis. Assets are reviewed for impairment where indicators exist.

Debtors creditors and financial instruments

Short-term debtors and creditors are measured at the amount expected to be received or paid. Loans are assessed according to their terms and recoverability. Basic financial instruments are initially recognised at transaction value and subsequently at amortised cost, less any impairment.

Funds and taxation

Unrestricted funds are available for the charity's purposes at the trustees' discretion. Restricted funds may be used only for purposes specified by donors or appeals. There were no restricted or designated funds in either year. The charity is exempt from tax on income and gains applied exclusively for charitable purposes, subject to the relevant statutory conditions.
