Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

TO EDUCATE THE PUBLIC ABOUT THE VIABILITY AND BENEFIT OF GENERATING ELECTRICITY THROUGH THE USE OF EMERGING TECHNOLOGIES; WHICH ARE IN PARTICULAR BUT NOT EXCLUSIVELY, DEFINED AS SUN, WIND AND SOLAR TECHNOLOGIES.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Through the year, especially during planning meetings, the trustees have taken into account the guidance issued by the Charity Commission on public benefit (ref. 'public benefit requirement', The Charities Act, 2011)

TSR exists to educate and engage the public in protecting, preserving and conserving the natural environment—promoting practical climate action and the uptake of renewable, low-carbon behaviours. Our year focused on enabling community-level environmental action and learning, and on building the infrastructure that helps aligned charities and grassroots partners to deliver more, better and faster.

The trustees confirm they have had due regard to the Charity Commission's guidance on public benefit when planning TSR's activities, making decisions and allocating resources. Our work is open to the public or sections of the public without undue restriction, with benefits made clear and, wherever possible, low- or no-cost to access.

In 2025–26 TSR:

• Commenced **Neighbourhood Nature Coventry: Sherbourne to Street Corners**, a 12-month community-led environmental programme funded by a £19,908 National Lottery Awards for All grant. Working across Hillfields, Foleshill and Willenhall, activities connect residents with local green and blue spaces through nature walks, environmental stewardship, litter picking, habitat improvements, pocket rewilding, pollinator planting and accessible outdoor learning.

• Participated as a **£5,000 subcontractor to Intercultural Roots for Public Health within the Innovate UK-funded Extending Nature project**, providing ecological practitioner expertise to support eco-focused, nature-connected content development.

• Continued providing organisational and infrastructure support aligned with TSR's environmental and charitable objectives.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

During 2025–26 TSR secured and began delivery of the **£19,908 National Lottery-funded Neighbourhood Nature Coventry: Sherbourne to Street Corners programme**.
The project commenced in January 2026 and engages communities in Hillfields, Foleshill and Willenhall through practical environmental action and inclusive nature-connected activities. Delivery includes river and park stewardship, litter removal, habitat improvements, pollinator planting, outdoor learning and community volunteering, with activities designed to be accessible to residents who experience barriers to engaging with green spaces.

The programme also uses **PLACES by EcoGPX®** as a living digital map through which participants can document environmental improvements and community activity.

TSR also commenced its specialist contribution to the 18-month **Extending Nature** research and development project, providing ecological and nature-connected practitioner expertise within an Innovate UK-funded collaboration led by EcoGPX Ltd and Intercultural Roots for Public Health.

Section E Financial review

Brief statement of the charity's policy on reserves

During the year TSR received **£25,533** and made payments of **£12,312**. The principal new source of restricted funding was a **£19,908 National Lottery Community Fund Awards for All grant** for Neighbourhood Nature Coventry.

At 31 July 2026 TSR held **£13,920.84 in cash funds**, comprising **£594.71 unrestricted funds and £13,326.13 restricted funds**.

Restricted funds are held for the purposes for which they were awarded.

Unrestricted reserves are retained in accordance with TSR's reserves policy to provide contingency and organisational resilience.

Details of any funds materially in deficit

No funds were materially in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any

ethical investment policy adopted.

Section F Other optional information

During 2026–27 TSR will prioritise completion of **Neighbourhood Nature Coventry**, including community stewardship, accessible nature engagement and documentation of environmental outcomes, with the National Lottery-funded programme due to conclude by January 2027.

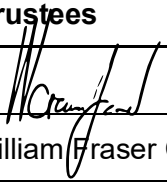

TSR will also complete its contribution to **Extending Nature**, supporting the development of nature-connected content for immersive experiences designed to improve access to therapeutic engagement with green and blue spaces.

The charity will continue to develop partnerships, fundraising opportunities and community-led environmental initiatives consistent with its charitable objects.

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	THIRD SECTOR RENEWABLES		
On accounts for the year ended	31st July 2026	**Charity no (if any)**	1151947
Set out on pages	Receipts and Payments Accounts, pages 1-2 Trustees' Annual Report, pages 1-5		

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
   - to keep accounting records in accordance with section 130 of the Charities Act; and
   - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

   have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
