RDTF annual report year end 2025

We really struggled this year and only supported a hand full of activities for underprivileged children in Cambridgeshire.

The charity has decided it can no longer continue long term. We haven't been able to achieve what we originally set out to do and since lock down have found the challenge of running a charity whilst holding down jobs and raising a family ever more challenging.

We will continue for now but are slowing things down with the intention of shutting down the charity by the end of 2026.
