Annual Report 2025 for St Peter's Church Ruddington

Background:

St. Peter's Parochial Church Council ('PCC') is a registered charity number 1154125 with the Charity Commission. It has the responsibility of co-operating with the incumbent in promoting, in the ecclesiastical parish of Ruddington, the whole mission of the Church; pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for St. Peter's Church and the property known as The Hermitage, which serves as a church hall.

Membership of the PCC:

Members of the PCC are either ex officio or elected by the Annual Parochial Church Meeting (APCM) in accordance with the Church Representation Rules. Currently the PCC comprises 4 ex officio, 1 Deanery Synod representative and 7 elected members - the agreed establishment being ex officio members +10% of the Church Electoral Roll.

As at 31st December 2025, members of the PCC were:

Incumbent:	The Revd Andrew Buchanan (Chair)
Readers:	Mr Mike Houghton
	Mrs Jane Robins
Wardens:	Mr Mic Robins
	Mrs Nikki Roe
Representative on the Deanery Synod:	
	Mrs Jane Robins
Elected Members:	Mr David Baker
	Mrs Margaret Barker
	Mr Terry Boniface
	Mrs Jeannette Dawson
	Mr Olivier Humphrey
	Mrs Sue Lindley
	Mr David Malfesi
	Mrs Danielle Pickup

Standing Committee:

This is the only committee required by law. It has the power to transact the business of the PCC between its meetings, subject to any directions given by it. There were 6 meetings held during the year 2025.

Working Groups:

Apart from the Standing Committee, the PCC has not operated through formal committees. An

informal working group, The Buildings Committee, has been overseeing buildings issues.

PCC Meetings:

There were 6 regular meetings of the full PCC during the year, with an average attendance of 12 including the Chair.

Church Attendance:

The 2025 electoral roll stands at 111 including 24 who reside outside the Parish.

During 2025, the church has been open for services all year. The church live streams its Sunday services.

The average attendance at services during the week is 111. The average Sunday service attendance in October 2025 was 75 compared to 68 the previous year. A further 25 people attend services at other times in the week (Thursday Communion and Framework Church).

It is hard to judge attendance at online services; large numbers of 'engagements' may simply be an appearance on someone's Facebook timeline.

There were 2 infant/child baptisms and 1 young person baptised, 3 thanksgivings for the gift of a child, 1 young person and 2 adult confirmations, 2 weddings and 10 funerals in church during 2025. There were 2 commitals/burials of ashes. A further 8 funeral services were taken by the St Peter's incumbent or readers at a crematorium.

Vicar's Report:

During 2025, as a church, we were shocked and appalled, as news began to emerge of the horrific crimes perpetrated by a former member of our Parochial Church Council and church volunteer; Jon Ruben. The abuse of children and vulnerable people is devastating, and is especially shocking when it happens in places which should offer care, safety and protection. We were (and are) shocked and sickened that a member of our church could betray the trust of so many and commit these terrible offences. He deceived his victims, their families and his community. We are praying for the children and families who have suffered this abuse, and for all who have been affected within the wider community.

As you will see, within this annual report, we take our safeguarding responsibilities very seriously. Although the Church of England safeguarding procedures have been consistently followed, we recognise that Jon Ruben's role in church may have allowed him to present as trustworthy in the wider community. We have conducted a full review of our safeguarding procedures and will continue to be vigilant.
Alongside this devastating news, we continued to see signs of God's grace at work within our community throughout 2025. The number of people attending services continued to grow. The depth of our engagement with our local community was amply demonstrated by the fact that over a thousand people attended our Christmas celebrations. However, more than attendance, we continued to witness the miracle of people becoming Christians in 2025, especially through the Alpha course, culminating in nine adults coming to baptism in July.

Rev Andrew Buchanan

Discipleship/Small groups

Our small groups continued to play a vital role within St Peter's in 2025. Our small groups remain the context in which most of the pastoral care and practical discipleship is given and received within our church community. I simply want to say a massive 'thank you' to all of our amazing Small Group Leaders, who give so much of their time and love! You make such an enormous difference in the lives of so many people – and we couldn't be church without you.

Rev Andrew Buchanan

Children and youth

In 2025 St Peter's was able to engage with more children and young people than we have for many years! Despite our church heating challenges Little P's continued to thrive (please see Lyn's little P's report). Assemblies in our village schools continued with, every second Wednesday, the Vicar speaking to over 700 children! Child-centred Christmas and Easter Activities, with the Christingle and Chocolate East-tingle proved to be extremely popular. Two other ministries continued to serve children and youth; Creche during our morning Sunday service and Pupil Chaplaincy (please see report below). A big 'thank you' to all who worked so hard to care for, and serve, our children and youth in the name of Jesus!

Rev Andrew Buchanan

Pupil Chaplaincy

Pupil Chaplaincy continued to thrive in 2025! Pupil Chaplaincy is a lunch time activity, devised and led by me, which forms just one of many groups established by the headteacher Michael Bradley and teacher Vicky Shaw, at St Peter's School, to nurture participation and leadership within the School. Pupil chaplaincy is all about fostering Spirituality, and meets on a Wednesday, once a fortnight, to learn about Christian spirituality to design and establish a Prayer/quiet/ reflective space within the school. Although over 90 applied to become Pupil Chaplains, through interviews, 24 eager children were enrolled as Pupil Chaplain. And it's been going brilliantly! Wonderfully supported by church volunteers, Pupil Chaplain gatherings have been well-attended, thoughtful, creative and very enthusiastic.

Rev Andrew Buchanan

Framework Church

Framework church continues to flourish, building on foundations established in 2023 and 2024. Now entering its third year, it has established its own distinct identity yet remains closely aligned with the ethos and family of St Peters; a family within a family.

All members of Framework continue to regularly attend the main Sunday services at St Peters alongside attending Framework church, which continues to meet each week, Thursday morning at Framework Knitters Museum and alternate Thursday evenings in the Hermitage; the choice of

Hermitage is driven by the need for extra space to accommodate numbers.

Total current members still exceed 40, with an average attendance at each meeting of 16-18. Not everyone attends every week, but most members remain in contact whether they attend or not; numbers have dropped slightly this year because approximately six previously regular members left St Peter's, but the core remains constant. There is a very active WhatsApp support group which continues to support members with prayer and encouragement.

One of the big challenges for Framework church this year has been how to continue the Thursday evening session alongside running Alpha 2025, also on Thursday evening; the solution has been incredibly positive, with vicar Andrew leading teaching from the Pete Greig prayer course for Framework church in the Hermitage, alongside Alpha 2025 also in the Hermitage. His teaching, experience and wisdom have proved transformational to the Framework community, and it is something we would dearly love to continue for Framework church.

Following the end of Alpha 2025, some members have joined Framework church, as well as regularly attending St Peters Sunday service.

Framework church continues to be a bridge; for those that struggle to get to church on a Sunday due to family commitments, or for those new to faith who are unfamiliar with church and find this an easy way in.

Another challenge this year has been the workload of the leadership team of Framework church; there have been some amazing 'highs' this year with God in the Garden, Alpha course, Holy Spirit Day and other events. The team are tired and found themselves exhausted after Alpha and Framework together; whilst still aiming to meet regularly for mutual support and planning, this is one area that has suffered and one which we seek to address early this year; particularly in respect of teaching and discipleship.

As before, we continue look to the future with excitement and thanks for what God is doing. Please continue to pray for the life and growth of this community church; God tells us in His word that he will do "exceedingly abundantly above all that we ask or think". Our task continues to be alert to His prompting, alive to His will, confident in the task He has set before us.

Little Ps

Little Ps is a Christian Ministry for Babies and Toddlers. We meet in St. Peter's Church on Mondays 9-10.45am during term time. We have a lovely fun filled time together in a safe environment while also learning about God in a gentle way. We have one hours free play from 9-10 with lots of toys and a Bible craft. Then at 10-10.45 we all join together for a Bible story and Bible songs mixed in with general nursery songs and bubbles. We have lots of families who are registered with us, some who come occasionally and others every week.

Our average weekly numbers of children are between 30-35 which is amazing considering it is so cold in Church. Government funding for children has increased to between fifteen and thirty hours a week from the age of three so consequently the children are younger when they leave us. But it doesn't seem to have affected us too much as was expected. This Ministry is donation only and is

self-funding. Any money donated goes towards buying things we might need toys, books, crafts etc. The surplus goes to the church. We also send money to Children In Need. Little Ps has a very dedicated team of volunteers who all do an amazing job and without their help and hard work we could not provide this Ministry so I would like to say thank you to everyone involved.

Lyn Smith, Little Ps leader

Friendship Group:

The friendship group is a church activity aimed at the older members of St Peter's Church. We meet once a month on a Monday afternoon for 2 hours, for tea, coffee and home-made cake! We have a variety of activities, quizzes, armchair exercises, films and musical events. It is very well supported with 23 people plus 6 helpers attending regularly despite the cold church! We have a registration in place and safeguarding is paramount. We send birthday cards and Christmas cards. Margaret Barker and Lyn Smith organise the events with a wonderful team of helpers; the lovely Zoe and Joan contribute the cakes every month. We all have a wonderful time, and long may it continue!

Margaret Barker

Heat n Eat:

Heat and eat is a service St Peter's Church started during the energy crisis to help people to have a hot meal without incurring larger bills. We provide a hot 2 course meal twice a month for anyone who wants to come along. There are no restrictions, everyone is welcome. The meals are provided by Sycamore catering and the church subsidises the meals, which cost £5.00 per person but are £2.00 for attendees which is £1.50 per meal plus 50 pence for tea and coffee or soft drinks.

It is very well attended, with around 28 people attending regularly, and everyone appreciates this time to get together and chat. We have a very good team of helpers led by Jeanette and Margaret.

We are always looking for helpers. We have a register and contact numbers for any emergencies and safeguarding is very much in evidence. We were fortunate this year to receive a donation from the village council towards the cost and a club in Keyworth gave a donation from an event they held. Long may this continue, as it makes people so happy!

Margaret Barker

Safeguarding

This year's safeguarding at St Peter's has been dominated by the terrible crimes committed at Stathern Children's Holiday Club by Jon Ruben, a former member of our PCC and a former church volunteer.

The abuse of children and vulnerable people is devastating and is especially shocking when it happens in places which should offer care, safety and protection. We are shocked and appalled that a member of our church could betray the trust of so many and commit these terrible offences. He deceived his victims, their families and his community.

We are praying for the children and families who have suffered this abuse, and for all who have been affected within the wider community.

Trustees reported the situation to the Charities Commission as a serious incident, and we will continue to work with them.

There is no suggestion that Jon Ruben abused at the church, and our robust procedures and policies did not give him the opportunity. However, this terrible situation underlines even further how important it is that we continue to take safeguarding seriously at St Peter's Church. We have worked extensively with the Southwell and Nottingham Diocesan Safeguarding Team to review our safeguarding provision. Our procedures have been robust and we will continue to focus on safer recruitment, training and on raising the profile of safeguarding in church. We must continue to be vigilant.

We need to continue to repeatedly ask ourselves:

- How do we make sure that our safeguarding procedures are robust enough to make sure that no volunteer or church officer has any opportunity whatsoever to abuse or groom children and vulnerable adults?
- How do we keep safeguarding at the front of our minds, both in church and in the various community groups that we run?
- How do we respond well to the needs of children and the most vulnerable people that we work with?

The Church of England's Parish Safeguarding Handbook has rules and procedures that we **all** need to follow. Safeguarding is everyone's responsibility. A link to the handbook is here:

Safeguarding e-manual | The Church of England

But we can never be vigilant enough and safeguarding – a responsibility for everyone – must continue to be our highest priority.

Nikki Roe
Parish Safeguarding Officer

Musical Worship

This past year has seen our Musical Worship Group flourishing, despite some hiccups along the way.

Our various worship services throughout the month allowed us to vary our musical styles as well. The 2nd Sunday Traditional Services were quite often solo services, mainly focusing on traditional hymns with a few intermittent "old contemporary" songs. The 4th Sunday Charismatic Service was a chance to use most of our musicians in one large group and mainly focused on bringing in fresh, new music with a scattering of well-known contemporary music. The 1st Sunday Altogether Service and 3rd Sunday Mixed Service have been a blend of different worship styles. These challenged us to balance the types and age of the music to facilitate the worship of our diverse church body, providing a little bit of something for everyone.

The leadership of the Musical Worship Group grew this year. One of our newer (but very experienced) musicians has started to lead a week occasionally, making it four of us who share the burden. We had one musician leave the group but also saw more joining in again this year, swelling our numbers to 14. Having been blessed with so many musicians, the burden hasn't been

overbearing. We intentionally planned time for everyone to be a part of the congregation, to worship without leading.

We have continued with the New Music Practice on the Wednesday directly before the 2nd Sunday Traditional Service. Almost all our new music introduced into the church has come through this practice. This has also been a relaxed atmosphere for new people who are interested in joining us to try out singing/playing new music alongside our regular musicians.

One new activity we started in 2025 was 15mins of group prayer before our practice on a Sunday morning. Although this has had to stop with the lack of heating, it allowed us to focus our hearts and minds on God, ensuring we didn't lose track of our purpose.

Other than the normal Sunday services, we also provided music for other services and events throughout the year, including Framework Church, the Eastingle, the Christmas Fair, Pentecost on the Green, and for the first time, three Christingles!

Overall, 2025 was a year of challenges, again. As a team, the Musical Worship Group met each challenge head-on, growing and developing along the way. God has truly blessed us with so many wonderful people and musicians!

Deborah Smith, Musical Worship Leader

Treasurer's Report

Summary

The Treasurer's Team has worked together well, but we were sorry to lose Bryan Wilson who stepped down as Cashier. Happily, Mike Houghton stepped into the breach and has also agreed to take up the Treasurer role following my resignation from the role.

The main concern last year was the possible impact on finances of the long-awaited replacement heating system. Happily, this doesn't now seem to be as onerous as was expected!

Funds

St Peter's Church has several funds which can only be used for specific purposes. Payments and receipts are shown in the financial statements.

Conclusion

In my report last year there were concerns about the possible decline in congregation and subsequently giving, however thankfully St.Peter's is bucking the national trend with increases shown in both areas.

As mentioned in my report to PCC, we are in a fairly healthy position financially thanks to the generosity of the Church family and good stewardship.

Responsibilities of PCC
The PCC are responsible for the preparation and presentation of the Accounts.

The Charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Responsibility of Independent Examiner
It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act,
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention

Basis of statement
My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusal items or disclosures in the accounts, and seeking explainations from the trustess concerning such matters. The procedures undertaken do not provide all the evidence that would be required of an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner Statement
I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the records did not accord with the accounting records;or
- the accounts did not comply with the applicable requirements concering the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
