Trustee's Annual Report

Gathering of the saints' trustees has the responsibility of co-operating with the presiding

Pastor Veronica Pinneh in promoting and bring to reality the aims and purposes of this ministry.

Objectives and Activities

The trustee members are committed to enabling as many people as possible to come

and worship with us and to be become part of the Church family. The trustees have been seeking

ways in which we can better serve our community. We seek ways to improve our services to

accommodate people from different ethnic back ground, and to build them into one big happy family

of God. Our services and worship put faith into practice through prayer, Scripture reading, music and

communion. We encourage members to live out their faith as part of the ministry's objectives, and in

accordance to the scriptures through: Worship, prayer, daily scripture reading, developing their

knowledge of God and Personal relationship with Him. Provision of pastoral care and group Bible study.

Achievements and Performance

Worship and Prayer

Gathering of the Saints continues actively in weekly Bible study and prayer meetings, and this has

been beneficial and spiritual uplifting for every member. To save cost, members continue to hold

meetings: Bible studies, prayer conference via Zoom every week. The weekly prayer meetings provide an

opportunity to share each other's problems by choosing a prayer point that addresses each individual's

circumstances. Group Bible study is usually a time to socialise and to have time for table fellowship.

With our new place of Church fellowship, both old and new members has the opportunity to relate and socialise

with one another. Last December just before Christmas, we were able to reach our community, by organising a

kind of get together with light refreshment and time to get to know those in our community.

Sometimes we carry out open-air preaching, where we read the Scriptures, offer prayers, encouragement,

and emotional support to people in different communities. Sometimes, we travel to other towns and city

in England to evangelise, providing free Bibles, Christian books, leaflet, tracts, etc.

Pastoral Care

The committee continues to ensure the pastor visits members when necessary. The Pastor regularly makes

phone calls to members to inquire about their well-being and encouraged members to attend service to grow

their faith and strengthen their walk with God. The pastor also make hospital visit to sick members, offers online

advice and prayers to members and new contacts that we sometime make during our street witnessing.

Mission and Evangelism

Like Jesus, helping those in need and share the gospel with the lost, is our priority as a ministry and

as a way of demonstrating our faith. The trustees continue to donate immensely to this ministry,

which in turn had enabled us to support other ministries in mission outreach and evangelism. From

time to time, we carry out door to door evangelism and street witnessing. Some individuals we witnessed

to on the street, and other through the phone for prayers. Currently, we have being able secured a place of

worship which has brough an increase in membership. Now we are sending more time on the street to reach

out to the unsaved with saving gospel of our loving Saviour Jesus Christ.

Ecumenical Relationship

Pastor Veronica attends minister's fellowship meeting, once every month and monthly prayer evening

with other ministries and denominations in person and via zoom. She visits other Ministries to preach or teach the

infallible Word of the Living God. Pastor Veronica is affiliated with other Ministries around the globe.

Structure, governance and management

The method of appointing a trustee member is set in the Church representation rules. At Gathering

of the Saints, membership of trustees consists of the Pastor, elders and senior members of the

Church. The trustees are responsible for making decisions on all matters of general concern and

importance to the ministry including decisions on how the ministry's fund is spent. The trustees

meet every three months via online or in person to discuss issues and take decisions on matters

that will help move the ministry forward.
