2. Structure, Governance and Management

Governing Document

The Evangelical Prayer Winners Ministry International is a company limited by guarantee formed on 18 December 2013 and registered as a charity on 17 April 2014. The charity is governed by its Articles dated 18 December 2013, as amended by a Special Resolution date 4 April 2014.

Appointment and induction of Trustees

The members of the General Trustee Board are trustees for the purposes of Charity Law. New trustees may be appointed by a resolution of the Board.

Major risks

The Trustees recognise that any major risks to which the charity is exposed need to be reviewed and systems put in place to mitigate them. To that end, the charity is continually monitoring and managing its risk and ensuring action plans are in place to mitigate its key risks. Risk is defined as the potential to fail to achieve the charity's objectives and for loss, financial and reputation inherent in the environment in which it operates in transactions undertaken.

The principal risk has been the dependence on voluntary income. The trustees have initiated various processes to mitigate such risk, so that the charity has sufficient reserves in the event of adverse conditions.

The trustees have also examined other operational and business risks which they face and confirm that they have taken steps to mitigate the significant risks.

3. Objectives and Activities

Objects

The objects of the charity as stated in its Articles are:

(1) The advancement of the Christian religion for the benefit of the public in accordance with the statement of belief appearing in the schedule.

(2) The prevention or relief of poverty in financial hardship anywhere in the world by providing or assisting in the provision of education, training or healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.

4. Public Benefit

The trustees have complied with the duty in section 4 of the Charities Act 2006 and have paid due regard to public benefit when preparing this report. The benefit provided to the public is consistent with the aims of the charity in the UK.

Achievements and Performance

Serving Our Church and the Wider Community

Evangelical Prayer Winners Ministry remains committed to fulfilling its Christian calling to serve, support, and care for those within our church and the wider community. We believe that the ministry of the church extends beyond our regular worship services and should be demonstrated through practical acts of compassion, generosity, encouragement, and service.
During 2025, we continued to support individuals, families, young people, charitable organisations, and those experiencing hardship through a number of initiatives.

Food Bank Support

The church continues to make regular donations to food banks and community food support initiatives across Milton Keynes. These donations are generally made on a quarterly basis and help organisations provide food and essential provisions to individuals and families experiencing financial hardship.
Our contribution is part of our ongoing commitment to helping alleviate poverty and food insecurity within the local community. At a time when many households continue to face financial pressures, we believe that no individual or family should have to go without food or basic necessities.
Through this initiative, the church is able to support the important work of local food banks, community larders, and food-sharing schemes while demonstrating Christ's love through practical action.

Children and Young People's Programme

Our children and young people remain an important part of the life and future of the church. We recognise the importance of creating opportunities for them to grow spiritually, socially, educationally, and personally.
As part of our Youth in the Ministry programme, we organise activities and outings approximately every two months. During 2025, these included visits to the cinema, Whipsnade Zoo, the aquarium, and trips to the seaside.
These activities provide our young people with opportunities to socialise, build friendships, develop confidence, and experience educational and recreational activities outside the church environment. They also encourage them to appreciate the natural world and learn more about the wider society and environment in which they live.
The programme continued throughout 2025 and remains an important part of our commitment to nurturing and investing in the next generation.

Supporting Willen Hospice

Evangelical Prayer Winners Ministry continues to support Willen Hospice through charitable donations made twice a year. Willen Hospice provides specialist care to people living with life-limiting illnesses, while also offering valuable support to their families and carers. We recognise the important role the hospice plays in providing compassionate, professional, and dignified care during some of the most challenging periods in people's lives.
Our donations are a small but meaningful contribution towards the continued work of the hospice and the care and support it provides to patients, families, and carers.

Supporting Those in Need Within the Church

An important aspect of our ministry is providing practical support to members of our church family who experience hardship or difficult circumstances.
We recognise that financial difficulties can affect anyone and can arise for a variety of reasons. Where possible, the church seeks to respond with compassion and practical assistance, while maintaining the dignity and wellbeing of those receiving support.
During the year, we assisted elderly members who were experiencing difficulties and required help with groceries and essential household items. We have also provided short-term assistance to individuals experiencing unemployment while they sought new employment opportunities.
On occasions, the church has also supported members experiencing difficulties with their rent, helping to ensure that individuals and families have a safe and secure place to call home.
These interventions may sometimes appear small, but we recognise that timely support can make a significant difference to someone facing a difficult period in their life.

Single Parents Outreach

The church continues to recognise and support the particular challenges faced by single-parent families.

Where needs have arisen, we have provided practical assistance, including groceries and support with after-school and holiday respite. These initiatives are intended to help ease some of the pressures faced by parents who are managing the responsibilities of raising children on their own.

The continuing rise in the cost of living has placed additional pressure on many families. For some parents, a relatively small amount of support can make a significant difference—whether that means putting food on the table, purchasing essential footwear and clothing for a child, or providing warm clothing during the winter months.

Through this outreach, we seek to provide practical help, encouragement, and reassurance to single parents and their children, reminding them that they are valued and that they do not have to face difficult circumstances alone.

Feeding the Homeless Project

During 2025, the church began exploring opportunities to provide practical support to people experiencing homelessness in Milton Keynes.

We have been engaging with local homelessness charities to identify ways in which the church can work collaboratively with existing organisations and provide meaningful support.

One of the initiatives currently being explored is a weekly meal programme, initially operating from our church premises. Under the proposed arrangement, a partner charity would bring individuals experiencing homelessness to the church, where they would be provided with a warm meal and a safe and welcoming environment in which to eat, socialise, and participate in recreational activities before returning to their accommodation or onward destination.

We view this as the beginning of a longer-term commitment to supporting people experiencing homelessness within Milton Keynes. As the church grows and we are able to secure larger premises, we hope to expand this work and develop additional initiatives that will enable us to make an even greater contribution to those experiencing homelessness and hardship in our local community.

Looking Ahead

The activities outlined above reflect just some of the ways in which Evangelical Prayer Winners Ministry seeks to put its faith into action and serve the community in which God has placed us.

We may not be a large church, but we are committed to making a meaningful difference wherever we can. Our aim is to create a caring, inclusive, coherent, and cohesive community in which people feel valued, supported, and cared for.

As we look to the future, we remain committed to strengthening our existing outreach programmes and identifying new opportunities to support those in need. We will continue to invest in our children and young people, support vulnerable individuals and families, work alongside local charities, and respond to emerging needs within our community.

Above all, our desire is that **no one who comes into contact with Evangelical Prayer Winners Ministry feels forgotten, excluded, or left behind**.

We give thanks to God for the opportunity to serve and for every individual, family, volunteer, and partner organisation that has contributed to the work of the ministry during 2025.
