Springfield Park Leisure Centre: Charity Number 1157246

ANNUAL REPORT 2025-2026

What is Springfield Park Leisure Centre?

The Charity is running the Leisure Centre to give children and adults in Coppull (Lancashire) and the surrounding areas the chance to try new sports, improve mental health and become physically more active.
As well as offering services to various schools, for their extra curricular activities.
They host a variety of different sporting activities that can be attended on a 7 days per week basis.
There is also the option of being part of a competitive trampoline academy that takes part in British Gymnastics Competitions throughout the country.
The use of the meeting room is hired out for , first aid courses and local group meetings The income received from this is greatly appreciated and put back into the Centre's accounts.

Our Early movers class have seen an increase to 3 sessions per week. These classes start from walking age up to age 5. They are a parent/ toddler class that involves use of the trampolines and soft play gymnastics equipment.

We have more schools now attending our trampoline sessions. We offer services to Westmorland School twice per week and also host Three Towers once per week. Also offering services to Home Educated children, we offer a class to cover some form of physical eduction in order to meet the home school requirements.

The indoor Rock climbing wall has seen new additional classes added to the schedule. Children are taught all essentials with regards to climbing, as well as the physical aspects, they are also taught how to tie ropes, belay and put on equipment safely. These classes also helped some members with their volunteering of Duke of Edinburgh awards.

Fundraising/ Volunteering:

Staff members volunteer their time and effort again to organise 2 fund raising parties at both Halloween & Christmas. As alway this year they very well attended and very successful.
This is funded by parents/staff and the money raised is used to purchase equipment for the Centre.

The academy members also still donate older leotards and sportswear that is sold to help fund raise for the Charity and the trampoline Academy.

All our new and existing members who use the Centres facilities are impressed by what services we offer. We have seen a steady progression of members throughout the year, with this being our most attended year to date for classes.

How do we do that?

The Charity Trustees look after the Leisure Centre together with Management staff, employees and volunteers.
The Centre opens daily and hosts the following classes:
o Springfield Academy - competitive trampolining club involved in competitions throughout Britain- Part of British Gymnastics syllabus
o Trampolining for children- Beginner classes with a view to progressing in to the Academy.

Has the Charity met its aims?

Equipment has continued to be updated and maintained as necessary and also more equipment added. We are in the processing of making some new changes to the hall to encourage new members and begin new classes. New advertising and promotion has started to encourage new members to come through the doors also.

The Centre continues to be maintained by the Trustees in conjunction with the lease.
The Charity staff and volunteers have worked amazingly over the last 12 months to really bring the centre on. We have seen a great impact on our class attendances and returning members.
The trampoline academy is at is busiest with plenty new young members now competing in the squad. All classes are seeing steady and efficient numbers each week. Holiday school camps are always attended and received well with all the children and parents.

How it works for the public benefit?

We continue to give children and adults the chance to try new activities and to keep physically active and become involved with their local community.
The Upstairs space provides a social meeting place for parents who wish to watch their children during their activities.
More and more people spread what the Centre offers by word of mouth and on social media.
Advertising and Social media videos are now a big part of getting the charity noticed to the public..
We have seen a greatly improved attendance on our classes.

Our new sessions are thriving and growing and the members are enjoying the time spent at theCentre. Our schools are return customers and are always asking to add more sessions when possible.
