FAITH FORUM

CORNWALL FAITH FORUM ANNUAL REPORT April 2025 – March 2026

Acts of Worship and Faith Gatherings

The Forum maintained its regular interfaith gatherings throughout the year - mainly held at the Dor Kemmyn field at Penmount. These included

- Pagan Solstice gathering at the Peace Poles.
- Christian celebration of St Michael as Patron Saint of Cornwall
- Buddhist Buddha washing ceremony
- Eid celebration

Events elsewhere included

- Shavuot celebration hosted by the Jewish community.
- Ramadan hospitality event hosted by the Islamic Centre.

Visit by His Majesty The King

Cornwall Faith Forum was invited to participate in the visit of King Charles III to St Austell in March. Each Faith Community was represented and this provided an opportunity to showcase Cornwall's faith diversity through individual conversation and a visual display alongside a set of artifacts. The visit was regarded as highly successful and Faith Forum reps were all impressed and grateful for the King's interest in their community as well as his knowledge. We presented him with a copy of our UNITA CD Recordings.

Peace Poles and School Visits
Two successful visits from pupils at Truro School had taken place at the Peace Poles site. Feedback from students and staff had been very positive, and plans are being developed to create information materials for schools interested in similar visits.

Holocaust Memorial Day
The 2026 Holocaust Memorial Day event was reported as one of the best attended in recent years, with strong participation from a wide range of communities. Planning for the 2027 event is already underway.

Faith Covenant and Cornwall Council Partnership
The collaboration between the Forum and Cornwall Council through the Faith Covenant has continued to develop and be valued. Faith literacy workshops and podcasts have increased awareness of faith communities among council staff and strengthened partnership working.

Gazebo Shelter at Dor Kemmyn Peace Field

The CFF Building for Peace group has continued to develop a vision for a wooden structure to support our monthly gatherings and as a resource for visits to the Peace Poles by schools.

Grants have been applied for and a planning application is being prepared for submission and we hope this project will be completed within the next 12 months.
