AUDLEM PUBLIC HALL

Trustees Annual Report – Financial Year Ending 31st December 2025

CIO number 1159429

This CIO was formed in late 2014 with the intention and expectation of taking over from Charity 519458 which currently runs Audlem Public Hall.

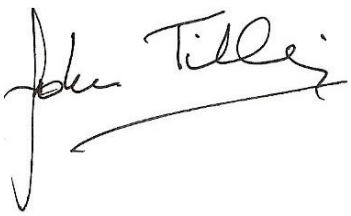

This transfer was planned to coincide with the development (funded by the Big Lottery Fund) of a major Annexe to the Hall.

The development of the Annexe is now complete, but no further activity has taken place on the CIO, so there has in fact been no activity by this Charity during the year January 1st 2024 to December 31st 2024.

A new management team has taken over the running of the Hall, and the process of transferring the assets of the old Charity (i.e. the Hall itself) to the CIO is under way.
This has proved to be a tortuous and expensive process, but has now been completed, and future Charity Commission returns will be under this Charity, rather than the old one which will be closed in due course.
