PERKY TRUSTEES REPORT JANUARY 2026

2025 has been an exciting year for PERKY. In June 2025 we were informed by Dale Yacht Club Committee that the Club was willing to release an area of the land it leases from Pembrokeshire County Council for its tender park to enable a Changing Places Toilet to be erected on, what is in fact the only suitable site in Dale, which is to the East of the public toilets.

In June a meeting of interested residents was set up by PERKY, in conjunction with Windswept, to inform those present about the CPT, listen to opinions about the proposal and gather names in order to set up a group to take the project forward. It was very well attended. This resulted in a PERKY Sub-Committee, known as the Dale CPT Steering Group being set up. This group has met regularly and set out a Road Map for the project with a hoped for completion date for the CPT in time for the 2027 season

Negotiations with Dale Yacht Club and Pembrokeshire County Council about PERKY taking on a lease for the land for the CPT are ongoing. Obtaining agreement for this lease has to happen before grant applications etc. can be made. However, in the meantime preparatory work on grant and planning applications is being undertaken. The Sub-Committee is also planning a couple of low-key fundraising events for 2026 which will also serve to promote the project and gather local support.

PERKY Trustees were so pleased when Value Independence, a CIC which supports people with Learning Disabilities, agreed to become partners in our CPT project. Additionally members of VI staff raised money from a skydive which they are donating to PERKY for the CPT. This was such wonderful news.

In April Sean Kehoe resigned as a Trustee. It was fantastic having Sean on board over the past few years and his help with settling on a name for the CIO and designing our logo were invaluable as was his unfailing support for the CPT project. We know that his interest and support will continue via Wendy. In his place the Trustees appointed, [under section 13 (5)] of the Constitution, Jim Warr as a trustee. His term lasts until this AGM when he must retire but can be reappointed by the members at the AGM. Jim has very kindly taken over the role of Treasurer.

Sue Twidale joined the Trustees when WWAG folded up and transferred its remaining assets to PERKY. Sue has been an extremely valued member of the Trustee group always supportive and giving such excellent advice. Sue wishes to be able to devote all her energies to projects in her home village of Marloes. We wish her well.

The Trustees would like to thank all the members of the PERKY Sub-Committee - Dale CPT Steering Group - who have already ensured that the CPT project has truly got off the ground but also that it is moving forward as speedily as possible bearing in mind that some issues are beyond their control.

PERKY ACCOUNTS 1 March 2025 - 31 December 2025			
Bank balance at April 2025			**£2,792.50**
	In	**Out**
