Independent examiner's report on the accounts

Section A **Independent Examiner's Report**

Report to the trustees/ Members of St Anne's Church

On accounts for The year ended 31/12/25 **Charity no (if any)** 1160765

Set out on pages (remember to include the page numbers of additional sheets)

Respective responsibilities Of Trustees and examiner

The charity's trustees are responsible for the preparation of the accounts.
The charity's trustees consider that an audit is not required for this year under section 144 Of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.
It is my responsibility to:

1.examine the accounts under section 145 of the Charities Act,

2.to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and

3.to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters.
The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to Those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
   a. to keep accounting records in accordance with section 130 of the Charities Act; and

   b. to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper Understanding of the accounts to be reached.

Trustees Annual Report for 2024- 1160765 -PCC of Ecclesiastical Parish of Chasetown - St Annes Chasetown v3 draft for APCM on 11 May 2025

2024 Annual Report of St. Anne's Church in the Parish of Chasetown

‘The PCC of the Ecclesiastical Parish of Chasetown’

Registered Charity No. 1160765

Background

St Anne's Church is situated in Church Street, Chasetown. The correspondence address is St Anne's Church,

Church Street, Chasetown, Burntwood, Staffs WS7 3QL. St Anne's Parochial Church Council (PCC) has the

responsibility of promoting in the ecclesiastical parish, the whole mission of the Church: pastoral,

evangelistic, social and ecumenical. It also has maintenance responsibilities for the church building. This is

done in co-operation with the Team Vicar, Revd. Richard Westwood and the wider Burntwood Chase

Benefice. During 2024 St Anne's Church was served by the Chasetown Parish Ministry Leadership Team

which comprised Revd Richard Westwood, Mr Chris Hawthorne and Mrs Jules Smith, an ordinand in training

based at St Anne’s. Many other members of the church generously offer their gifts, time and skill in the many

and various ways that the church goes about its mission and ministry. The PCC thanks each of them for their

generous and willing service.

Membership

Members of the PCC are respectively either ex officio/co-opted or elected by the Annual Parochial Church

Meeting. During 2024 the following members of St Anne's served as members of the PCC:

Team Vicar: Revd. Richard Westwood

Reader: Mr Christopher Hawthorne

Wardens: Mr Tony Guest

Mr Neil Woolley (until September 2024)

Secretary Mrs Anita Brookes

Treasurer Mrs Joanna Orlinska

Representatives on the Deanery Synod: Anita Brookes, David Buckley, Christopher Hawthorne

Elected Members: Sheila Bott Esther Allen Carol Thomas

Patricia Guest Jordan McCallum Sheila Murphy

Stella Hawthorne Terry Smith

Church Services and Attendance during 2024

During 2024 many of the church's worship services were live- streamed via the churches' Facebook page and

the 'Midweek Message' on our YouTube Channel continued to be a regular feature of St Anne's ministry. The

PCC especially thanks David Buckley and all the contributors for their involvement in the Midweek Message

ministry. Our usual Sunday attendance for adults in 2024 was for the first time in several years, higher than the

year before (49 adults), although the

usual number of children usually

attending dropped from 5 to 4. So,

there are grounds for

encouragement and also for further

prayer and action. There are 88

members on the Church Electoral

Roll of St Anne's Church, 46% of

whom are resident outside the

parish. During 2024, there were

some notable changes to the

Church Family List (Those who

attend the church, however

frequently). There were 13 adults

and children who stopped attending

worship during 2024. However,

there were 17 new adults and

children who started attending our

worship services. This may suggest that some of the significant changes the PCC initiated during the 2023

and 2024 are perhaps having a beneficial effect. The continuation of our Café Church in 2024 has seen

Church Services and Attendance during 2024

During 2024 many of the church's worship services were live- streamed via the churches' Facebook page and the 'Midweek Message' on our YouTube Channel continued to be a regular feature of St Anne's ministry. The PCC especially thanks David Buckley and all the contributors for their involvement in the Midweek Message ministry. However, there were 17 new adults and children who started attending our worship services. This may suggest that some of the significant changes the PCC initiated during the 2023 and 2024 are perhaps having a beneficial effect. The continuation of our Café Church in 2024 has seen it

St Anne's Cafe Church (after pew removal)

become a place where people can find their way into the worship life of the church and has been a welcome part of our worship offering. The PCC needs to take note of these changes and help those who have recently joined the church feel fully at home at St Anne's and grow in their faith and discipleship. Whilst there are good grounds for encouragement, it should also be noted that quite a number of longstanding church members are attending less frequently, especially in the colder months. This may be health related, but it is also likely that the ineffective and expensive heating system is failing to heat the church, and people perhaps do not come because they do not want to bear the cold. The PCC needs to note that the poor function of our heating may be undermining some parts of the church's mission

Review of the year

The full PCC met 11 times during the year. The meetings were well attended with many of them taking place with an option for members to join online via Zoom.

During 2023 the church continued to work in partnership with others in the local community as part of the Burntwood Be A Friend (BBAF) initiative. St Anne's building continued to be the administrative base for BBAF throughout the year. Seeing the church building well used for and by the community is a great encouragement and something which the PCC are pleased with. Our weekly 'Place of Welcome' coffee morning for anyone in the local area has continued to grow and the PCC thanks Sheila Murphy and a team of helpers who host this event. St Anne's Messy Church, weekly Ladybirds carer and toddler group all continued throughout the year as did the 'Strollers' buggy walking group. Our thanks go to a host of helpers who staff and support these wonderful community groups. St Anne's has continued to be the base for a guided weekly Wellbeing Walks and the Community Garden at the western end of the church grounds has been a welcome addition to our landscape. St Anne's monthly Film Night was running throughout the year and gives a great 'feel-good factor' to the members of the community who attend. Our thanks to Carol Thomas and David Buckley for managing this for the church. The PCC believes that St Anne's has continued to play a significant part in the life of local community and has served the residents of Chasetown well in this respect.

During the Summer of 2024, our Team Vicar, Revd Richard Westwood was on Extended Study Leave and the PCC wished to thank a wide group of people who helped to maintain the worshipping and missional life of the church during this time. Particular thanks are offered to Tony Guest and Neil Woolley who were Churchwardens during this time. Sadly, Neil took the decision to step down from his role as Churchwarden in September, but nevertheless, we thank Neil and Tony for their hard work and dedication during the time that they have each served. We thank them for all they have given in their service to God in these roles

The PCC wishes to thank the musicians and singers who help to arrange and lead sung worship during 2024, in particular Jean Spraggett, Caroline Woolley, Jordan McCallum, Gerald Harvey and Esther Allen. We are also grateful to the dedicated team of volunteers to lead our Sunday Morning Children's Church – their care and nurture of the children who come on Sundays is an important part of the children's growth in faith and we thank all the leaders for their hard work.

The PCC also offers sincere thanks to Anita Brookes for her commitment and hard work in her role as PCC

secretary and sacristan throughout the year and to David Buckley who helps to manage the church website and its online ministry. The PCC also wishes to record its thanks to Joanna Orlinska as Treasurer during the year supported by John Spraggett, and Tony Slater for their work on the church's giving and finances.

The Parish Administrator, Mrs Laura Newey works incredibly hard for us all and we appreciate her willingness and hard work in all the ways that she offers it.

In 2024 the church was granted permission from Lichfield Diocese a Temporary Minor Reordering for the removal of the back four rows of pews and the creation of a hospitality area and a children's area. The church is very grateful to Mr Neil Woolley who used his significant skills as a carpenter to expertly remove the back for rows of pews at the west end of thenave. He was aided by his wife Caroline and a team of people who helped to transfer the removed pews into a shipping container on site where they are safely stored. Neil and this team of people gave their time and skill generously and saved the church a great deal of money and we are very grateful to them. At the end of 2024 the church was still waiting to complete the other parts of the work to create the children's area.

Nevertheless, the open space and flexible seating at the west end of the nave has transformed some of the hospitality ministry of the church and the removal of the pews has enabled a wider range of community groups to make use of the building and it has been especially welcome for our Café Church and Place of Welcome Community Café. The PCC are especially pleased that this newly available space has allowed us to offer to host a Youth Club organised by FunClub Youth Charity. The youth club was without a home venue and after the removal of the pews we have been able to offer St Anne's for this work and we have been delighted at the partnership which is emerging. This would not have been possible without the removal of the pews. The PCC now needs to seek faculty consent to allow the removal of the pews and creation of the children's area to become permanent as the benefit to the missional life of the church and the wider community is very clear.

The PCC is sad to report the deaths during 2024 of several longstanding members of St Anne's including Pat Woodward, Graham Mitchell, and Harry Swain. St Anne's continues to support a number of charitable

organisations and in 2024 donations were made to Macmillan Cancer Care, The Children's Society (through
the collection from the Christingle Service), Hands at Work in Africa, Pathway Project, MAF, Action Aid, and
CMS. In total St Anne's donated £4,211 (2023 was £4,040) to charity, shared between local, national and
international good causes.

Financial Review

During the year £103,977 (2023 was £99,957) was spent to provide the Christian ministry in Chasetown
parish, including the full amount of £46,096 (2023 was £45,196) as the contribution to the diocesan Common
Fund, which largely provides the stipends and housing for the clergy.)
In 2024 as in previous years, giving from the regular members of the church provided the majority of the
church’s income £47,252 (2022 was £43,289) as part of an overall income of £86,219 (2023 was £89,962).
This response from the congregation is wonderful and the PCC thanks all who gave in such a generous way.
Added to this was the income arising from the hire of rooms to the Burntwood Be A Friend initiative. The net
result for 2024 was a deficit of payments over receipts of £17,758 (2023 was a deficit of £9,995)
Despite the challenges of the high cost of heating the building, the PCC was able to pay all the 2024
Common Fund request in full. However, in order to do this, the PCC needed to use a significant amount of its
limited reserves which was given as a legacy gift, and this practice cannot be continued in 2025. The PCC
needs to address this year on year shortfall in its finances in order to ensure that the church is financially
viable
The PCC wishes to record its thanks to the grant making trusts and organisations who made awards to St

The PCC is now seeking earnestly to progress with plans for the redevelopment of the building and to
continue to deepen its partnerships with the wider local community too. The balance carried forward in
unrestricted funds on 31December 2024 was £17,765 (2023 was £35,523)
