Thank You

Dear Friends,

We are deeply grateful to every individual and group that has partnered with and invested in the vision of I GOT SHOES Charity. We could not do this work without your support and encouragement. We are also grateful to our I GOT SHOES trustees for their insight and wisdom. As we have worked through challenges together, how wonderful it is to now celebrate the solutions that are bringing sustainability and success to our vision.

2025 was a year of transition. In late 2024, we began the process of carefully choosing our new partners. Opportunities to help others abound, but transformation, after all, begins with the right partner! Dr. Elizabeth Kuteesa and Godfrey Senkasi are visionaries who carry great faith in the calling placed on their hearts. The timing was perfect. Despite being on opposite sides of the country, they have begun building two new schools, and it has been exciting to see this year unfold.

Because of your heartfelt generosity and partnership, our senior scholarship programme grew by 32% in 2025, enabling some of the most vulnerable, especially young girls, to continue their education.

It is an incredible joy to see lasting change take root in the lives of others. Thank you for being part of the story!

With much love and gratitude,
Penny Seithel - Chair, Trustees

"Attaining a senior school education is a powerful and transformative tool that provides confidence, critical thinking and problem-solving skills, and the power to break poverty cycles in homes and communities."

OBJECTIVES

I GOT SHOES -- because a simple pair of shoes can open the door to education, dignity, and a future. We exist to help more children access education in Uganda. Through grant-making, we provide shoes and school uniforms, school fees, which help with teacher salaries. To date, more than 950 children have been supported through I GOT SHOES.

What began with shoes has grown into something far greater. After helping build the infrastructure of two primary schools in Uganda and seeing them become fully sustainable, in late 2024, we began the process of finding the right new partnerships. We also worked with the local leadership ensuring the needs were authentic and local ownership would see the vision to fulfilment. Due diligence was established by agreeing a Memorandum of Understanding between I GOT SHOES and our new partners. This especially addressed the issue of building new schools and ensuring all land to be used had the written legal approval from all key authorities.

Our focus is on two key partners, which allows us to build longevity of relationship and strengthen due diligence and accountability. We currently partner with two schools in Uganda: **Grace & Favour Nursery & Primary School in Lutete, Rakai District, Uganda and Mt Zion Junior School in Kiwungu village, Kamuli District, Uganda.**

Through the provision of financial support, scholarships and the provision of materials and facilities for education we are meeting our objectives. I GOT SHOES charity is voluntarily registered with the Fundraising Regulator in the UK, ensuring compliance and instruction in regard to safe and effective fundraising throughout the year.

The charity operates solely on a volunteer basis from its directors, media team and project manager. We have no paid UK members of staff.
100% of the funds goes to the operation and running of the charity.

I GOT SHOES -- . Penny and Gary Seithel work alongside I GOT SHOES Uganda team that runs the day-to-day operations on the ground. The Ugandan team is led by Tausi Kutessa who oversees and audits to monitor correct use of funding. This includes tracking funds, verifying costs, validating receipts and minimizing cash transactions.

Our volunteers include: Our IGS Project Manager, Kliff Ho, who gives weekly input to our building and construction projects. His help has been invaluable this year working through the MoU. Dr Peter Stern, IGS director, who regularly helps with sustainable strategies and building partner relationships. Both were able to visit our schools in Uganda and connect with the local teams. Heidi Alderdice also joined our volunteer team to help with Comms and Fundraising materials.

The charity is grateful for the commitment and work of its Ugandan teams and the support and encouragement of its UK volunteers and trustees. The Charity does not have any investments, all income is used for operations and any surplus is held on deposit for use in operations.

ACTIVITIES

HELPING MORE CHILDREN ACCESS EDUCATION

A year of new partnerships and the building of two new schools begins ...

Imagine meeting in a “school room” that is a tiny structure barely able to hold 35 children. There are no desks. The children sit on the floor and a teacher using a small blackboard is the primary means of learning. For several years, this was the humble beginning of Mt Zion Junior School, which used a former chicken house and two rooms from a former family home as classrooms.

After months of crucial steps to set up all the legal and financial systems, building commenced. In the meantime, we provided individual writing boards for the students to learn with (pictured below). Initially, IGS provided shirts, and shorts then shoes followed. We also began contributing to staff salaries.

ACTIVITIES

Mt Zion Junior School, Kiwungu, Kamuli District, UGANDA

Dr. Elizabeth Kutessa is the visionary and director of Mt Zion Junior School, Kamuli. She understands what it means to bring children out of poverty through helping them access education. One of the biggest challenges in working with rural communities is creating that bond between the school and parents and carers that re-prioritizes education. When it's the first part of the rainy season, parents are planting their crops; even small children are expected to help either watching babies or digging themselves. Coming to school isn't the priority.

Our I GOT SHOES Ugandan team has been working with Mt Zion Junior school to help bring the understanding and value of having a good foundation to learn at an early age. And it's working! Slowly the word is spreading about the exciting school being built for the children of Kiwungu village, Kamuli.

Together, you have contributed over £22,880 / ($30,895) to complete the first phase of Zion School! How can you fully measure the impact of your generosity? Just know that the lives in this community, starting with the children, will be forever changed! Thank you so much for joining us on this journey. We've celebrated seeing the foundations to completing the walls to roof level for a new six-classroom building at Mt. Zion Junior school be accomplished by the end of the year.

Grace and Favour Nursery & Primary School Lutete, Rakai District, Uganda.

I GOT SHOES grows to helping it's fourth new school:

It is such a JOY to introduce another of our new partnering schools -- Grace and Favour. We love their philosophy of taking smaller groups of children through each year - setting the foundations for learning at a higher standard.

While we've been helping much with the school structure: finishing the walls on two classrooms, concrete floors, windows and doors, rendering on the inside and outside and solar power system - our IGS team in October 2025 brought sweets and sweatshirts. The children were so happy to receive embroidered school sweatshirts from our team. The school badge says, 'I can do all things through Christ'. ✨👟

Godfrey Senkasi is the director of our Grace and Favour. His background as a secondary school headteacher gives him the ethos, knowledge and wisdom to begin transformation in his own village. We are thrilled to have these two new exciting partnerships.

This year alone £25,317 went towards building the framework for our new schools. We're incredible grateful for our IGS friends and monthly partnerships that makes our continued work possible. THANK YOU!

How your donations are helping change lives ...

Senior School Scholarships

A huge thank you to our monthly supporters who sponsor students in I our GOT SHOES scholarship programme. Your faith-filled partnership is setting our students up for future success! *Our students are not only gaining academic and vocational skills, but also learning spiritual disciplines that remind each one they are loved, valued and seen by their Heavenly Father.* £19,744 provided 41 students to stay in full time, boarding senior school education.

Imagine the untapped potential of the 85% of students in rural areas who never reach senior school — not because they lack ability, but because they lack opportunity. Together, we're changing that reality.

Over the next two years, we'll focus on increasing senior scholarships, providing consistent support through our Ugandan team, and developing a strong network to help graduates find meaningful work placements. Please pray for wisdom for our team.

In 2025, 41 students were selected to join our I GOT SHOES scholarship programme. We increased our number of students by 32% from 2024 to 2025, only made possible through your generous partnership.

Ritah*, S1 ... "Over the years my performance has been good, I am expecting with the help of God I believe still doing well in the final exams, I have been an active member of the school scripture union but nothing like sports because am small bodied and my health status doesn't allow me to do much as well." (IGS Note: She lives with sickle cell anaemia).

"My dream is to finish university and become a social worker encouraging children with health challenges that they can also study and finish school, become someone important in the community despite life's limitation."

*Names have been changed to protect students' identities.

Senior Scholarship Spotlight

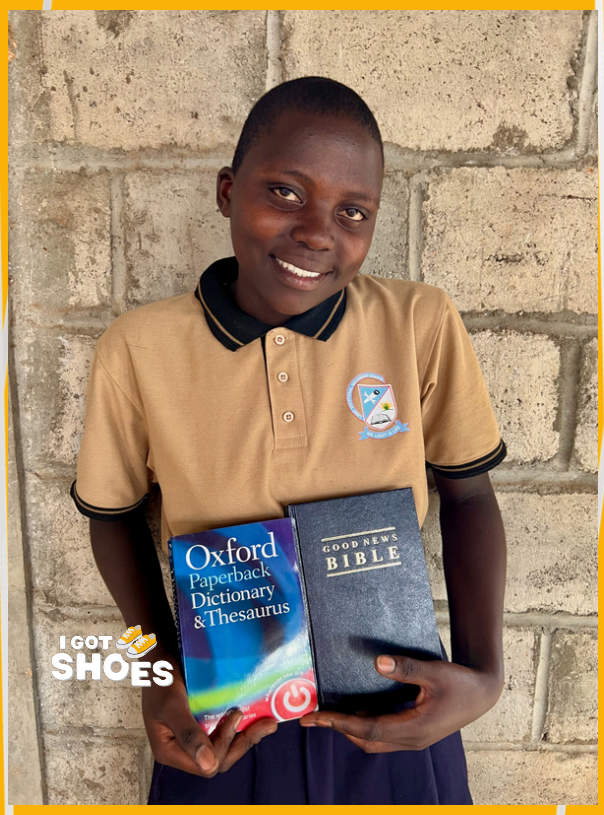

In 2025, I GOT SHOES provided grants of £28,879 on shoes, school uniforms and school fees for our primary and senior school students.

Charity*, S2 ... "Thank you so much sponsoring me at Light Academic & Vocational school. Education has changed my life so much because right now I can stand in front of people and I speak to them without any fear. I have been able to gain confidence from this opportunity of education."

Christine*, S2 ... "I appreciate the Lord who has granted a gift of life unto us. The joy that I am now having I am going to celebrate my birthday soon. What gives me strength is because I have hope within me even if things are not much better according to the performance, but I always pray as I work harder while believing that one day there will be a change.

God has performed for me a miracle because I was failing Maths since P7, but now it is one of the subjects that I perform best. I need prayers in my academics, family. I appreciate you as the IGS organization for being merciful and kind to us". Rescued from domestic slavery ...

ANNUAL SENIOR SCHOOL CONFERENCE

Imagine being a teenager and hearing these life-changing words. "I will not fail my generation". Would it inspire you? Challenge you? Or does it just seem a bit too daunting? I GOT SHOES charity had the incredible privilege of sponsoring the 2nd annual Senior Schools Conference, where over 350 senior and university students gathered in June 2025 in Kampala.

Each student was challenged to embrace all that God has for them and to avoid unhealthy cultural norms that could draw them in without thought. They were encouraged to focus on God, their Father, and to believe He has uniquely designed them to live from this new mindset. The result? Being changed from the inside out. It is our joy and privilege to encourage students from all faiths to come together and celebrate, be challenged and leave inspired.

Tausi Kuteesa, our Ugandan IGS team leader shares: "Students united in beautiful worship, hearing the word, being offered career guidance, and mentorship. They shared a meal together, and each student received a journal from IGS to inspire them to dream, write prayers, memorise scripture and keep their hearts steadfast on God."

Financial Review

Total incoming resources for the year were £62,086. The charity's principal source of income is donations received of £54,293. And Gift Aid £7,794 making the remainder funds. Total expenditure for the year was £58,956. £25,317 was spent on construction for the two new schools we are building in Uganda. 3% went to the cost of running the charity.There are no paid UK staff, we work as volunteers. The remaining 97% went directly to the charities work in Uganda.

An independent examiner's report on the accounts was carried out by P Harding on 17/09/2026.

The Directors, UK and Ugandan teams, and UK volunteers acknowledge and are incredibly grateful for the support given in the current year by individual sponsors, community groups and churches. Seeing lives changed and communities transformed by strengthening the infrastructure of schools, supporting staff and helping more children access education has been wonderful to witness.

We are so grateful for the monthly partners, and individual donors that have invested in these children's lives. We truly could not do this without your support. THANK YOU!

Our reserves policy:

The charity's reserves policy is to hold sufficient funds to meet our financial commitments and demonstrate our financial sustainability for the future. We currently retain reserves equivalent to 18 months of committed expenditure.

This includes annual increase in tuition for our senior scholarship fees, and a considerable increase in the cost of education in employing teachers, which the school fees help cover their wages. There were no funds in deficit.

INCOMING RESOURCES

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. Additionally, Where the period of the grant falls entirely in the accounting year it is recognised in full, if the period extends beyond the year end, the relevant proportion is deferred.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.

Contractual income and performance related grants

The charity did not receive any contract income or performance related income or grants.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Stocks and work in progress

These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.
