Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**We STILL have not yet sold TheWay…We continue to investigate how and if to do this.** **We may simply keep the domain name and migrate the website. This is under disussion** **The proposed "66 Cities" tour, originally intended to begin in 2026 and unfold over the coming years, did not proceed as anticipated because of our founder's ongoing family responsibilities. The initiative has since been renamed "Ballad Cities," and its fixed timetable has been removed. We are now exploring how it can form part of the ministry's developing radio vision.** **With our founder remaining the principal person driving the work forward, internet radio offers a practical way to extend the ministry's reach while accommodating his responsibilities at home. Our aim is to provide Christian broadcasting accessible throughout the United Kingdom, 24 hours a day, seven days a week. This is a substantial undertaking,**

		and although our resources and capacity remain limited, we are making steady progress.

Achievements against objectives set	Para 1.41	**N/A**
Performance of fundraising activities against objectives set	Para 1.41	**Fundraising during 2025 was virtually non-existent. Our proposed programme of city visits in 2026—to speak from each book of the Bible, reconnect with like-minded, Bible-believing churches, and demonstrate the relevance of Scripture to life today—has proved impractical within that timetable because of our founder's ongoing family responsibilities.** **We have not abandoned the project. Now known as "Ballad Cities," it will be developed without a fixed timescale and linked to our new radio ministry. This will allow us to pursue its original aims at a manageable pace while building a clearer focus for future fundraising.**
Investment performance against objectives	Para 1.41	**N/A**
Other		**N/A**
