Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

In the period February 2025 and February 2026 T J Danes Rescue has rehomed 14 dogs.

.

All have been adopted. We regularly receive between 15 and 20 expressions of interest per week, on our website. We have tightened up our response to these requests in order to give prospective adopters the opportunity to carefully consider such a commitment. As a result of this individuals are given the opportunity to revise their enthusiasm for the breed through an exchange of information.

Every dog who comes to us is checked by our veterinarian and appropriate treatment given where necessary.

In planning the activities for the year 2025/26 the trustees reviewed the Charity Committee guidance at their trustee meetings. Each of the trustees have read the guidance.
