Service to Mankind Foundation

Trustees' Annual Report

For the Year Ended 30 June 2026

Overview

Service to Mankind Foundation continues to serve vulnerable individuals and families through a range of weekly, monthly and annual charitable projects. The charity is committed to providing essential support to those living in poverty by helping to meet their basic needs and improve their quality of life. This work is only possible through the generous and continued support of our donors.

Weekly Feeding Programme

One of the charity's core projects is the weekly feeding programme, which takes place every Friday. Using funds donated by our supporters, freshly prepared meals are provided to between **60 and 100** people each week. The charity remains committed to ensuring that this project continues throughout the year, providing nutritious meals to those who would otherwise struggle to afford them.

Food Ration Distribution

Thanks to the generosity of our regular donors, the charity continues to distribute essential food rations to approximately **70 families** in a local village. Throughout the year these ration packs include staple items such as flour and cooking oil. During the blessed month of Ramadan, additional food items including dates, rice, lentils and sugar are provided to help families throughout the month of fasting.

The charity also provides financial assistance to widows, divorcees and other vulnerable families who have no reliable source of income or government support. Cash donations are distributed to those experiencing genuine hardship, helping them to meet essential household and living expenses.

Education Support

Service to Mankind Foundation remains committed to supporting children's education. During the year, the charity continued to fund the education of more than **10 children** by assisting with school registration fees, textbooks and school uniforms. Through this support, children from disadvantaged backgrounds have been able to continue their education without placing additional financial pressure on their families.

Community Welfare Projects

Throughout the year, the charity continued to undertake a number of one-off welfare projects for families facing exceptional hardship. These included providing access to clean water for homes without a water supply, assisting with emergency medical expenses for those unable to afford treatment, helping disadvantaged couples with marriage costs, and supporting families whose homes required essential repairs.

Widow House Renovation Project

During the year, Service to Mankind Foundation also completed a house renovation project for a widow living in extremely difficult conditions. The existing roof of her home had deteriorated significantly, leaving the property unsafe and exposed to the weather. Through the generous donations received from our supporters, the charity funded the replacement of the roof and carried out essential renovation work, providing the widow and her family with a safe, secure and weatherproof home. This project has greatly improved their living conditions and reflects the charity's continued commitment to supporting vulnerable individuals through practical, long-term assistance.

Financial Review

During the year ended **30 June 2026**, the charity received total donations of **£33,228.79**. Total charitable expenditure amounted to **£32,760.32**, resulting in a **net surplus of £468.47**. All funds received during the year were applied towards the charity's charitable objectives and projects.

Conclusion

The trustees would like to express their sincere gratitude to all donors, volunteers and supporters whose continued generosity has enabled Service to Mankind Foundation to carry out its charitable activities throughout the year. Every donation, no matter how large or small, has helped improve the lives of vulnerable individuals and families.

The charity remains committed to relieving poverty, supporting those in hardship and delivering meaningful projects that make a lasting difference within the communities it serves. The trustees look forward to continuing and expanding these charitable activities in the years ahead, with the ongoing support of our donors and well-wishers.

Approved by the Trustees and signed on their behalf

Independent Examiner's Report to the Trustees of Service to Mankind Foundation

I report to the charity trustees on my examination of the accounts of **Service to Mankind Foundation** for the year ended 30th June 2026.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charity Commission for England and Wales.

I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 and in carrying out my examination I have followed the applicable Directions given by the Charity Commission.

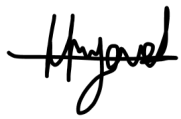

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in any material respect:

- accounting records were not kept as required by section 130 of the Charities Act 2011; or
- the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
