ANNUAL REPORT

THE TOY PROJECT

The TOY Project works to ensure everyone has access to play and achieves this through the rehoming anad reusing of toys.

By providing toys to children and families in need, to schools, hospitals, hospices, bereavement services and other community serving organisations, The Toy Project supports everyone in accessing play within their own homes and within educational and community settings.

THE PLAYROOM

The Playroom is The Toy Project's dedicated community play-space. The Playroom hosts free and accessible play-based sessions, after-school clubs and holiday playschemes. The Playroom fulfils a key part in ensuring everyone has equal access to play and facilitates play at the community level. Within the last financial year The Playroom facilitated and average of 170 service users per week. Creating approximately 25,000 opportunities for children and adults to access play.

THE GALLERY AT THE PLAYROOM

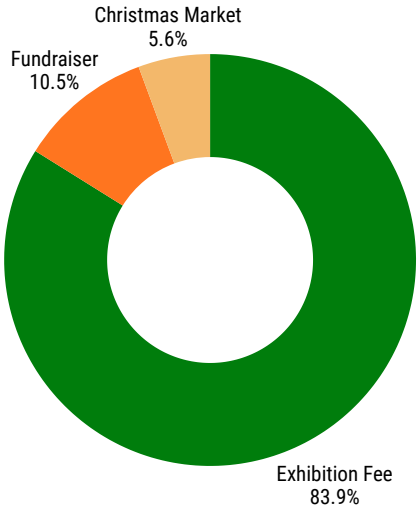

'The Gallery at The Playroom' is an eclectic and proactive community art space for adults and children. Here, we host exhibitions of the work of artists, students and members of the community. The Gallery delivers a channel of artists to share skills, styles and experiences through curating their own shows and running inclusive workshops. The space gives artists a platform to showcase their work and an opportunity to give back to the local community. This develops a culture of shared creativity by facilitating an exploration of visual arts to locals, giving them the opportunity to engage freely in art they may otherwise not have access to.

Artists are charged a weekly exhibiton fee of £250 towards the gallery's yearly rent of £15,000. in 2025 this produced a total income of £9,538.

Working with a local artist, we curated a fundraising exhibtion of an eclectic mix of artists' work around the theme of 'PLAY'. This raised a total of £1,000 for The Toy Project.

THE TOY PROJECT TEAM

ARTIST WORKSHOPS

Our playroom currently sees an average of 170 services users per week attending professionally lead arts and creative workshops. This provides an opportunity for the community to develop their cultural capital and creative skills as well as improving social communication and wellbeing. Our sessions are offered to all, from newborn to 99+, and are focused on inclusion and community. Sessions range from school visits and workshops for children with SEND and SEMH needs, children from disadvantaged backgrounds, and preschool sessions to sessions for over 50's to reduce isolation and maintain brain health through creative play. In addition to the sessions that we offer in our play space, we also take workshops into hospitals, hospices, community spaces/events and to the children's family days in prisons across London.

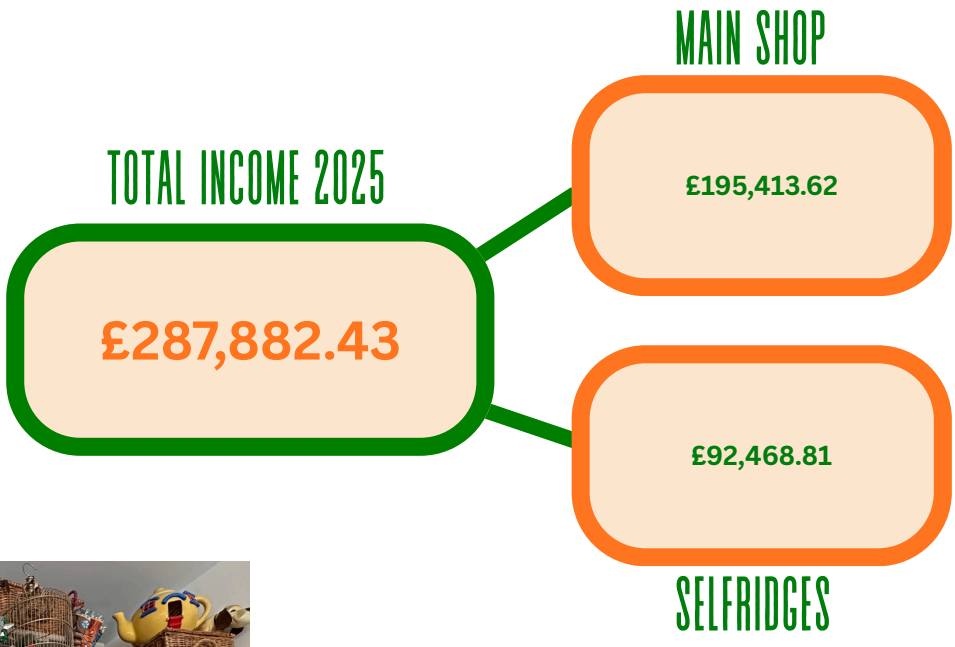

RETAIL

We have two retail spaces where we recieve and resell unwanted toys, diverting them from landfill.

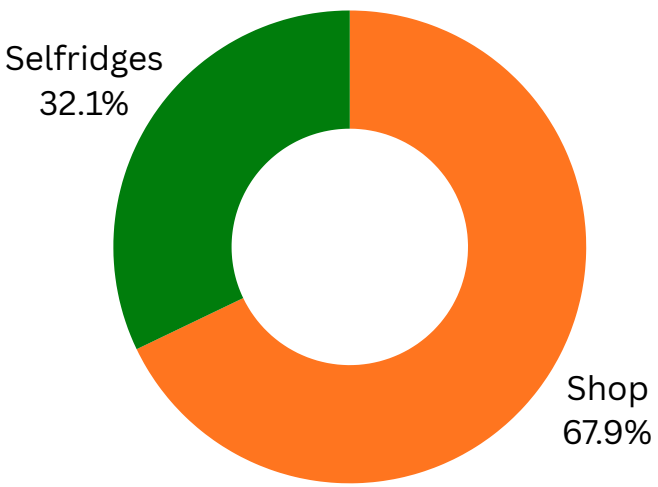

Our Flagship store, in Archway N19, is our main point for donations receiving hundred of donations monthly. It is also our primary source of income, taking £195,413.62 in 2025. The money made in our retail spaces is used to fund projects in our playroom, events and at other sites such as hospitals and prisons. The shop is targeted at children and families, with affordable price points, daily free toys and books, and a base for referrals.

Our concession in Selfridges, where higher price point items are resold, serves as an important base for us to make connections outside of Islington and to further our reach.

REFERRALS

Every day, children and families are referred to us in need of toys and books for their homes. These referrals come from local, nationwide and worldwide organsations.

Additonally, we provide resources and toys to organsiations to use in their space for their services users.

Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓

Government grants	The charity has received government grants in the reporting period	✓		
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.		✓	
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.		✓	
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. 	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.		✓

	Membership subscriptions which gives a member the right to buy services or other			

		Yes	No	N/a
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓

Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.		✓	
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	✓

Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Report to the trustees	The Toy Project		
On accounts for the year ended	30 November 2025	**Charity no (if any)**	1164282
Set out on pages	Section A Statement of financial activities and section B Balance Sheet		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/11/2024.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

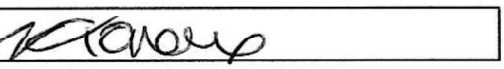

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Management Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
