Meet & Remember ClubTrustee Report 2025/26

The Exeter ‘Meet and Remember Club’ which was founded and supported by The Rotary Club of Exeter, aims to combine combating the onset of memory problems with community social activity and the awareness of the importance of local and personal verbal history in combating loneliness in the community. It meets weekly on a Thursday at The Devon Yeoman in Beacon Lane, Exeter at 10.30am and has a two hour morning session, followed by a lunch. Thanks must be given to the Devon Yeoman for allowing the club to meet in its function room in exchange for lunch provided at a very reasonable cost.

Apart from two Thursdays at Christmas and one because of bad weather, meetings were held every week and activities and a hot meal provided. This year a very successful trip out to have a cream tea was undertaken. Exeter Freedom Wheels have been instrumental in allowing this, and must be thanked for their help on a weekly basis for transporting members to the meetings. The structure of the meeting had been decided after a pilot period and had proved popular. Membership and attendance were high, and retention of members was exceptionally high. Financially the club has not undertaken any fundraising this year but a grant will be shown in next year’s accounts. The club benefits from having volunteers who provide their services entirely freely, without this resource the club could not exist

Meet and Remember Summary account 25-26

Expenditure		**Income**
