Independent Examiner's Report to the trustees of Hope for Humanity

I report to the charity trustees on my examination of the accounts of the Charity for the for the year ended 30 November 2025 which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner
The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the accounts of Hope for Humanity are not required to be audited and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view', and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement
I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. the accounting records were not kept in respect of Hope for Humanity as required by section 386 of the 2006 Act: or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirements that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees Report for the year ended 30 November 2025

Review of Period

The following is a review of the major activities of Hope for Humanity during the financial year.

International Projects - 2025

Reaching Communities, Restoring Hope

Across the world, Hope for Humanity continues to support people affected by conflict, displacement and poverty. Our international programmes combine immediate relief with long-term initiatives that help individuals and families regain stability, independence and hope.

From providing food, clean water and winter essentials to developing schools, medical services and livelihood opportunities, our work responds to both urgent needs and the challenges communities face beyond the initial crisis. Central to this approach is EmpowHER, our campaign dedicated to helping vulnerable women build skills, confidence and sustainable futures.

EmpowHer: Creating Pathways to Independence

The EmpowHer campaign supports women who face significant barriers because of conflict, displacement, disability, bereavement or poverty. Through practical training and access to livelihood opportunities, the programme helps women strengthen their independence and improve life for their families.

Our sewing programmes have provided participants with valuable skills that have led to employment, home-based businesses and a reliable source of income. In Malawi, Pakistan and Yemen, EmpowHer continues to create opportunities for women whose potential has too often been overlooked.

Turkey: Supporting Syrian Refugees

In Turkey, we supported Syrian refugees who have been forced to rebuild their lives away from home. Displaced families frequently face financial hardship, insecure living conditions and limited access to essential services.

Lebanon: Providing Warm Meals to Refugee Families

Lebanon remains home to a large refugee population, with many families struggling to afford even the most basic necessities. Rising living costs and prolonged displacement have placed additional pressure on already vulnerable households. Our teams provided freshly prepared hot meals, ensuring families could receive nourishing food with dignity.

Gaza: Relief in the Midst of Crisis

The humanitarian emergency in Gaza has left families facing displacement, hunger and the collapse of essential services. Our response has addressed several urgent areas of need, including the distribution of hot food, clean water, food packs and winter items.

We also supported sanitation and educational projects, recognising that communities need more than emergency supplies alone. Safe sanitation protects health and dignity, while access to education gives children a sense of routine, possibility and hope amid disruption. Every intervention has been shaped by the immediate realities faced by people living through the crisis.

Malawi: Inclusion, Dignity and Opportunity

In Malawi, our work combined essential aid with meaningful opportunities for women who are often excluded from economic and social life. Through EmpowHer, we supported women with disabilities and widows, helping them develop practical skills and greater financial independence.

Food packs and clothing were also distributed to households experiencing severe hardship. Together, these initiatives provided immediate comfort while helping women build stronger and more secure futures.

Pakistan: Building Foundations for the Future

Our work in Pakistan continues to grow through a wide range of relief and development programmes. We built schools to expand access to education and distributed food parcels, clean water, medical assistance and winter essentials to communities in need. Medical camps also brought vital healthcare to people who may otherwise have been unable to receive treatment.

A major step forward was the opening of our new Empowerment Centre in Mirpur, Azad Kashmir. Although its development is ongoing, the centre is already serving the community through a free dispensary and the EmpowHer sewing programme. It is being developed as a welcoming space where people can access healthcare, training and practical support under one roof.

We also progressed the development of Hope Villages across Jhang in Lahore. These community-focused projects aim to create safer, more sustainable living environments by bringing together housing and access to essential services. Rather than offering a single form of assistance, Hope Villages are intended to give vulnerable families a stronger foundation from which they can rebuild their lives.

Yemen: Supporting Families Displaced by War

Years of conflict in Yemen have devastated livelihoods and forced countless families from their homes. To help ease the daily pressures faced by displaced communities, we distributed food packs, hot meals and clothing, alongside baby essentials such as milk.

Through EmpowHer, we also supported women affected by war and displacement. The campaign offers a route towards renewed confidence and self-reliance, enabling women to develop useful skills and work towards a more stable future despite the immense challenges surrounding them.

Hope for Humanity believes effective humanitarian work must meet people where they are - responding to urgent hardship while investing in what comes next. A hot meal can ease today's hunger, a medical camp can restore health, and a school or sewing programme can open possibilities for years to come. With the continued support of our donors, volunteers and partners, we are helping communities move from survival towards stability and turning compassion into lasting change.

The trustees are responsible for preparing the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
