Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	HCUK coordinated 9, one day regattas across the country as part of our Traveller Trophy series with the local clubs taking on the event organisation for the day. Two more events had to be dropped from the planned series due to low water levels. We aim to spread events geographically and between mid-week and weekend sailing to provide an opportunity for as many sailors as possible to participate. There were 68 entrants across the fleets, the same as last year - 15 Liberty's, 19 sailing 303 one-person, 27 sailing 303 2-person, and 7 sailing 2.3's (competed in 7 of the 9). The class association is very inclusive and has a good representation of age, gender, culture, and disability participating. HCUK events are open to all, with or without a disability. The 4 fleets mean that people with all sorts of challenges can compete on level terms. Our sailors have varying degrees of physical disability, with some requiring motors to control the sails and steering to enable them to sail independently. We cater for deaf and blind sailors, as well as for people with a range of cognitive and neurodivergent conditions. The standard of sailing is also varied with the top end achieving podium positions at International events, and the bottom end being virtual novices. Our 2-person class also enables those who are unable to sail independently to take part with a buddy. The group are very welcoming and encouraging. Most sailors require help in some way with transporting boats, rigging them, getting in/out (some with hoists). Some clubs provide a team of volunteers to provide this, others provide the support that they

		need themselves. HCUK do provide a rig of 6 boats to all events. This is specifically targeted at those who don't have access to a boat or the resources to facilitate their participation. We have fantastic volunteers who manage the rig for us. The wider volunteer community who are involved find their roles rewarding and enjoyable, but a lot of hard work. All rig boats were booked for every event and the sailors comment on how the boat hiring is invaluable to them and their participation. The National Championships were held at Weymouth & Portland National Sailing Academy and attracted 28 entries. This is open to people from other nations and in 2025 we had 4 Omani sailors and one person from Ireland. There were 28 entrants. Between the Traveller series and the National Championships, sailors from 12 different clubs were involved. The class association helps to provide a pathway and inspires sailors to develop and get more involved. This includes running training camps in conjunction with the RYA (who have helped fund the events and provided a highly regarded performance coach). HCUK support some international events, providing on-water support and coaching. This is normally for the Hansa European and World Championships (which take place in alternating years). In 2025 this was the World Championship at Royal Prince Albert Yacht Club near Sydney, Australia. A team of 7 sailors took place representing GB with 8 supporters and coaches. In the overall standings team GB came second with 1 world champion, a fourth place and a third place for full servo Liberty Independently of HCUK several sailors made arrangements to attend other events and international championships around Europe and also in Dubai.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	We received £31k in income and spent £19k in expenditure meaning our cash position increased to £87k at year end. We received a large one-off donation from a charity which will be utilised when we replace our Support Rig.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The intention of the Trustees is to maintain a level of reserves which ensure that HCUK can continue as a going concern and at least maintain their current level of activity for two years. In addition, the Rig project initiative aims to raise funds to cover all operating costs for its lifetime (currently a target of 10 years). Reserves are held in separate Natwest Accounts
Amount of reserves held	Para 1.22	£10,000 pure Reserves half of which is in an immediate access account, £20,188 in Support Rig which, along with the other half of our Reserves is in an interest account.
Reasons for holding zero reserves	Para 1.22	Not applicable
Details of fund materially in deficit	Para 1.24	Not applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	No uncertainties

A description of the principal risks facing the charity	Para 1.46	The charity does not have sufficient funds to replace our Support Rig when its running costs deplete its fund (now expected to be at the end of the 2028 season). The plan is to replace the Support Rig via fundraising effort. Without a new rig, we would still run our event schedule but would rely on clubs to provide boats at events.
