Purpose	2025 expenditure
Education and school support	£606.00
Housing and shelter	£1,298.70
Wedding assistance	£155.00
Medical assistance	£1,100.00
TOTAL	£3,159.70

Objectives and activities

Shukran Foundation seeks to relieve people in need due to financial hardship, ill health and other disadvantage. During 2025, the assistance covered by this report was provided for poor and disadvantaged people in Bangladesh, with funding directed towards education, modest housing, marriage-related hardship and medical needs.

Summary of achievements in Bangladesh

Education — Financial assistance helped underprivileged children meet school fees and obtain educational essentials, including books and school uniforms. Expenditure allocated to education totalled £606.00.

Shelter — A grant of £1,298.70 supported construction of a basic house using tin and some brickwork, helping provide safer accommodation for a household in need.

Wedding assistance — £155.00 was provided to help people facing financial hardship with wedding-related expenses.

Medical assistance — Payments totalling £1,100.00 supported medical needs of disadvantaged individuals, including cancer-related treatment and other healthcare expenses.
