Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Each year HELP Dadaab provides distance-learning courses, leading to a Diploma qualification, to refugees and residents in Dadaab camps. The courses are provided by Cambridge International College (CIC), whose qualifications are recognised all over the world. HELP Dadaab invited applications from potential students for Distance Learning Diploma Courses in subjects of their choice. These potential students were unable to access education elsewhere. The project successfully distributed learning materials to 150 sponsored students, enhancing their educational experience and supporting their academic needs for the year through distance learning HELP Dadaab and their sponsors; ANGEL WELFARE AND EDUCATION TRUST (AWET) were able to provide laboratory materials for the students at different schools. HELP Dadaab trained Community mobilizers in Dadaab, focusing on enhancing their skills and knowledge to effectively engage and mobilize

		community members. This initiative empowers local leaders to address community challenges and promote social cohesion. During 2025 Help Dadaab has funded 15 casual teachers. These teachers have been distributed to various different schools within the North Eastern area of Kenya where there is a severe shortage of teachers For the last 2 years HELP Dadaab has sponsored 2 females and 3 male medical students on a Diploma Medical course, studying at the North Coast Medical Training College in Kilifi county. Once graduated, these students will be a valuable asset to their communities. HELP Dadaab purchased and distributed essential food supplies to 300 people in the Dadaab Camps
