WETHERBY DISTRICT LIONS

CHARITABLE INCORPORATED ORGANISATION (CIO)

Trustees Annual Report for the year ended 30th June 2026

The trustees are pleased to present their annual report together with the consolidated financial statements for the year ended 30th June 2026. The trustees confirm that the documents of this charity, 'Wetherby District Lions Club (CIO)', demonstrates that the Club has operated as a 'Charitable Incorporated Organisation' in accordance with the current statutory requirements. These are the charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) as amended for accounting periods commencing from 1 January 2016.

INTRODUCTION - Chair of Trustees

Wetherby District Lions Club (CIO) has had another successful year. A big thank you to the individuals and businesses who have worked with the Wetherby Lions to make this possible.

Our events have ranged from stalls at school fairs and the Tockwith Show to large events such as the very successful Wetherby 'Drovers' Brass Band Marching Contest' which grows in popularity each year. This brought together the people of Wetherby for a great musical event and raised some valuable funds. As in previous years, it was a pleasure to work in partnership with the Wetherby Riverside Bandstand Trust to make the day the success that it was.

The businesses of Wetherby have offered their support to the Lions in the form of sponsorship and services and it was good to see so many of them at our annual 'Big Biz' quiz night. This is both a fun and competitive evening which helps with our fundraising.

Our ever popular 'Santa's Sleigh' and 'Dickensian Christmas Market' events raised significant funds which more than covered the costs of the 'Lions Midwinter Lunch' event; a meal and entertainment which served 160 elderly and isolated people from the Wetherby area.

With the funds we have raised we have made many grants to local people and charities and sent money to Lions groups overseas to support their work. Later this year we will welcome a football team from the Ukraine and are pleased to be able to sponsor their visit and offer some relief from the war in Ukraine.

As in previous years we have appreciated the support our many volunteers. It is impossible to mention all by name, but our work would not be possible without their help. A particular mention goes to the Wetherby Whalers Explorers Group and the Royal Air Force Air Cadets who have been present at many of our events. We look forward to these partnerships growing as the years go forward.

As President I would like to take this opportunity to thank all those who have helped us raise money and deliver charitable services this year and I look forward to a similarly successful year coming up.

Wetherby District Lions Club (CIO)

MISSION

Our Mission is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Clubs.

With the motto 'We Serve' the club is a service organisation which raises funds for charitable purposes and co-operates with other charities and not-for-profit organisations to help them achieve their aims. Beneficiaries of the club's charitable organisation include local, national and international causes, the latter aided by the international nature of the Lions organisation.

PURPOSES

The purposes of Wetherby District Lions Club and all Lions Clubs are:

- To ORGANISE, charter and supervise service clubs to be known as Lions Clubs.
- To CO-ORDINATE the activities and standardise the administration of Lions Clubs.
- To CREATE and foster a spirit of understanding among the peoples of the world.
- To PROMOTE the principles of good government and good citizenship.
- To TAKE an active interest in the civic, cultural, social and moral welfare of the community.
- To UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To ENCOURAGE service-minded people to serve their community without personal financial reward and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

OUR STRATEGY – Priorities

Partnerships

To achieve our mission, we must identify and work with partners who add value to the delivery of our services, together with other organisations in our community, to deliver charitable services to all parts and assemblies in the Wetherby and district area.

Sustainability

To continue delivering on our objectives, it is important for the charity to remain fit for the future and responsive to change. We will continue to develop a membership recruitment programme so that we can maintain the charitable work of the Club; this includes recruiting new internal and external trustees to provide overall control and leadership.

Communication

We will raise our profile using a range of communication channels. This will include growing our audiences to ensure more people know about our work and services by:

- Increasing our social media presence and following on all platforms.
- Continuing to develop our website as an information hub for the wider community, our supporters and volunteers.
- Working with non-digital media, to raise the profile of our work through the display of posters, banners and leaflets in the community, advertising our forthcoming events.

Development

We will develop our charity by carefully considering the needs of the people we serve in the community. We will support our membership and volunteers to develop their potential through improved learning and development opportunities and a review of trustee skills.

Conclusion

Our strategy aims to build a sustainable, impactful charity that makes a significant difference in the lives of people in the communities we serve. By achieving our mission and values and by strategically engaging with partners, managing our resources and communicating effectively, we will foster a community that fully supports its people to live long, enjoyable and fulfilling lives for both the young and elderly.

STRUCTURE - Governance and Management

Charity's objects

- To raise and disburse charity and welfare funds according to the constitution of Lions Clubs International and the rules of the charity commissioners.
- To be involved in community activities and projects.
- To be active locally, nationally and internationally.
- To become a recognised charity in the community and point of contact for those in need of assistance and support.

Type of governance document

Charitable Constitution.

Constitution of Charity

Charitable Incorporated Organisation - Association Model.

Charity's organisational structure

Wetherby District Lions Club (CIO) was registered with the Charity Commission on 21st April 2016 using their 'Association' model. The charity's members are members of Wetherby District Lions Club, which is part of the Lions Clubs International (LCI) organisation and operates according to a typical constitution of a Lions Club, adapted to the local needs of the Club.

Trustee selection methods

Elected by members of Wetherby District Lions Club (CIO). Trustee appointments are for a term of three years. When new trustees are appointed, they are given information about the role of a trustee and charity law in a 'Trustee Induction Pack'.

Training of trustees

Training is available to trustees according to their perceived training needs, either through on-line learning or appropriate courses. Advantage is taken of complimentary governance seminars offered by local corporate organisations. The charity is also a member of the not-for-profit organisation 'Volunteer Action Leeds'. This organisation offers a wide range of expertise and practical support for charitable organisations at minimal cost and during the year provided safeguarding training to members and trustees.

Additional governance issues

All trustees give their time voluntarily and receive no remuneration or other benefit. They are responsible for the strategic development of the charity.

Wider networks

Being a member of LCI, Wetherby District Lions Club operates through their national and international organisation. In any case of international disaster relief and long-term recovery, this is managed through the Lions Club International Foundation (LCIF) which allocates grants and donations to Lions Clubs in the disaster zone, thus ensuring good governance and an auditable trail of funds.

Major risks and the system and procedures to manage them

LCI has a national structure in the UK and an international structure worldwide, headquartered in the USA and provides advice, training and assistance in all aspects of fundraising and charitable activities. Nationally the organisation has office staff based in Birmingham to manage and support UK based members in their charitable pursuits. This includes the dissemination of national level policies to assist in the management of individual clubs.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. Strategic risk management is regularly overseen by the board of trustees through review of an overarching risk management policy and the key risks faced by the charity. It also sets up systems and procedures to address those potential risks and to minimise any impact on the charity should the risks materialise.

At this time, our key risks have been identified as maintaining operational activity; exposure to financial loss; health and safety in our activities; safeguarding; financial control and oversight of Club activities.

Performance Review

During the year several detailed reviews of the charity's performance were undertaken to ensure the quality of delivery. Trustees used the 'Charity Governance Code' and the Charities Commission's 'Internal Financial Controls' documentation as a basis to undertake regular reviews.

ACHIEVEMENTS

Summary of the objects of the charity set out in its governing document

The trustees shall hold the charitable fund and its income and apply them for any purpose which is charitable according to the law of England and Wales, whether for the benefit of any individual or group of people or for the benefit of any other organisation established for charitable purposes, ('The Objects'). PROVIDED ALWAYS that the trustees shall not apply the charitable fund or any part thereof without first obtaining the approval, as defined in the Lions Club constitution, of the Lions Club at a Lions Club meeting. This is defined as a majority vote in favour, provided there is a quorum of members (50% of the Club's members).

Summary of the main activities undertaken for the public benefit

In accordance with the Charities Act 2011, Wetherby District Lions Club (CIO) is required to confirm that the activities it undertakes to achieve its objectives are all carried out for the public benefit as described by the Charity Commission. The trustees confirm they have complied with the duty in Section 17 of the Act, having due regard to the Charity Commission's general guidance on public benefit.

In planning our activities, the trustees consider the specific objectives of the charity, along with our mission and values. We review our aims, objectives and activities annually. We consider the outputs of our activities, assess the benefit of those outputs on the lives of people in the community and develop future activities to make sure our work continues to deliver the most benefit against our charitable objects. In shaping these objectives trustees have attended as many community events as resources allowed.

This report contains more information on the way our work has benefited people over the last 12 months, measured against objectives set at the beginning of the year.

We worked closely with Wetherby Bandstand Trust to deliver the fourth annual Drovers Day event. This saw 21 brass bands marching through Wetherby town and included an Artisan Market and Craft Fayre around the Town Hall.

At several events we attended, including school fairs and village shows, we ran our traditional tombola to win a cuddly lion as well as the ever-popular Yorkshire 'Flat Cap Throwing' competition.

The Club presented the annual Santa's sleigh rides in Wetherby and the neighbouring village of Kirk Deighton, bringing a great deal of good cheer to everyone and providing much needed income which was enhanced by further donations from the public.

We also ran our annual Dickensian Christmas Market and Fayre, which included Santa and his Grotto and sleigh. This also included our annual award to the Townsperson of the Year, nominated by the community.

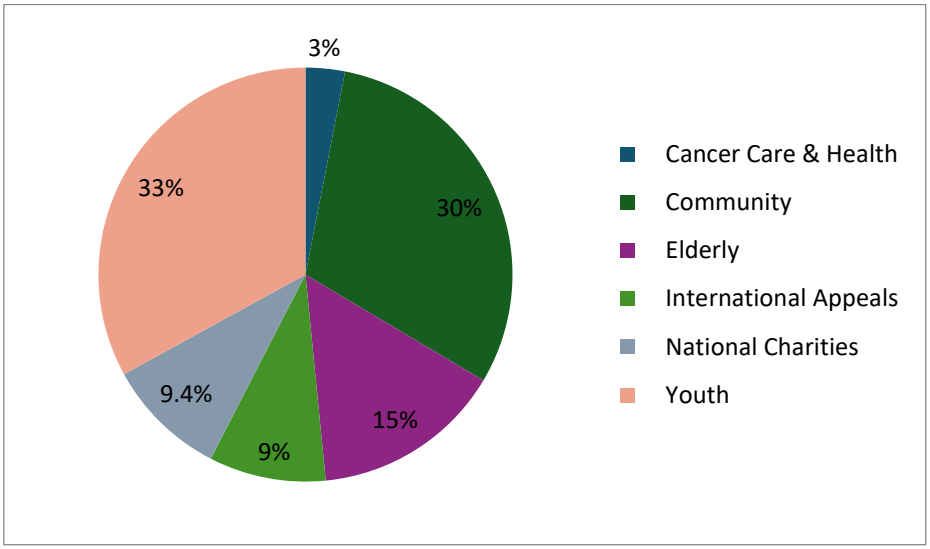

The following activities were also held:

- Supporting several community based activities including flower watering to assist the local 'Wetherby in Bloom' scheme.
- Hosting a 'Thank you Biz Quiz Nite' in partnership with Morrisons Supermarket for the local business community to support other charitable organisations.
- Organising a 'Senior Citizens' Party' and entertainment show for the benefit of 160 elderly people identified by local carers and groups.
- Operating a 'free of charge' community wheelchair loan scheme.

Disbursement of Funds raised

Charitable funds that Club members have raised are disbursed to charities, groups and individual beneficiaries in the local, national and international community in accordance with the 'Grant Making Policy'. After due consideration by the Club's Grants and Community Service Committee, and agreed by a majority vote by Club members, they have donated grants to the following categories:

The Club has continued to target grants to the local community, donating to service organisations, active community groups and local youth groups. Additionally, support continued to be given to local families suffering 'cost of living hardships' with the supply of domestic appliances and grocery Gift Cards.

Several national/international charities and causes were also assisted such as Prostate Cancer, Jamaican Earthquake appeal, Lions International Foundation and continued support for activities associated with support for Ukraine.

FINANCIAL PERFORMANCE

Achievements and Performance

The last 12 months has seen a continued increase in funds raised from events, showing an increase of £4,668 (c19.3%) to £28,818. Club costs for running fundraising activities and significant local events, such as Drovers Day and the Dickensian Christmas Market and Fayre, also increased during the year, although this still enabled these events to effectively contribute towards club funds. These activities are based on a pre prepared budget, estimating costs and likely surplus funds. Through these fundraising activities the club has been able to support charities, groups and individual beneficiaries with grants and donations totalling £10,955 as well as bringing together the people of Wetherby in attending these larger community events.

The charity's policy on reserves

The Club's policy on reserves continues to be not to hold a specific reserve fund, but to manage its resources so that the club is able to respond to requests locally, nationally or internationally. Should a request of significance be received, which cannot be met from immediate Club funds, members will apply for emergency funds from LCIF. During the year, cash balances increased by £2,415 (c10%) to £26,044.

Fundraising

All our fundraising activities deliver on our fundraising promise. We proactively comply with all fundraising related legislation and marketing regulation. All our fundraising activity has been led by Club members and volunteers. As part of our approach, policies and standards, we make sure we protect vulnerable people and other members of the public from inappropriate behaviour. We proactively train everyone involved in fundraising, with clear processes in place to monitor and manage every interaction. In the past year, we have not uncovered any failure by Club members or volunteers to comply with these schemes and standards and received no fundraising complaints in the year.

THE YEAR AHEAD – Our Strategy

The charity will continue to support the people of Wetherby and the surrounding area by helping individuals and organisations in time of need as the Club has done for the last 60 years.

Through the implementation of our strategic framework, we will be challenging ourselves to further develop our services to be first-class, so that the health and wellbeing of those we support is truly enhanced.

Specifically, trustees will:

- Consider the impact of the 'cost of living hardship' issues on the operation of the charity in respect of the fundraising activities and membership retention and recruitment.
- Review, before the end of the 2026 fiscal year, the events that have been staged in the period and determine if these events should be repeated in the next financial year.
- Continue to focus fundraising efforts within the local area and additionally to focus on conurbations outside of Wetherby; namely the town of Tadcaster and the villages of Boston Spa, Bardsey, Clifford and Scarcroft.
- Continue to manage events with a multi-disciplinary community team.

- Strive to increase membership by an organised professional approach showing due diligence and transparency throughout the process; particularly addressing membership diversity including LGBTQIA+ and non-binary/pansexual/2S inclusion.
- Develop further the use of our website and social media to educate, inform and publicise the charity and its activities and ensure that all opportunities for the publicity and promotion of our services are maximised.
- Continue our assessment of our charity against the 'Charity Governance Code for Small Charities', ensuring the high standards of governance which forms part of the principles and recommended practices are met.
- Work towards diversity of the board of trustees and recruit new trustees with relevant skills and qualities. We will also develop the skills of our current trustees by offering the appropriate training courses.

In conclusion, our strategy aims to build a sustainable, impactful charity that makes a significant difference in the lives of the people in the communities we serve. By achieving our mission, and values, and by strategically engaging with partners, managing our resources and communicating effectively, we will foster a community that fully supports its people.

INDEPENDENT EXAMINER'S REPORT

Independent Examiner's Report to the Trustees of Wetherby District Lions Club Charitable Incorporated Organisation

Independent examiner's report to the trustees of Wetherby District Lions Charitable Incorporated Organisation ('the Trust')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2026.

Responsibilities and basis of report
As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement
I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
