New Marske Harriers Committee Annual Report 2026

Over the past year, New Marske Harriers has continued to thrive, with membership rising to 279 from 253 the previous year—a testament to the club's enduring appeal and the success of its activities.

The road race series, despite initial concerns about participation in the Harry Gamble Thompson 20Ten, saw record numbers and strong engagement in subsequent races, remaining a cornerstone of the club's calendar and attracting both local and visiting athletes. The Running Festival proved to be a major highlight, hosting the NECAA champs and the British Masters Half Marathon, which drew competitors from across the country to Redcar and further elevated the club's profile.

In March 2025, the club hosted the Northern 12 & 6 Road Relays on the Coast Road in Redcar, an event that was well received and enjoyed by all participants, enhancing New Marske Harriers' reputation for organizing high-quality races. Later in the year, the club rounded out its busy schedule by hosting an NYSD Cross Country event at Foxrush, Dormanstown in November. Throughout the year, club athletes delivered outstanding performances, reflecting the collective effort and dedication that underpin these successes.

None of these achievements would have been possible without the commitment of the club's volunteers, who support races, coach athletes, and work tirelessly behind the scenes. Their efforts are deeply appreciated and remain essential to the club's continued growth. The committee has also expanded, welcoming new members who bring fresh perspectives as race volunteers, coaches, and athletes, strengthening the club's leadership and ensuring a broad range of viewpoints in decision-making. The committee remains open to new recruits and values the contributions of all members.

This year marks the 40th anniversary of New Marske Harriers, and to celebrate, the club is planning several special events, including an exhibition at Kirkleatham Museum, a Parkrun takeover, and an 80s-themed night. These events aim to bring together past and present members and will be publicized as details are finalized.

As a club, we are especially proud that our very own Vice President, Graham Hall has taken up the seat of President for Northern Athletics. This appointment is a tremendous recognition of the fantastic work Graham has contributed to the sport, particularly across the North, and stands as a testament to the dedication and impact of our members.

The club extends sincere thanks to everyone involved—members, volunteers, coaches, and supporters. Your dedication and enthusiasm are what make New Marske Harriers a thriving and successful community.

Martin W Murray
Treasurer

I have audited the Income & Expenditure Account and BalanceSheet of New Marske Harriers.
In my opinion the accounts give a true and fair view of the state of affairs at the club.
