BRITISH BOER GOAT SOCIETY

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2026

The trustees present their report with the financial statements of the charity for the year ended 31 March 2026.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purpose of the British Boer Goat Society (hereafter referred to as BBGS) continues to be the promotion of agriculture for the public benefit, with particular emphasis on encouraging, developing, and improving the Boar Goat Breed. The Society supports breeders through education, training, breed promotion and the development of best practice in breeding, management, health, welfare and marketing.

During the year, the Society continued to focus on:-

Promoting the British Boer Goat Breed through agricultural shows and public engagement.

Providing members with educational resources and training to encourage high standards of husbandry and breeding.

Supporting exhibitors through Society sponsored events and competitions.

Protecting and promoting the British Boer Goat Standard Breed.

Encouraging responsible breeding practices and safeguarding of the interests of Society members.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Show Participation

The Society experienced another successful year of breed promotion through its extensive show programme, supporting four agricultural shows during the year. These included the Royal Three Counties, Hanbury Countryside Show, Burwarton Show, and for the first time the Royal Lancashire Show.

The introduction of the Royal Lancashire Show marked an important milestone for the Society, providing its first supported show in the North of England. This gave northern members a valuable opportunity to exhibit their stock closer to home, while helping to promote the breed to a new audience. The event proved to be a great success, attracting strong exhibitor support and generating significant public interest.

The Society also welcomed Burwarton Show to its 2025 calendar, further expanding opportunities for members to exhibit their goats and increasing the Society's presence at agricultural shows across England.

The Royal Three Counties Show once again hosted the Society's National Breed Show. The event welcomed internationally respected South African judge Mr Peter Bouwer, Tracey Wood and Richard Zidarew of the world famous Pacifica Stud in Australia, whose expertise was highly valued by exhibitors. Throughout the event, they generously shared their knowledge with exhibitors and visitors alike, providing practical advice on breeding, conformation and livestock management. Their educational approach was widely appreciated and helped further the Society's objective of improving breeding standards.

The Society continued to subsidise members' entry fees at all BBGS supported shows, encouraging participation while supporting the Society's educational aims and promoting wider involvement within the breed.

Digital Engagement and Promotion

The Society maintained an active online presence throughout the year.

The BBGS was regularly updated with Society news, show schedules, results, photographs and educational resources.

The Society's public Facebook page and members only Facebook group continued to provide regular updates, photographs, educational content, helping to promote the British Boer Goat breed to a wider audience while strengthening Communication to members.

Promotional banners and display materials continued to be used at supported shows across the country, enhancing the Society's visibility and attracting interest from both existing breeders and interested members of the public.

Breed Development

The Society continued to promote and protect the British Boer Goat Breed Standard through education and member guidance.

Support was provided to exhibitors and breeders through updated information on registrations, showing regulations and best practice, helping to maintain high standards within the breed while encouraging responsible breeding and livestock management.

Overall, the year was positive for BBGS. The expansion of the Society's show programme to four supported events, including its first northern show at the Royal Lancashire Show and the addition of Burwarton Show for 2025, demonstrated the Society's continued growth and commitment to promoting the British Boer Goat breed. Through education, member support and public engagement, the trustees remail committed to advancing the breed and delivering public benefit through the promotion of agriculture.
